

The 5th Annual
Gathering
of the
Juggalos
2004

Crystal forest • Garrettsville, Ohio • July 15th • July 18th, 2004

Somewhere, deep in our childhood memories, every one of us can recall a trip to the carnival, or the circus, or to some fresh park where imagination took over, little eyes got big and everything was just greater, better and more amazing than anywhere else. As we get older, our memories get crowded with other images and experiences, some we take on ourselves and others are forced upon us, some we carry no matter how hard we try to let them go. Somewhere that special place calls to us, inviting us to come back as the people we have become. Some of us may hear its voice in a song, or in the words of a good homie, or echoing back from the darkness that surrounds us. Some of us have heard it clearly, and call it the Dark Carnival.

The Gathering of the Juggalos is a place where Juggalos come to find what they are seeking. Some have found it already, and are coming to experience it again and again. For some this may be just a four day relief from the everyday and the ordinary, for others it may be a spiritual event they will carry with them forever. Psychopathic Records hosts this event once a year to make sure all the fans who support us get a chance to share in what we do, and really experience what we are about. It's our way of giving up all the flavor that we can pack into one event, to give Juggalos a chance to celebrate everything they get from the music in a safe, controlled, and utterly devastating environment. It's our way of saying we really mean it when we say FAMILY.

Anyone can be a fan, but the Gathering is for JUGGALOS.
Join us and you may just find what you are seeking....

Rules & Info

The 5th Annual **Gathering of the Juggalos 2004**

Starts Thursday, July 15th at 10 AM
Ending Monday, July 19th at 10 AM

24-Hour Event / All Ages

Crystal Forest
12001 Nelson Ledges Rd
(Route 282)
Garrettsville, OH 44231

Set-Up / Tear-Down:

Events on the first day of the Gathering are purposely light. Thursday, July 15th is designed to be a set-up day for everyone coming into the Gathering. Much of the flavor of the Gathering -- such as the Free Tattoos, Psychopathic Raffle, Gaming Tent, and Merchandise Pavilion -- is going on, but no seminars, autographs, or other events occur until the evening. This way, everyone has a chance to settle in, maybe take care of some shopping or catch up with some long-lost homies before the true devastation begins.

Monday, July 19th is designed as a tear-down day. The only thing happening after ICP's Sunday night performance is the Going Away Party. Many people end up taking off right after the last concert on Sunday night to beat the rush. Everyone needs to be out of the Crystal Forest by 10 AM on Monday, July 19th, so it wouldn't hurt to pack up your car early if you're planning on staying up all Sunday night.

Parking Lot

This free, outdoor Parking Lot is on the property of **Entertainment USA**. The Parking Lot is located about 2 miles from The Crystal Forest, has plenty of parking space for everyone. You may park your car here and then hop on a shuttle bus that runs every 10 minutes that will take you to and from The Crystal Forest, 24 hours a day. You must have a Gathering Amulet and Wristband to get into the Parking Lot and onto the shuttle. Those without an amulet and wristband will be escorted off the premises. No fires or tents are allowed in the Parking Lot under any circumstances, nor is any sort of camping or partying permitted. People looking for a place to hang out for a while can chill in the Hospitality Tent located at the Crystal Forest. The Parking Lot is heavily guarded 24 hours a day, making it an ideal location to secure your goods inside your car.

Local health and safety regulations strictly forbid any sort of camping, partying, or otherwise excessive lingering in the Parking Lot. When you're at your car, you either need to be on your way to the Crystal Forest or on your way back to your hotel. Under no circumstances may you camp or sleep in the Parking Lot. Doing so will result in your expulsion.

Camping

All campsites are located right on the grounds where all the excitement takes place. Most are buried deep in the wooded areas, allowing for a fair degree of privacy, shade, and sense of outdoor adventure. All of these natural campsites come complete with a fire pit, but do not include running water, electricity, or hookups for RVs (although RVs and campers are welcome). Pick-up trucks loaded with firewood will cruise around, selling wood for your fire-building needs. You may park your car at your campsite, as long as it is inside the area allotted to you. Only one car is allowed per campsite. Only those who rent a campsite will be allowed to drive their car into

The Crystal Forest. All others will have to park their cars in the Parking Lot and take a shuttle bus over.

Attendants will check all cars entering The Crystal Forest for a **parking pass** (one parking pass is sent to each person who buys a campsite which must be placed on the inside windshield on the drivers side). At the campsites, radios and noise from any source should be kept extremely low after 11 PM. All campsites can be easily located using the map on the back inside cover. The rules for the campsites are listed below:

Campsites (roughly 30' by 30') – You may set up to three tents. Vans, trucks, and other similar size vehicles are considered a tent for these purposes in addition to counting as a vehicle. If you have an RV you may not have any tents set up at your campsite. A maximum of 10 people may use this area. If you purchased a campsite you will receive 10 wristbands to distribute amongst the campers staying at your site. All tents must be kept at least 5 feet apart from each other and tents must be kept 10 feet away from an adjacent camp sight's tent or from a fire pit.

Officials will be inspecting campsites to make sure that everyone is following these rules. Due to health regulations, any tents set up in an area outside of an official campsite will be taken down. Also, cars parked in The Crystal Forest outside of an official campsite will be towed.

Amulets & Wristbands

Your Gathering Amulet and Wristband are also your ticket into the Gathering of the Juggalos. No one will be allowed to enter the Crystal Forest without both their amulet and wristband. Our comfortable, high-tech wristbands are tear-proof, water-proof, and non-transferable, and incorporate the latest anti-counterfeiting technology. Likewise, the amulets are made of industrial-age metals, featuring a phat design that makes everyone without one envious.

Psycho-coins

All purchases at the Gathering, from food to merchandise, are made using Psycho-coins, a series of commemorative tokens made especially for this event. It works in the same way that tokens work at state fairs: you buy the tokens, and spend them wherever you want to buy something. Psycho-coins are available in \$1, \$5, and \$20 increments, sold right nearby the Snack Area and the Merchandise Pavilion, Convenience Store, as well as at the Information Tent. These Psycho-coins will look and feel like real coins, so be sure to bring a pouch or something else to carry them in. Unless you plan on keeping them in a deep, dark, secret place... then we just don't want to know about it.

Please note: There are no refunds on Psycho-coins.

Services

Information Tent

Psychopathic selects only the most mentally masterful ninjas to serve at the Information Tent. This is a central hub of activity where Juggalos can go for directions, emergencies, or the answers to various queries -- but if you want to know where your dirty drawers went, it's better not to ask!

The Info Tent is also the place to get on the **Volunteers List**, check the **Lost and Found**, or have someone help pull your head out of your ass, should you have it stuck there. The Information Tent is also the home of the **Psychopathic Raffle**, where you can both see all the raffle items for the day as well as buy raffle tickets. They will also have **maps** to give away, and can sell Psycho-coins. These ninjas have such amazing powers of perception and deduction, they may even have your problem solved before you get there! Prepare to drool in stupefied awe!

Psychopathic Records wants the Gathering to be a positive experience for everyone involved, so don't be afraid to bring any questions or concerns to the Information Tent.

Convenience Store

Out in the middle of the woods, with no K-mart or 7-11 in sight, you're gonna need someplace to buy stuff. Well, the Convenience Store will have everything a growing Juggalo could ever need, short of love slaves or bondage gear. Who knows, with Psychopathic ninjas in the house, you might even be able to score some of that on the down-low! We really need to keep Juggalos from leaving the park unnecessarily, so we do our best to stock anything you could need right here. The store will have disposable cameras, batteries, cold beverages, snacks, cigarettes, Faygo, flashlights, hygiene items, and even clown make-up. If we don't got it, you don't need it! The Convenience store will accept Cash as well as Psycho-coins, and will also be able to convert one into the other.

Food Court

Be sure that growl you hear deep in the woods isn't your stomach!

After a long day exploring the mad amounts of flavor the Gathering has in store, every Juggalo's gonna need to eventually stop and get their snack on. The concession stand is the place to go for a meal, for the munchies, or just for a Faygo. We promise a plethora of dining sensations, the finest food a carnival in the middle of the woods has to offer! You won't even have to hunt the chickens... unless you want to. The Rib Shack is back, along with the classics: hotdogs, hamburgers, pizza, salad, nachos, fries, and elephant ears imported directly from the elephant exhibit at the Toledo Zoo! This year we will even be providing alcoholic beverages for those Juggalos who can prove they are over 21 years old with a PICTURE ID. You can eat your food in the shade at a picnic table in the dining area, or carry it with you to the next event! All concession stands accept Psycho-coins, the official currency of the Gathering. A Psycho-coin conversion station will be located in this area.

Showers

It's not quite Diamond Rain, but the Showers are a comfortable, sanitary way to wash that sticky Faygo out of your hair, or the sand out of your crevices. Separate male and female hot showers will be available from 8 AM to 4 AM (it is closed from 4 AM to 8 AM for maintenance). The shower trailers also provide a sink and mirror for you to get pretty in, along with a dressing room, but there will be a **five minute maximum** shower per person to ensure that lines flow quickly.

Bag Check

Whenever you need to keep an item safe and it just isn't convenient to head back to your car, campsite, or hotel, you can drop your item off at our conveniently located Bag Check. These large metal containers are weatherproof and well secured, protected both from the elements and

Rules & Info

theft alike. Just bring what you want up and our friendly staff will make sure no one but you gets at it. Well, most of our staff are friendly--we'll be sure to have some big nasty muthafackos there too, to discourage ninjas from snaggin' your stuff.

The Bag Check is in operation from 10 AM to 2 AM, and is locked up and secured at night.

Chill Stage

Conveniently located right outside the Food Court, the Chill Stage is a large wooden stage where you can sit down to enjoy a meal, kick it to some lovely lady, or otherwise slow down and relax a bit. There isn't much to do here except chill, which is the whole idea! Those looking for excitement and adventure should look elsewhere. The Chill Stage is also where this year's Juggalo Wall of Fame is located.

Hospitality Area

While not a place for Juggalos to stay permanently, those needing a temporary place to crash between partying can take a nap at our convenient and scenic Hospitality Area. It's not much more than a big tent where you can curl up and be out of the sun/rain, but it works for a quick rest when you need one, and has a beautiful view of Lake Lotus as well.

The Hospitality Area is not intended for long-term use, and as such anyone staying there should not leave items they bring in unattended. You'll probably want to leave your big items in your car, hotel room, or at the Bag Check. Likewise, please recognize that this is a public area, and as such you should make every effort to keep it clean and tidy for all to enjoy.

No campfires of any sort are permitted in the Hospitality Area, nor are any tents allowed. It's just a place where you can rest when you need to get away from it all.

Handicap Access

For those Juggalos who need special accommodations due to a physical handicap, we've got motorized scooters designed for outdoor use that you can check out and grip around the Crystal Forest. Just come up to the Information tent, explain/demonstrate your situation, and they'll hook you up. You will have to leave your ID when you get your scooter, and you will be held responsible for all damages to your scooter, so don't get too wild with them.

Security

We've taken many steps to make sure that this year's Gathering is a safe and secure event.

Wear Your Amulet and Wristband!

Security on the inside will be looking for your wristband and amulet, so keep them on you at all times! These items are the only way security can tell who is supposed to be in the park from those who aren't, so don't lose them. Anyone caught without an amulet and wristband will be asked to leave the park.

Inside the Park

We've got security guards scattered throughout the park on patrol to make sure you and your campsites stay safe and secure. They're not there to restrict you in any way, just make sure that you and everyone else are safe and secure. If you're having trouble of any sort, please feel free to stop or call to the nearest security guard and ask for help. That's what they are there for!

Bag Check

If you have anything you need to keep safe, we've got a Bag Check in operation through the day and most of the night. The Bag Check is extremely secure, and guarded at all hours, making sure that no one but you can get at your stuff.

Border Patrol

To keep uninvited guests out of the campground and out of your personal stuff, we've got a small army of trained guards patrolling all edges of the campground, checking for any signs of activity where it shouldn't be. Anyone sneaking around will be thrown out of the park, and if they come back, will be detained and possibly have trespassing charges drawn up. No one will be getting into the park without a ticket.

Cars on the Campground

If you have a campsite, you get one car pass that you can have on one car. Without that pass, any car coming up to the park will be turned away. Once inside, you are highly discouraged from taking this car in and out of the park. You will be able to leave for emergencies only. There are a lot of people at the Gathering, and to keep things safe and flowing we just cannot have people driving about during the event. Once you drive in, you're there to stay.

Parking Lot

For most everyone, you'll drive to the Parking Lot, park your car, and take a shuttle to the Crystal Forest. While this does mean your car will be sitting in the Parking Lot for an extended period of time, it doesn't mean that it isn't safe. We have security patrolling both the interior and borders of the Parking Lot, looking for anyone suspicious and watching over every vehicle to make sure that nothing happens to any of them. Your car and everything in it will be 100% safe while you're in the Gathering.

Roadside

The roads around the Crystal Forest are patrolled by police at all hours of the day. They will stop and question anyone they see walking along the side of the road (or in the road). Likewise, any cars stopped on the side of the road are likely to be questioned, and any cars parked on the side of the road will be towed. Unless you have a campsite, you want to drive directly to the Parking Lot and take the shuttle buses into the Crystal Forest.

Volunteering

The Gathering isn't just FOR the Hatchet Family, it TAKES the whole Hatchet Family to make it happen. Every ninja from Psychopathic will be there freakin' it, but they need all the extra help they can get, especially since a few always seem to disappear into the forest, never to be seen again... Donate your digits or your dome to a good cause and help out by Volunteering. Hit up the ninjas at the Information Tent at any time to get yourself on the Volunteer List, and give us a few hours of your time. Psychopathic appreciates these generous Juggalos, and promises them an honorable mention on the website, as well as mad props all around! This may be your only chance to run with Psychopathic Records, come down and see what it's really about!

Merchandise

A roving band of gypsies appeared within the Crystal Forest, drawn by the sound of Psycho-coins clinking in Juggalo pockets. They've set up the most Bizarre of Bazaars, and are prepared to give up the freshest Hatchet Gear merchandise for your precious coinage. You'll find this carnival of commerce deep within the Psychopathic Merchandise Tent, at a central location on the Juggalo Grounds.

Gathering vets know that this is where the newest freshness debuts, but this year we guarantee so much new, exclusive flavor, your eyes will bug out your head, circle 360 degrees around the planet, and smack you in the back of the dome! We'll have great new and rare merchandise for all Psychopathic artists, including **Dark Lotus**, **Psychopathic Rydas**, **Juggalo** and **Juggalette** gear, and of course, **Gathering of the Juggalos 2004**. Like all vendors at the Gathering, the Merchandise Booths will only accept Psycho-coins.

Sure there's stuff to do and stuff to eat and all sorts of other stuff at the Gathering, but the thing that makes it a Psychopathic Records Dark Carnival and not some pansy Burning Bone festival is the MUSIC. Juggalos get FOUR FULL NIGHTS of concerts featuring EVERY SINGLE PSYCHOPATHIC STAR and plenty of GUEST STARS straight out of the underground. Just as your wig wanders back from the day's flavor, you find yourself before the stage, in a sea of Faygo-stained Juggalos with live Psychopathic music invading one ear while your brains spew out the other. Just bring enough brains for ALL FOUR NIGHTS! It doesn't get more live than this, and you will see and hear more than any single human being can possibly handle. That's why this is the Gathering of the Juggalos and not a steaming pile of dead bodies, cause we face the devastation and represent the Hatchet Family for four nights of flavor!

Thursday Night

Opening Bands

We've assembled the very best in up-and-coming talent from all around to get the Gathering rolling with a BANG! Starting at 7 PM, you'll be assaulted by the ongoing barrage of bands, beating beats into your brain like a bombing range! This ongoing concert is a showcase of tomorrow's who's who, and not to be missed! You never know where these talented musicians may go after this, and you can say you saw them back where it all started!

Opening Ceremony

After the Opening Bands tear it up we officially get the Gathering going with the official Opening Ceremony, presided over by the true Dons of the underground, Insane Clown Posse! This year is the biggest, best Gathering out of a now long line of big, bad-ass Gatherings, and there is no better way to get it all started by hitting up the Opening Ceremony.

Friday Night

WolfPac 6 PM

Let's see...

Old school hip-hop with metal licks?

Check.

Hardcore underground following?

Check.

Sold thousands of albums with no major-label BS?

Check.

Shredding the wicked shit for sweaty crowds of insane fans?

Check.

Appearances on the Howard Stern Show!?!?

Hey, somebody should invite these guys to the Gathering... oh, wait, we did! Fresh!

Jumpsteady 7 PM

The winds of chaos twist and swirl in his wake, leaving a trail of desert sands and brittle leaves upon the path he treads, the only trace of a lone soldier stalking destiny. In a realm beyond thought, of electric logic and unholy light, he hunts broken truths and blessed lies, in random

realities he captures words and ideas that become his weapons, his eyes bearing visions, his tongue calling terrors, and he forges his way back to the wasteland of modern music. His

journey brings him now to the Crystal Forest, to share his discoveries with those willing to open their minds universe-sized and let him in...

ABK 8 PM

A light wind tugs at your coat, you hear a slight rustle of leaves, a twig snaps and then WHACK!! you see a fresh tomahawk lodged in the playa next to you! The spirit of ABK attacks the stage with the stealth of a ninja and the tactics of a tribal warrior! Campfires throughout the Crystal

Forest will be magically snuffed out as the Hatchet Warrior begins to tell his scary stories, and his wicked rhymes scare the ghosts back into the darkness! Psychopathic's own Native American hip-hop killa will be feelin' the Juggalo love, and exploring his roots in the perfect setting--up on stage and deep in the woods! Put on the warpaint and get schooled by the one and only ABK.

DJ Swamp 9 PM

This guy is so crazy, he actually wanted to perform IN the swamp! In fact, he still thinks he is, so don't tell him he'll be up on stage. We thought we'd put him where the Juggalos could witness the scratching and mixing skills he's shown working with Beck, Crystal Method, Weird Al, and our very own V Ice! Swamp will hit the stage so hard, it'll burst into flames. Literally! He sets stuff on fire! Come check out the finest the Gathering has to offer in turntable freshness, before he runs off into the woods after the Burning Man Ghost, or some other insanity. This is the guy who refers to himself as the Rob Zombie of hip-hop, come see if he's for real!

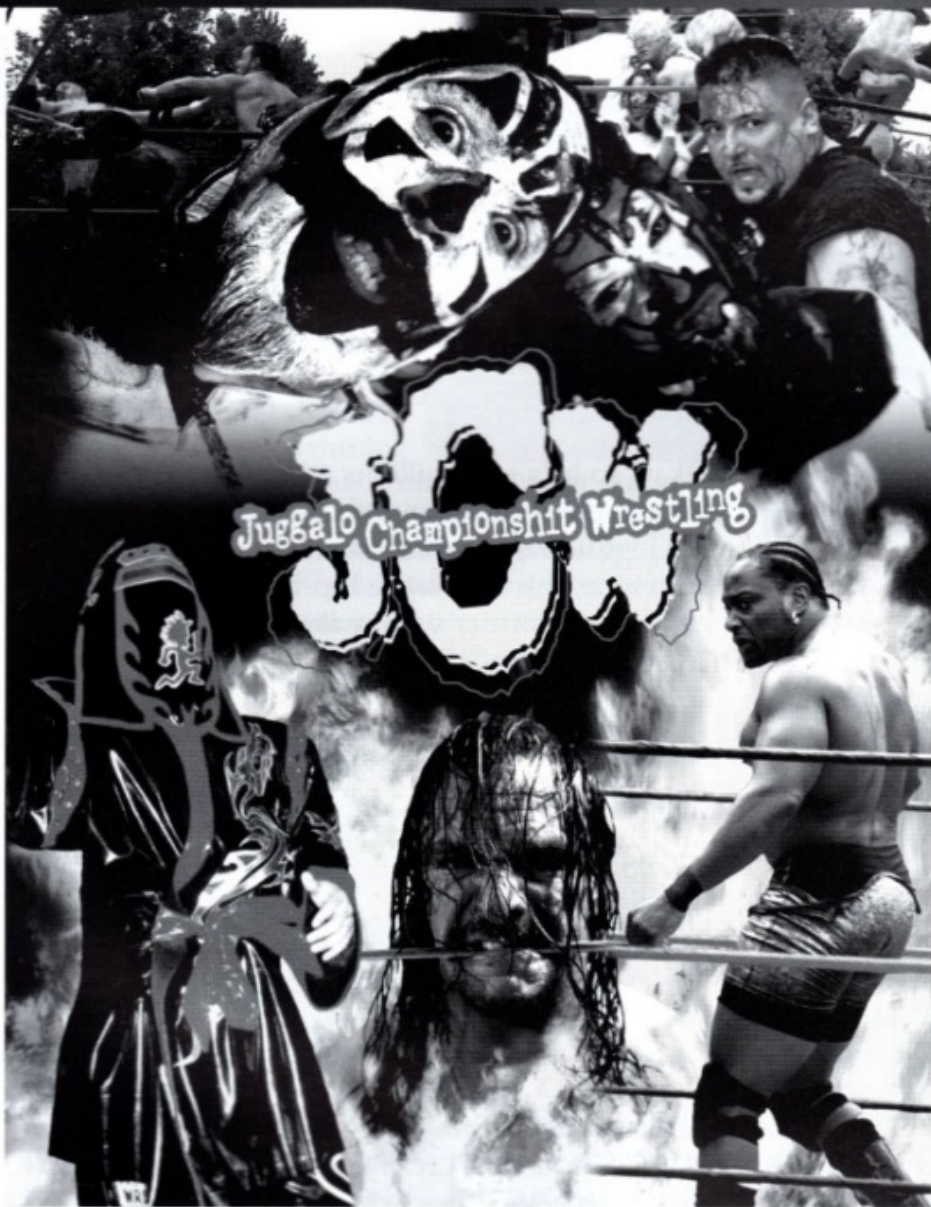

Dark Lotus

10 PM

Between the trees, in the lake's rocky depths, and in the darkest recesses of your own heart the darkness gathers. The shadows drift and creep, accumulating as clouds while evening descends upon the stage. Soon the sky will erupt, and Black Rain will pour in torrents onto the unwitting souls who gather there. Six Psychopathic figures will appear amongst the dark drops, and the shadows will bellow their cryptic message. These figures will LOOK like men, may even seem like Violent J, Shaggy, Monoxide, Madrox, Colton and ABK, but the darkness can deceive you, and their musical shadows will steal inside you and embrace your greatest fears.

Wrestling

What was that just cracked my dome? Was it a chair? A stop sign? A table? A really big Juggalo? I don't know cuz I'm passed out in a puddle of thumbtacks and my own blood, and I can't wait to do it again! All the fun and fury of hardcore wrestling comes directly to you at the JCW Wrestling Stage. See the superstars of underground wrestling battle it out in exclusive shows for three days of the Gathering. You can watch the carnage from the safety of the bleachers, or risk life and limb yourself in the try-outs! It's OK though, our certified safety personnel have quicker reflexes than some of our wrestlers! Come enjoy some professional violence and show some clown love at the JCW Wrestling Stage!

Some Juggalos wonder, what does wrestling have to do with music? Well, if we were talking about some magazine-cover pop princess, or your little sister's favorite boy band, then

you might not see a connection. You might see Justin Limberloo in the ring with a metal chair in sync with his nugget, or a light-bulb 98 degrees up his backstreet, but you wouldn't see a connection. Well this is Psychopathic Records, and we don't need to explain it. We just figure that anyone who likes to put on facepaint and swing a hatchet might enjoy watching the occasional ruthless beatdown... and if you think we're wrong, we'll meet you in the ring. The Juggalo Championshit Wrestling ring, which we've set up and filled with thumbtacks and raving psychotics, all for Juggalo amusement. Come on down and see what real hardcore wrestling looks like. We guarantee things will be getting ugly.

JCW Try-Outs

Wrestling Stage

Friday, July 16th, 1 PM - 2 PM

Saturday, July 17th, 1 PM - 2 PM

This is your chance to get into the ring and wrestle with the best of the best in the wrestling world ... at least for one event. A handful of lucky wrestling fans will be drawn out of the audience and taught the basics of the art of wrestling. Then, two of these lucky few will get their chance to put what they've learned to work in an actual JCW match! Those wishing to participate in the JCW Try-Outs should show up at least 25 minutes early, and be prepared for anything!

Acceptance into the JCW Try-Outs or to the actual JCW match does not necessarily guarantee further membership or participation in future JCW events.

Wrestling Autographs

Wrestling Stage

Friday, July 16th, 4:30 PM - 6 PM

Saturday, July 17th, 4:30 PM - 6 PM

Sunday, July 18th, 4 PM - 5:30 PM

This is where we were going to talk about JCW autographs. We were gonna tell you to come get autographs from the stars of JCW Wrestling, when we realized we've SEEN these guys wrestle, and we'll be lucky if any of them are still MOVING, let alone healthy enough to hold a pen and sign shit. Oh well, Juggalos, we'll make sure the winners show up, even if we have to prop them up at the tables they just got smashed through. The Rude Boy is scheduled to make an appearance, and we know HE'LL be there, even if he has to bloody up everyone who gets in his way. So whether it's actual autographs or feeble bloodstains, you'll get something from the JCW autographs.

Contests

It's like the Game Show Network with Juggalos! We've got a whole Dark Carnival of entertainment for your silly self, so much that we had to take over an entire campground! Your nugget will spin on your neck like a bloody Wheel of Fortune when you try to take it all in! Flavor flies out at you from behind trees, from under bushes, and blindsides you from around every corner! And it's freshness you could actually win! We've got more games than Faygo has flavors, so step up and see if you've got what it takes. Only the freshest Juggalos will stab their way to the top, but everyone can enjoy a little friendly competition among serial killers! Bring clown love and try a contest!

Notes

Seminars

Have you ever heard of a little rap group called ICP?

They're these two nice schoolboys from Southwest Detroit, and they're visiting us today to tell some stories. They may even wear special costumes, or bring some special props, won't that be nice? I think this will be the best story hour we've ever had. If you children are nice, maybe they'll even let you ask them some questions. You have questions, don't you? We'll have to give them a very special welcome...

Oh dear, I just hope they don't mind our rebel flag...

Oh well, I've heard they're such NICE boys...

Twiztid Seminar

Seminar Stage

Friday, July 16th, 12:30 PM - 1:30 PM

Saturday, July 17th, 3:30 PM - 4:30 PM

Sunday, July 18th, 12 PM - 1 PM

Like a mystery wrapped in an enigma wrapped in rolling papers and bitch-slapping some buster's wannabe rhymes right out his mouth, Twiztid are as crazy as a wolverine in a straight jacket, and as sharp as an axe shooting laser beams. If that doesn't make sense to you, just know that Twiztid are masters of mind-warping wicked rhymes, and this is your chance to hear them speak their own words, from their own mouths, in between making their own smoke rings. Juggalos know what sort of flavor these merry miscreants bring, and this is your chance to ask the Billboard blasting, wicked rapping masters of the Twiztid style exactly what goes on in their heads. Prepare to be schooled.

ICP Seminar

Friday, July 16th, 5 PM - 6 PM

Saturday, July 17th, 5 PM - 6 PM

Sunday, July 18th, 1:30 PM - 2:30 PM

Remember Mrs. Kramer, that evil english teacher you had in the fourth grade? Imagine her with face paint and a bloody ax, and schooling you on murderous lyrics instead of linking verbs, and you get a Gathering Seminar. All the people who keep the Hatchet choppin' come down to tell you what's what for three days of flavor. Want the latest news on all the rumblings Beneath the Streets? Want to ask Shaggy 2 Dope how to dispose of a body? All that and a wealth of horrors await you in the seminar tent. This is the place to get the firsthand, inside knowledge of the Juggalo world, and what goes into keeping it real. Take notes or smoke tokes, it's all up to the Psychopathic staff and a tent full of curious Juggalos!

Blaze Seminar

Seminar Stage
Friday, July 16th,
2 PM - 3 PM
Saturday, July
17th, 2 PM - 3 PM

At this seminar you can meet Blaze. Or maybe you'll see Colton Grundy. Or maybe you'll see Colton Grundy arm-wrestling Blaze to find out who gets to make fresh raps, and who goes in a coffin six-feet-under. Or maybe you'll see Janet Jackson's... I just don't know. But you can find out, right here in the seminar tent, as the artist whose voice can knock you flat, and whose style makes other rappers do drive-bys on themselves will be available to address all of your curiosities and conundrums.

Psychopathic Seminar

Seminar Stage

Sunday, July 18th, 4:30 PM - 5:30 PM
For over a decade Psychopathic Records has been beating the pop format with a hammer, and invading the music industry like a mad sugeon with a bloody scalpel, and the Juggalos have been behind us all the way.

Now's their chance to get face-to-face with the label itself and find out how we keep it real beneath the streets. Got some questions? Heard some rumors? Wanna know what evil plans we have in store for the rest of 2004? Want to know what Alex Abbiss reads in the bathtub? Well here we are to accomodate your every query! Come to the seminar tent and meet the man behind the screams at Psychopathic Records.

Mystery Seminar

Seminar Stage

Sunday, July 18th, 6 PM - 7 PM
Somewhere deep in the recesses of the Psychopathic Records office complex, if you turn the right corner at the right time of day, you can find a door labeled "Mystery Seminar." Every year some unlucky employee is stripped of identity, blindfolded, and banished to this room, until the first day of that year's Gathering. A team of the bravest Psychopathic employees then don protective gear, and crack the door to the sealed room. Whatever mad wailings or faded scribbling they discover are then carefully recorded, until they can be deciphered, and used to determine what the mystery seminar for that year will be. At the time of this writing, the only hint of this horrible secret is a faint whisper, which can only be heard as the last person leaves the building...

ABK Seminar

Seminar Stage
Friday, July 16th,
3:30 PM - 4:30 PM
Saturday, July
17th, 12:30 PM -
1:30 PM
Sunday, July 18th,
3 PM - 4 PM

We could sit here and tell you how ABK swings his Hatchet high, or how his Native American flavor brings an extra edge to his hip-hop skills, but you already know that. What you might not know is what's going on with his new album, or his music video, or how he's set to break out and take the rap world by storm? Wouldn't you rather hear it all from ABK himself? Come on down to the seminar tent--and you can. Or you might upset him and get a peace pipe laid upside your head. Either way it'll be fresh.

Autographs

What is a Juggalo? I don't know... but they're the only fans we got, so we give 'em what they want! And like any good record label we give 'em stars with pens ready to sign autographs. We make sure they exercise their stabbing hands to get conditioned for this event, and put them on a strict regimen of ax-swinging and dead body dragging to keep them in shape, so they can sign anything the Juggalos bring before them. It's up to the Juggalos to get creative, so their favorite artists don't get bored and start sticking pens into eye-holes! Line up and get a chance to meet your favorite Psychopaths, and take home a one-of-a-kind souvenir, right on your favorite body part, even! Chop!

This year, we double up all of our artists and celebrities, so you have a chance to get twice as many autographs at once! We keep rotating who is signing throughout the day, so if you're in line and miss out on an autograph from your favorite star, at least you can still get another star's John Hancock in its place and don't get completely assed-out.

ICP Autographs

Autograph Tent

Friday, July 16th, 12 Noon - 3 PM

Saturday, July 17th, 12 Noon - 3 PM

Juggalos coming to the autograph tent will have to make a decision:

Many choices, but no disappointments.

Life is full of questions, and here you must ask yourself one--

Whose signature will this artist bestow upon me if I attend his autograph session?

Will I receive the blessings of Blaze, or the gift of he who is Grundy?

All you may know for certain is that you are not worthy. Unless you're a Juggalo. So you should be alright.

I've heard that with his combat skills, Jumpsteady can lodge an autograph pen in a ninja's eye-socket at 100 yards. Don't be that ninja. Come down as Jumpsteady mingles with the REST of his family, the Juggalos, at the autograph tent. Superstar Samantha may be in the house as well, but we can only hope...

Free Tattoos

Near the Chill
Stage

Thursday -
Sunday, 11 AM - 7
PM

Yes, FREE. Worth the price of admission alone, now you can represent just like your favorite psychopathic artist -- with bloody flesh! These licensed, skilled tattoo artists are here to provide the safest, freshest way to PERMANENTLY show your love. These ninjas are so hype, they might be jumping from trees to ink you, or inking random Juggalos from golf carts! Just be sure you tip them, or you might take more than you bargained for from this Gathering!

Now, you may be curious and wondering, "So just who did those guys get to do tattoos for free at the Gathering, anyway?" Well, we've got people like Extreme Graphix Ink. from out in New York. Extreme Graphix Ink. is composed of 8 tattoo parlors around Rochester, NY, owned by John "Sniper" Brown, that do some serious work.

Tattoo Rules

You are 100% responsible for anything you get tattooed on you. There is a wide variety of Psychopathic tattoos available for free; other tattoos must be paid for normally. You are allowed reasonable customization of the free tattoos, however, to make it a bit more personal. You must be 18 or older to get a tattoo, and must present ID when doing so. Unfortunately, those under 18 CANNOT get a tattoo.

More Flavor!

Juggalos are a family, and here they can be teams of dribbling ninjas. OK, that was lame, but basketball's dope!

OR...

Splat! Bash! Crunch! No, it's not the sound of an ax-murderer in your basement, it's your homies getting nailed by... big balls. These balls aren't the shaggy kind, but they can sure leave a welt! There's nothing like a little random violence to brighten your day, and nothing like clown paint on a dodge ball to say... Ouch! Come join the fun!

We mix it up between intense basketball excitement and hardcore dodge ball action throughout the day. Either way, it's game time on the open court, so be there!

Outdoor Movies

Wrestling Stage

Thursday, July 15th, 11:00 PM - 5 AM
(Psychopathic Home Movies)

Friday, July 16th, 11:00 PM - 5 AM (B-Movie Marathon)

Saturday, July 17th, 11:00 PM - 5 AM
(Ninja Flicks)

After hours we roll out the monster-size screen and break out with the footage! You and your

crew can take it easy in front of our giganormous projection screen and enjoy a fine array of movies from throughout all of time and space (OK, maybe not THAT expansive, but they're good flicks -- honest!). We'll of course be playing the complete selection of home movies that ICP and the other staff of Psychopathic Records has produced over the years, including the Big Silva Documentary and the "big" budget special, Dark Trail.

A Man Called Frank

Starring: Shaggy (Allen), Alex Abbiss (The Lung Droid), Stefan Rudek (Dog-face Killa), N3 (Inspector Tudor), Jelly Nuts (Inspector Gleason), and Crazy Doug (Tom Perfecto)

In this police drama, a secret agent known as Frank is trying to stop the evil Tom Perfecto from stealing the crown jewels of London. Frank encounters a slew of Tom's henchmen, but with the help of his trusty sidekick, Dog-face Killa, and his superior intellect, he reigns supreme. Who will win in the final showdown between Frank and Tom? The suspense can be more killing than Dog-face Killa's twin gats!

Trials of Agony

Starring: Violent J (The Euro-American Kickboxer/Dr. Voilence), Shaggy (thug/Dr. Voilence), Alex Abbiss (Ape Man/Rob Sweeny/Dr. Voilence), Jumpsteady (Scorpion), Jelly Nuts (Fist/Dr. Voilence), and Tall Jess (Doug Dakota)

This is arguably one of the best home movies Psychopathic has ever made. It is certainly the longest, and features the largest cast. It is the story of an evil organization, run by Dr. Voilence, that bootlegs rap tapes and hosts an annual fighting tournament in Hong Kong, where the losers are crippled or killed. Two fighters from a previous tournament hire the legendary Fist to exact revenge for them against Dr. Voilence's most feared champion: The Monolith! Shot on location at Psychopathic's previous office in Novi, Michigan, this movie has love scenes, car chases, and fight sequences that might make John Woo laugh himself to tears, but are highly entertaining nonetheless.

Let's Go Bargain!

Starring: Violent J (Bill Winkman), Shaggy (Harvey Davison), Alex Abbiss (Azod), and Chucky (Pizza Paul)

This super-funny infomercial is where the Azod character (as seen in Big Money Hustlas) originated. Here we see Azod trying to sell his juice machine, along with a bunch of other worthless oddities, to an audience of mindless stupid-asses who can't get enough of his fast-talking, con man ways. This one is well worth your time.

The Warlock and the Toilet

Starring: Shaggy (the dad), Alex Abbiss (Wargon), N3 (the Dungeon Master), Jelly Nuts (Jason), and Tall Jess (Drednag)

This fantasy adventure movie is about a group of role-players who get sucked into another world that is surprisingly just like the fantasy game they were playing. This group of friends then

bands together to survive the attacks of the evil wizard, Wargon, who summons demons to put an end to their lives. Of special interest is the fact that the first half of this movie was filmed seven years before the second half was finally completed. You should easily notice the change up when it happens.

Tiger Justice

Starring: Alex Abbiss (the Boss), Jumpsteady (Mick), Jelly Nuts (Spider), Tom R. (thug), and Ben Rosenberg (Tony)

A drug kingpin, who goes by the name of the Boss, has a criminal lockdown over the city until a young girl accidentally winds up with a shipment of his cocaine. A group of his thugs are about to beat her up when Tony, a martial arts master, shows up to save the day. It all goes to Hell after the Boss's henchmen are sent in to kidnap the girl, sending Tony deep into the dragon's lair to save her. This movie was shot at Psychopathic's first office in Oak Park, and has a surprisingly entertaining performance by Jelly Nuts, as Spider, the Boss's crazed, knife-wielding henchman.

The Evil Awakening

Starring: Alex Abbiss (Nomad Nomar), N3 (Professor Churchill), and Jelly Nuts (Commander Chucky)

The explorer, Professor Churchill, unearths an ancient evil skull in South Africa and takes it home with him, ignoring the warnings of Nomad Nomar, a tribesman from the area. Soon the skull's evil spirit takes physical form as the undead King Ultralasha, and wreaks havoc and death upon Churchill's ill-fated family.

The Evil Awakening II

Starring: Alex Abbiss (Nomad Nomar), Jumpsteady (thug), N3 (Professor Churchill), Jelly Nuts (Commander Chucky), and Crazy Doug (thug)

The epic saga continues as Professor Churchill and Commander Chucky, possessed by King Ultralasha, start on a quest to take his skull back to Africa, where his power will increase a million times. However, all is not lost, as the professor meets with some unlikely allies to break the spell and battle the forces of darkness. The climactic end battle is legendary, as King Ultralasha takes on Nomad Nomar in a sword to head butt battle. Of special interest is one scene where two real cop cars come speeding around the corner of an alleyway, because a concerned citizen phoned the police, thinking the fight scene being filmed there was real.

Late Night Flavor!

Big Silva Documentary

Starring: Violent J, Alex Abbiss, Jumpsteady, Mike P, Stefan Hudek, DJ, Matt Lethal, Psychopatrick, Big Red, Southern Crumpet, Jelly Nuts, and Tall Jess
Shot on location at Psychopathic's current office, this documentary follows the life and practices of the destructive Big Silva. He is over 150lbs of pure duct tape, and has been on many tours with ICP, destroying everything from chairs to cars. Everyone at Psychopathic has love for Big Silva, and now you can hear his story. See plenty of interviews, as well as footage of him at work, and even in the studio laying tracks. Also see Big Silva in action as he destroys radios, computers, cases of Faygo, and much more!

Dark Trail

Starring: Alex Abbiss (General Jake Blake), Jumpsteady (Canadian-American Flagbearer), DJ (Walt), Jelly Nuts (John Torque), and Tall Jess (Xioptist)
The FBI gets its hands on an advanced copy of the book, The Satan Hunter, which contains information about an evil cult. Fearing that this knowledge will cause panic in the country, they send agent John Torque in to secretly infiltrate the cult and learn as much as he can. What he finds is more evil than he could ever have imagined. When the cult opens a portal to another dimension to bring in a terrible and ancient evil, John has a terrible choice to make. This is the most recently shot, technically advanced, and elaborate homemade movie that Psychopathic has ever filmed.

12:00 Midnight - 4
AM

Do you wonder what is in store for you in the future? Well, why keep wondering when you can find out! We've brought back Ezmerelda Zelda, one of the finest fortune tellers from throughout the world, to peer into her crystal ball and see what lies in ahead for you. Be careful! Knowing what will happen to you is risky business, as the future may not turn out as bright as you might hope! She can see right into your very soul, and let you know whatever fate has in store for you. The faint of heart need not attend.

among the Juggalos who witnessed his devastating appearance last year! The winds carry whispered rumors that this year might see our ghost achieve world renown -- for the world's longest flaming supernatural occurrence ever (apart from Richard Simmons)!

The Witch

The Beach

Saturday, July
17th, 2 AM - 4 AM

The Gathering brings out all sorts from all corners of the Earth.

While most are Juggalos looking for a good time, some are other beings, attracted to the powerful dark forces that come with

each Gathering. Witness one of these dark travelers as she conducts her ghastly ceremonies beneath the night sky, bringing forth unspeakable horrors from realms man was not meant to tread.

Burning Man Ghost

Crow Island

Saturday, July 17th,
12 Midnight exactly

If you caught a glimpse last year, then surely his image is scarred on your retinas, or haunting your nightmares. This frightful apparition was a campfire myth passed down to us, and is now a legend

Juggalo Campsite Parties

Various Campsites

Thursday, July 15th, 11:00 PM - ?

Friday, July 16th, 11:00 PM - ??

Saturday, July 17th, 11:00 PM - ???

If you've somehow had your fill of the late-night excitement offered by the All-Night Club Party, Juggalo Night Court, and Outdoor Movies, then get up off your ass and wander around the campground! At night, the Crystal Forest is alive with

the sounds of revelry and hundreds of Juggalos party 'til dawn at the various campsites throughout the park! All manners of debauchery and indulgence thrive under the cover of darkness, and the best part is that you get to take part in all the excitement. Just pick a direction, follow the sound of laughter, or simply go where everyone else is going. Whatever you do, you wouldn't be bored!

And all you party-animals out there now have an extra special benefit for throwing your blow-out shin-digs. Yes, unbeknownst to you, top-level members of the Dark Carnival are prowling through your parties, sizing them up ... all for the

Campsite Party Contest! This is your chance to show up even the legendary Camp Chaos with your outdoor party planning, and not only will you and your boys get a prize, but you'll also have one hell of a phat party to show for it.
