*Once, every year, there is a time when we leave our homes and set off on a journey. For some the road is short. For others it is long. Some cross national borders. Others travel high over the seas. All will be changed. The destination is an ideal: a place to unite with friends of old and to meet new faces, expanding their family - our family. A family with the same love of music. A family with the same history. A family that some may call dysfunctional but we all know is strong.*

*The time is here and the move is on.  
The Carnival's in motion  
and it welcomes you along.*

*Juggalos, Juggalettes, one and all,  
Bring with you the memories you recall.*

*You'll add to them some new ones,  
fresher than the last.*

*Because the Gathering  
is upon us, and it's a  
devastating blast!*

Ends: Monday August 13th at 10 am

## Parking Lot

The outdoor Parking Lot is free for all Gathering attendees. It is located inside Hatchet Landings. There is plenty of room for everyone, and attendants are there to make sure everyone and everything is safe. You must have a Gathering amulet AND wristband to use or enter the Parking Lot; those without an amulet and wristband will be escorted off the premises. If you do not have a Car, RV, or Baller pass stuck to your car, expect to park in the Parking Lot. If you decide you want to move your car by your tent, then you can purchase a Car / Trailer / RV Camping Pass at the Info Tent. **NO FIRES OR TENTS ARE ALLOWED IN THE PARKING LOT UNDER ANY CIRCUMSTANCE.** It is heavily guarded 24 hours a day, and a locked car is a much safer place to store your goods than a tent.

Health and safety regulations forbid any sort of camping, partying, or excessive lingering or loitering in the Parking Lot. When you're in the Parking Lot, you need to be on your way to or from your car.

## Camping

The Gathering offers free Tent Camping to all ticket holders (those with wristbands

and medallions) in any camping area, with no limit on tent size or number, as long as you respect all the rules that follow.

## *Tent Spacing Rules*

*(Applies to ALL Camping Areas):*

Respect the space and privacy of campers around your tent. Every tent (or vehicle with a pass) must be located at least 15 feet (or an average car length) from any other tent, car, campfire, structure, or tree in any direction. There's no restriction on other camping gear, so long as it is respectful of your neighbors, and they have no complaints. Psychopathic Records reserves the right to have any tent, car, camper, or campfire moved at any time to handle disputes or emergencies. If a campfire is a risk-factor, we may ask you to put it out. If you have any questions, all can be resolved at the Information Tent.

*There are three types of campsites and the rules for them are listed below:*

## *First Come, First Served*

### *Tent Camping:*

Any open space in the Tent Camping Area is available for camping. Spots may be held for a homie, but someone must be there until they arrive. Be polite when holding a spot: the grounds will take a long time to fill and arrangements may need to be made with your neighbors. Any disagreements may be brought to the Info Tent.

### *Car / Trailer / RV Camping:*

Vehicles need a Car Camping pass (clearly visible) to be allowed on

ANY camping areas and may not be moved once parked in the Car Camping Area. Cars

will not be allowed in the woods, only open fields - plan on carrying your gear if you want a wooded spot. **YOU MAY NOT SLEEP IN YOUR CAR WITH THE WINDOWS ROLLED UP:** leave them at least a few inches open. You may want to use mosquito netting, bug spray, or Citronella to keep bugs away. In order to bring in a larger vehicle (like an RV) or an attached trailer onto a Car Camping site, the Vehicle needs an RV / Trailer Camping pass (clearly visible). All rules that apply to standard Car Camping also apply to those with an RV / Trailer Camping pass.

### **Big Baller Party Camping Pass:**

This pass allows you into the Big Baller Camping area; sites are First Come, First Served and everyone who has bought one is guaranteed one. Be respectful of other camper's selected areas. You can only park one large vehicle on the site and the Big Baller Pass/Sticker should be clearly visible at all times. Other vehicles on the site require Car Camping Passes. Vehicles may not be moved beyond your site once there. Any number of tents may be on the site, so long as you can walk between them.

You will have sole access to one standard electrical outlet AND at least one RV outlet on your site. Outlets may be used from when the Gathering opens to when it closes, and you will never be charged for it. We reserve the right to restrict any unsafe electrical hookups, overloaded circuits, or dangerous, overlapping power cords. As a rule, 6 to 10 major electrical devices can be used at a time.

Water faucets are found throughout the Big Baller area, (approximately 1 per 4 campsites) and they may be used to fill containers. You may NOT leave a hose attached to a faucet for any longer than it takes to fill a container. Faucet access is first come first served, so respect those in line. This water is safe for drinking and cooking, and you will never be charged for using it.

Officials will be inspecting camping areas to make sure that everyone is following these rules. Due to regulations, any tent set up in an area outside of an official camping area will be taken down. Also, cars parked on the campgrounds outside of an official camping area or the Parking Lot will be towed.

### **Set-up / Tear-down**

Keep in mind that no one may enter the park to set up their campsites sooner than Thursday the 9th at 10 AM, and we ask that you do not show up earlier than this under any circumstance. On Monday the 13th, you should be clearing out from 10 AM - Noon, as this is the official tear-down day. Everyone will need to be cleared out of Hatchet Landings and the Parking Lot by Noon.

### **Fire Wood**

Fire wood will be sold from trucks and a 4-wheeler driving around the park. We encourage Juggalos to stock up early, cuz it's a big park, and it may take these trucks a while to get around. Mind the rules about campfires: they must be at least 15 feet from tents, cars, or structures, and 5 feet from the roads.

# GENERAL RULES AND INFO

## Amulets and Wristbands

Your Gathering wristband and amulet are also your ticket into the Gathering of the Juggalos. No one will be allowed to enter, or remain in, Hatchet Landings without BOTH their amulet AND wrist-

band. Our comfortable, high-tech wristbands are tear-proof, water-proof, Faygo-proof, non-transferable, and incorporate the latest anti-counterfeiting technology. Likewise, the amulets are made of industrial age metals, featuring a phat design that makes everyone without one envious. Your amulet and wristband **MUST** be visible on your person at all times, so "I got drunk and swallowed it" is not an acceptable excuse.

## Important Rules

The rules for 2007 are pretty much the same as every year, and as anyone who comes to the Gathering can attest, they do not affect the level of devastation it can achieve. They are simply to insure that everyone has a good time and stays safe and legal. We ask that you respect Hatchet Landings by obeying all the rules described below, and to do your part to help make sure others are as well. Also, we ask that you help keep the campground clean by using trashcans.

1: The speed limit while in Hatchet Landings and the Parking Lot is 5 mph. For safety concerns, once a car is parked at a campsite in Hatchet Landings it may not be driven around or inside Hatchet Landings, nor may it leave and return. This extremely important

rule is necessary to maintain safety and will be strictly enforced. The only exception is for emergencies-for which you must have permission from the Information Tent.

2: No cutting of trees, dead or alive, or damaging plant growth (\$500 fine).

3: Anyone hurting the wild animals, amphibious creatures, or birds will be thrown in jail and banned from returning to the Gathering of the Juggalos.

4: Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages.

5: Please be conscious of your noise level. Music should not be played at high levels at any time, and all music and noise must be kept to a minimum after 11 pm.

6: Children must be supervised by adults at all times.

7: Don't litter. This is especially true for camping areas. Your area should look like it did before you set up.

8: Careless, destructive, disrespectful, or bothersome conduct will not be tolerated. Show respect to all Gathering, Psychopathic, or Security personnel. Refusal to do so will get you removed from the Gathering. Bring any problems, disputes, or conflicts to the Information Tent.

9: Do NOT record the performances on the Main or Wrestling Stages. You're welcome to bring in video cameras or other recording devices, but keep them tucked away while at the shows. Anyone caught filming one of the concerts will have their recorder confiscated (you'll get it back if you're nice, but otherwise, we're keeping it). You may not film the artists during their autograph or seminar appearances.

### Information Tent

Psychopathic selects only the most mentally masterful ninjas to serve at the Information Tent, and it's open 24 hours. This is the central hub of activity where Juggalos can go for directions, emergencies, or the answers to various queries - but if you want to know where your dirty drawers went, it's best not to ask! The Info Tent is also the place to get another Gathering Booklet or map, get involved with the Scavenger Hunt, or check the Lost and Found. These ninjas have such amazing powers of perception and deduction, they may even have your problem solved before you get there! Psychopathic Records wants the Gathering to be a positive experience for everyone involved, so don't be afraid to bring any questions or concerns to the Information Tent. The Info Tent will get it done!

### Food Court

Be sure that growl you hear deep in the woods isn't your stomach!

After a long day exploring the mad amounts of flavor the Gathering has in store, every Juggalo's gonna need to stop and get their snack on. The concession area is the place to go for a meal, for the munchies, or just for a Faygo. We promise a plethora of dining sensations, the finest food a carnival has to offer! You won't even have to hunt chickens... unless you want to (no harming the wildlife, for real). All the classic concessions are in effect, including: hotdogs, hamburgers, pizza, salad, nachos, fries, and elephant ears imported directly from the elephant exhibit at the Detroit Zoo! You can eat your food in the shade at a picnic table in the dining area, or carry it with you to the next event!

# GENERAL RULES AND INFO

## Convenience Store

Out in the middle of Hatchet Landings, with no K-Mart or 7-11 in sight, you're gonna need someplace to buy stuff. The Convenience Store will have everything a growing Juggalo could need, short of love slaves or bondage gear. Who knows, with Psychopathic ninjas in the house, you might even be able to score some of that on the down-low! We really need to keep Juggalos from leaving the park unnecessarily, so we do our best to stock anything you could need right here. The store will have disposable cameras, batteries, cold beverages, snacks, Faygo, flashlights, hygiene items, and even clown make-up. If we don't got it, you don't need it!

## Spazmatic Hang-Out

What's Spazmatic? It's the latest energy drink that is sweeping the nation! What's it taste like? Ambrosia from the gods! Where can you get it? Right here at the Gathering! Juggalos who went to see the Tempest Tour already know the power of this new energy drink and now you can too! Swing on down to the Spazmatic Hang-Out, out by Hatchet Landing's pond, and get yourself some extra fuel to get you through the day. And if energy drinks aren't your thing, don't worry... they'll have tons of Faygo on hand for those already on a rush!

## ATMs

We strongly recommend that Juggalos bring enough money to suit their needs, and keep it on hand, in a safe place. However, we will be providing ATM machines for your convenience. They can be found in the main areas of the Gathering, for directions hit up the Info Tent. Users are responsible for all transactions at the ATMs. No refunds will be offered.

## Showers

It's not quite a Tempestual downpour, but the showers are a comfortable, sanitary way to wash that sticky Faygo out of your hair, or the dirt out of your crevices. Separate male and female hot showers will be available 16 hours per day. There's room for dressing, but there will be a five minute maximum shower per person to ensure that lines flow quickly. You should also bring all your own toiletries, including towels, as none will be provided.

## EMT / Ambulance

To ensure the health and safety of every Juggalo, we have provided an EMT tent complete with paramedics and a 24-hour on-site ambulance. The EMT tent can be found on the map. They are available for any serious injuries or medical emergencies that may occur, and we ask that Juggalos only go to them with serious problems. However, don't be afraid to get checked out if you're not feeling right, cause sunstroke and allergic reactions can be a bitch!

## Security Precautions and Additional Rules

We've taken many steps to make sure that this year's Gathering is a safe and secure event.

### *Wear your Amulet and Wristband!*

Security on the inside will be looking for your wristband and amulet, so keep them on you at all times! These items are the only way security can tell who is supposed to be in the park from those who aren't, so don't lose them. Anyone caught without an amulet and wristband will be asked to leave the park.

### *Inside the Park:*

We've got security personnel scattered throughout the park on patrol to make sure you and your camping area stay safe and secure. They're not there to restrict you in any way, just make sure that you and everyone else are safe and secure. If you're having trouble of any sort, please feel free to stop or call to the nearest security person and ask for help. That's what they are there for!

### *Cars on the Campground:*

You may only bring cars into the camping areas if they have a Car, RV/Trailer, or Big Baller Camping Pass. These passes are stickers which must be visible on the car (See the Rules sections for each of these passes). Any cars entering the camping areas without camping passes may not be allowed back to the Gathering. Once inside the camping area, you are prohibited from taking this car in and out of the park, leaving only for emergencies authorized by the Info Tent. There are a lot of people at the Gathering, and to keep things safe and flowing we just cannot have people driving about during the event. Once you park it, it's there to stay.

### *Parking Lot:*

For most everyone, you'll be driving to the parking lot, parking your car, and walking directly to all the flavor inside Hatchet Landings. You may not see your car for an extended period of time, but you needn't worry. We have security patrolling both the interior and borders of the Parking Lot, looking for anyone suspicious and watching over every vehicle to make sure that nothing happens to any of them. Your car and everything in it will be 100% safe while you're at the Gathering.

### *Roadside:*

The roads around Hatchet Landings are patrolled by police at all hours of the day. They will stop and question anyone they see walking along the side of the road (or in the road). Likewise, any cars stopped on the side of the road are likely to be questioned, and any cars parked on the side of the road will be towed. Unless you have a vehicle pass, you want to drive directly to the parking lot.

# SUNDAY PERFORMANCES

## Second Stage

### Autopsy

*Time: 1:00 PM Sunday*

Autopzy's style is slow and easygoing hip-hop, full of rhythm and his own brand of twisted humor. He's been around since '99, and he's working hard on a new album, so come check his show before it's out.

### LaVey

*Time: 1:50 PM Sunday*

LaVey's a rapper with a lot of heavy metal influence, and he just put out his first CD. He's just getting started, so come show him some Hatchet love.

### Ruthless

*Time: 2:40 PM Sunday*

Ruthless has an eccentric sound that'll grab the ears of any juggalo that hears it and shake his head around. Come and watch for something that's a little different.

### Underworld Assassins

*Time: 3:30 PM Saturday*

With blood-soaked lyrics and a slow, rhythmic style, the Assassins aspire to one day destroy the mainstream and raise the underground out of its broken corpse.

### TBA

*Time: 4:20 PM Saturday*

With all of the flavor that every band brings to the Second Stage, it is hard to imagine what could be the best way to cap off the performances there. Come check out who we got!

## Main Stage

### Haystak

*Time: 7:00 PM Sunday*

Haystak started out the same way all Gathering-worthy rappers start, with nothin' but a will and some warrants! In this case, the start began in the down-home countryside of Nashville, Tennessee, where there wasn't much place for a big ol' white boy tryin to spit hardcore hip-hop. Haystak plowed through the critics like a raging tornado, and after a few years in jail, and a few more workin his extra large ass off, he hooked up with Street Flavor Records, and in 1998 put out his first record, Mak Million. 9 years and 8 albums later, he's critically-praised and working with a new group, Paleface, and making his Gathering debut (back in the countryside!) in front of the one crowd that can truly respect his roots, the Juggalos! Known for ruthless raps with straightforward sincerity, Haystak will be loomin large at the Gathering this year!

### Boondox

*Time: 7:45 PM Sunday*

Creeping out of the backwoods with an unbridled energy comes a man. If you were at last year's Gathering, you got a glimpse of what he can bring to an outdoor event. It was the time for the Harvest, and

he collected the seed he planted in everyone which had grown into a force beyond reckoning with. But that season is now over, and the fruit of his labor has become a bounty. The Punkinhead has a tale for you, brought forth in the southern rap stylings of Boondox! This ain't no alleyway in some urban sprawl! This is out in the open, amongst the trees and hills. The Gathering is his natural element and he is going to bring to you a new twist on the rap scene that will make the forest come alive, its shadows reaching towards you in time with the music. Are you ready?

## Necro

*Time: 8:30 PM Sunday*

This guy's a pioneer of the wicked shit, who's been doing his thing since the late 90's, and he's put out albums, music videos, and direct-to-video feature films worldwide (check his shit out here). He runs his own record

label, Psycho+Logical-Records, and has opened for such acts as RUN DMC, Beatnuts, Sepultura, Kool Keith, Napalm Death, and Biohazard. He's been pissing off the mainstream, getting Juggalos talking, and keeping it Wicked for awhile now, and the 2007 Gathering is his debut performance at a Psychopathic event! The Underground is comin up as one of the wickedest names in the Underground takes the stage at the wickedest event in Underground music!

## Yin Yang Twins

*Time: 9:15 PM Sunday*

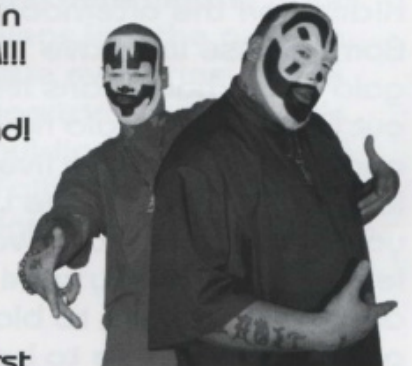

Ying Yang twins may be kings of the club, but any one of their fans (including Boondox!) knows there are layers to their music beyond the booty shakin. These Atlanta natives may look and act crazy, but their ability to reach out to an audience will really mess with your head. Their goal is to put a little meat in the beat, and make everyone happy, so come see what they can do for the Juggalo family!

## Insane Clown Posse

*Time: 10:00 PM Sunday*

Just when you thought it was safe to be near the main stage... BLAMMM!!! It hits you like a hurricane force wind! The rollercoaster ride leading up to the last performance of the Gathering will seem to be that first hill you climb before you are thrown into so many loops, twists, turns, and curls that you'll be screaming your lungs out, trying not to be hurled off into the cosmos! Violent J and Shaggy 2 Dope are in the front seat, taking you on a Wicked Clown ride that no one has ever witnessed before! As soon as the music starts, your wig will be permanently thrown back, your skin pulled back tight across your face, and your knuckles stark white as you try to withstand the sheer magnitude of what is assaulting your senses. Can you handle the devastation?!?!

# OPEN MIC & OTHER PERFORMANCES

## Bomb House

The Bomb House is back again : making a glorious return! Last year we had over 60 different groups perform at the Bomb House, and this year at Hatchet Landings is no different! During the day we've got the Open Mic, ninjas who might just be the next wicked thing! At night we've got some of the Underground's elite, homie used to workin under the cover of darkness. The Gathering is more than just a music festival, but Psychopathic wants to make sure the Juggalos are getting their music all day long. Since we run the underground, we're givin' the underground a place at put it down.

### Open Mic

*Time: 1:00 PM - 7:00 PM Thurs. - Sunday*

*Location: Bomb House*

Kicking off the afternoon every day the Bomb House will have "open mic" for Juggalo acts. That means it's time to check out the best Juggalo flows or rock shows, and keep bumpin' to live music all day long! New Yorker Joe Derosa hates everything: dating, religion, pop culture and himself. But he hates in a funny way, so come check him out!

### Joey Gay

*Time: 12:00 mid Friday*

Just try making fun of this New Yorker's name! Coming from Brooklyn, this dude's got some street stories the Juggalos can get down with. He kills as a comic, and he's also an actor on TV and in movies.

### Joe Matarese

*Time: 12:00 mid Friday*

Hypnotist Bob Faith is back once again to show everyone who the best mindbender in the whole world truly is. There is none better, and everyone must go to his show and see what happens. I seen him two years ago, and again at the Gathering last year, and ever since then I've been sitting here writing about how fresh he is. Things like the outside and eating are vague memories - there is nothing more important anymore. It's like something is guiding my life... did I mention that Bob Faith will be performing again at the Gathering? I know I'll be there...

### Magician

*Time: 3:00 PM - 5:00 PM Friday*

*Location: Jump-Off*

Anybody can do magic when you've got cameras and special effects and a hairstylist to make you look good on TV. We do it Juggalo-style, right up in your face with no bullshit. REAL MAGIC. When our Magician takes the stage, it's just you, him, and the mystical flavor that creeps in from the woods surrounding Hatchet Landing. The magic begins as soon as you enter the Gathering, but it's this guy who really opens your eyes, so don't miss it Juggalos...

## Wrestling Action

Time: 3:00 - 5:30 PM Thurs. - Friday

Location: Wrestling Stage

## BloodyMania

Time: 12:00 mid - 2:00 AM Saturday

Location: Wrestling Stage

This has been a big year for JCW, with the start of the most ruthless and bonecrushing wrestling sensation to ever hit the internet: Slam TV... and it all comes to a head with BloodyMania! The culmination of Slam TV meets right here, at Hatchet Landing's squared circle. Here's this year's lineup for BloodyMania:

### Pogo the Clown

An enormously large and terrifyingly evil fuckin' clown, strong enough to punch down your house and mean enough to roll a school bus of children down a hill.

### Jake "The Snake" Roberts

He is the master and creator of the most dreadful move in all of professional wrestling: the DDT. Jake Roberts is one of the all time greatest period.

### Abdullah the Butcher

The Mad Man from the Sudan has been carving, chopping slicing and dicing up his poor victims in the ring for 46 years. And he ain't lost a stab, or a pound either.

# BLOODY

### Jimmy Jacobs (with Scotty D'Amore)

This kid is a fuckin' bigshot rookie with a big-ass mouth, however his wrestling seems to back it all up everywhere he's been so far. Let's see how he does in JCW.

A self-proclaimed wrestling mastermind, D'Amore amazingly was hired by Jimmy Jacobs and serves as his ring-side guidance counciler. How lame is that?

### Ultimo Dragon

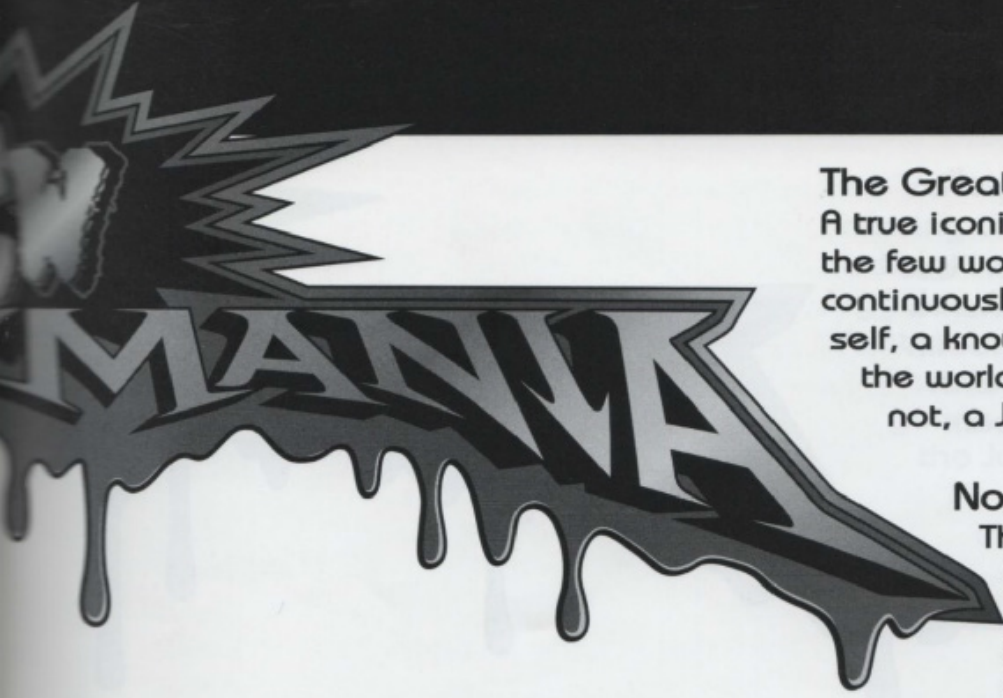

Everywhere this man goes, every territory he enters, he brings forth greatness. He once held 12 different belts at one time. He now brings his ultra-amazing freshness to JCW.

### "Southern" Tracy Smothers

This crazy redneck has ended the careers of hundreds of men with his barnyard bastardly tactics in rings around the world.

**The Great Muta**  
A true iconic legend. One of the few world's greats. He's continuously reinventing himself, a known superstar around the world and believe it or not, a Juggalo - The Great Muta.

**Nosawa**  
The Japanese Juggalo Sensation has been painfully schooling the haters and non-believers in JCW

for years on his styles and is a four time World Champion in this bitch.

**2 Tuff Tony**  
The Louisville Town Drunk and Juggalo Superstar remains undefeated to this day, thanks to his flaming fist known as the Meteorite.

**Tito & Jorge Santana**  
The Legendary WWF Superstar himself. Tito and his cousin, newcomer Jorge Santana, enter BloodyMania looking for JCW Tag Team Championships.

**Mad Man Pondo and Necro Butcher**

These two legendary, hardcore maniacs are working together for the sole purpose of winning the new JCW tag belts. Ordinarily, men this dangerous have no friends.

**Bull Pain**  
This straight up, video game thug looking monster beats his opponents with a baseball that he calls "Brother Pain".

**2 Cold Scorpio**  
Known everywhere people are known, Scorp is without a doubt a genuine bad-ass in the ring with a huge rolex of moves. He's incredible in the air and deadly on the mat.

**Justin Credible**  
Former ECW and WWE superstar Justin Credible is seeking revenge and is aiming to put Nosawa out of commission PERMANLY!!! Will this be the end of Nosawa? Only time will tell!!!

**The Bad Breed: Axl Rotten and Ian Rotten**  
You flat out and straight up do not want to fuck with the Rotten Brothers, but you have to because they're here, creepin' into JCW, sniffin' out those shiny new tag belts.

## Brutus "the Barber" Beefcake

Yes, it's "The Barber" but he's not at BloodyMania to give anybody a fuckin' trim. He's reunited with

"The Hammer" and The Dream Team is lookin for tag straps.

## Greg "the Hammer"

### Valentine

It's the Master of the Figure Four leglock. "The Hammer" is back with

his old WWF tag team partner Brutus Beefcake. They've got the colors back on, going for the gold.

## The Pimp and Gimp Connection: Zach Gowan and The Human Tornado

These two playas are all about bitches, beatdowns and bling! And we're talking about that ring bling... Those JCW tag team gold straps.

## The Headshrinkers: Samu and Fatu

These two savages are from the Isle of Samoa where some of the toughest men in wrestling have originated. They have their crazy lookin' eyes set on the tag team belts too.

## The Bashams: Doug and Danny

Fresh from the WWE where they held the tag team belts, these two hard-hittin', current TNA stars are here 'cause they want JCW's tag straps added to their trophy list.

## Team All Japan: Akira Raijin and Sugiura "Brute" Issei

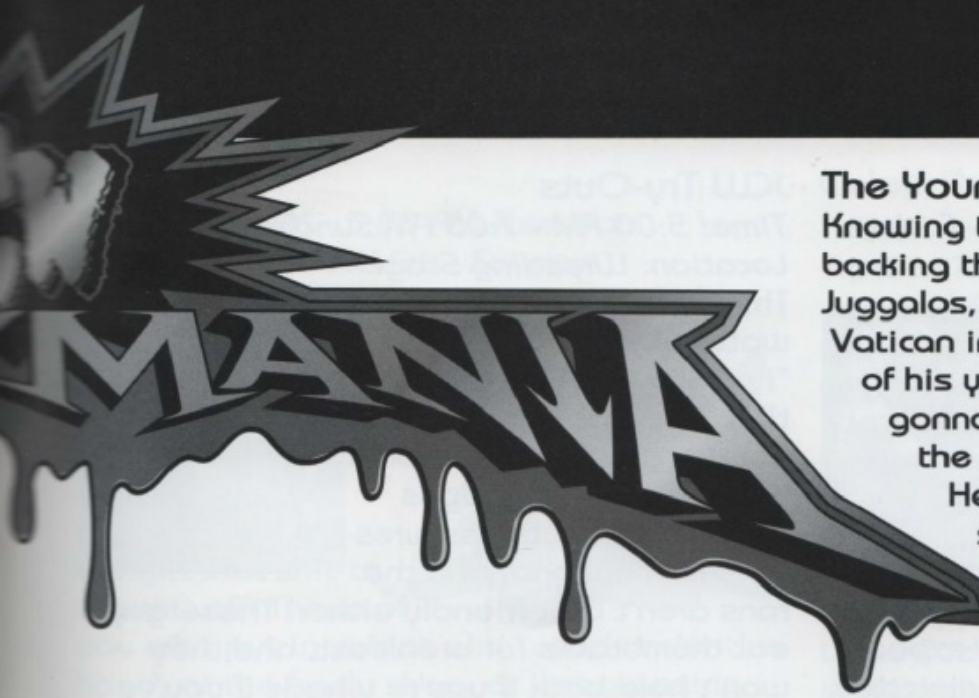

A team of warriors sent over to BloodyMania from All Japan Wrestling. Their only mission is to do what's necessary and win those new JCW Tag Team belts and bring them bitches back home.

## Scott "Razor" Hall

In WWF they called him Razor Ramone. He changed wrestling forever when he invaded WCW. He's the nWo, he's an Outsider, and he's here to try and take the JCW World Heavyweight belt from Corporal Robinson at BloodyMania.

### The Young Altar Boys

Knowing that ICP would have the Juggalos backing them up at the Gathering of the Juggalos, Holy Trent Acid returned to the Vatican in South Philly and recruited two of his young disciples. No way is he gonna take on ICP at the Gathering of the Juggalos without any back up. He may be an asshole but he's not stupid.

### JCW World Juggalo Champion:

#### Corporal Robinson

The current JCW Heavy weight champion, Corporal Robinson has got his work cut out for him this year!!! Fresh off the Slam TV tour he has fought Trent Acid from one side of the country to the other. During the main event of Bloodymania on Saturday, Corp will be taking on the WWE and WCW Superstar Scott "Razor" Hall!!! Now we all know that Corporal is not a man to fuck with, having been blinded by Trent Acid right before West Side Wars and still showed up to beat Trent's ass!!! Scott Hall better be prepared for the battle of his life. With the JCW HEAVYWEIGHT title on the line, Corporal Robinson is not gonna let anybody stand in his way!!!

#### Holy Trent Acid

This crooked-ass preacher / dangerous competitor will stop at nothing to bring the words of the lord to JCW, the only problem is he doesn't know any words of the lord...

#### Sabu

His own high risk, insanely fresh, jaw-drop-

ping, unique and innovative ring techniques have evolved and changed the very sport of wrestling today. Bitch - Believe that.

### Insane Clown Posse: Violent J and Shaggy 2 Dope

Music mogels, business men, Juggalos, wrestling superstars, what more can be said about these two superb and athletic gentleman. After taking the music industry by storm and showing no fear in the face of hate both in the ring and out, ICP heads back to the ring together with Sabu to take on the evil that is Holy Trent Acid. With Shaggy 2 Dope back by his side, will Violent J have enough momentum to destroy Trent Acid or will the forces of the Vatican in South Philly prevail over the Dark Carnival?

*Location: Wrestling Stage*

The name sez it all! Hot-ties tied in knots - it's every Juggalo fantasy come true: lovely, sweaty ladies trying to smear each other into paste. These girls can kick your ass and make you like it, so come show

them some JC-dub love. The Gathering is no place for pansies, and you can expect the most ruthless moves from the ninjettes, no joke! ## JCW Questions & Answers

*Time: 2:00 PM - 4:00 PM Sunday*

*Location: Wrestling Stage*

If getting up close and personal with hardcore wrestlers makes you uncomfortable, then getting up the courage to ask them a question isn't for you. But if you're a Juggalo, then you'll love the fact

that this year you'll be able to ask them all the questions you like! It's like a shoot interview, but you better not ask them about their mamma... this thing can quickly turn into a shoot match, and the only one headed to the hospital would be you!

## JCW Try-Outs

*Time: 5:00 PM - 7:00 PM Sunday*

*Location: Wrestling Stage*

Think you're hardcore? You watch Slam TV and think, "I can do THAT!" Well, it's time to ante up and show your stuff! Oh, but it won't be easy, cuz our judges are the most ruthless wrestlers in the world, and the fans aren't that friendly either! These guys eat thumbtacks for breakfast, and they won't hold back if you're whack! If you've got some moves, and can take some bumps, you may actually amuse them, and if that happens, you may just get the time-honored chance to wrestle alongside them! Just sign the waiver (available at the ring) and take your chances. So start lifting Buicks and chewing barbed wire NOW, and you just might be ready to wrestle in the JCW ring!

*Rules: First come, first entered. All participants must present a waiver, available on-site.*

*Note: Acceptance into the JCW Try-Outs does not necessarily guarantee further membership or participation in future JCW events.*

it's you and your homies

trying to rip each other's

you who put in sweat and blood under the hood, at the body shop, or just greasing your monkey, you're gonna have a chance to shine! First up, we'll have a special place for you to park when you get to the Gathering, so everyone can peep your flavor. Then the Psychopathic Dons and Warriors (after much arguing, arm-wrestling, and choking) will pick the overall freshest rides, which will have mighty prizes bestowed upon them. It's a chance to get all that work you did on your wheels noticed, by the Juggalos, by Psychopathic, and by the Dark Carnival itself.

To the back of the Main Stage field will be designated as the parking for the Car Contest. Juggalos with dope rides, who want to enter the contest should park there as they arrive at the Gathering. The scheduled times and locations of the Car Contest are the only exception to the Parking and Car Camping Rules. Once parked you will only be able to move your cars to the Parking lot or a campsite from 5:30 PM to 6:30 PM. Before or after that timeslot, your car must stay in the Car Show Area. ## Juggalette Foxy Boxing

*Time: 2:00 AM - 5:00 AM Saturday*

*Location: Wrestling Stage*

We've had bouncy boxing, and we have JCW, so you know we're all about some beat downs, but we're also about some half-naked women! This event combines two of the Juggalo world's greatest loves: hot 'lettes and violence. These are some fighters you WANT to see sweaty. So if you're a fine female (or just a badass 'lette we can't tell "No") then come on down and enter the competition. If you're anybody else, then you know you wanna come down and watch! It's safe, secure combat with big padded gloves, but we know these 'lettes will be goin for blood, and they'll look good doin' it!

# EVENTS & CONTESTS

## Juggalo Night Court

*Time: 2:00 AM - 6:00 AM Thur. - Saturday*

Got a complaint? Got an issue you need addressed? Found something strange in your pants that you need to show the world? Bring it to Juggalo Night Court and state your case (especially if you're a head case). We'll have some classic Juggalo Court crazies, and this year we'll have SURPRISE PSYCHOPATHIC ARTIST APPEARANCES! You never know who might come down to hear your case, so bring it big! Anything and everything can happen in the Juggalo Court, where the penalties are more offensive than the crimes, and the participants are just offensive! Whether making a case or pleading insanity, Juggalo Court is just for Juggalos! So get your nerve, step up, and brave the ball!

## Helicopter Rides

Hatchet Landings is a devastating place on the ground... just imagine how it looks from the air! How many chances do you get to ride in a damn heli-

copter? This is your chance to take to the air, above the Diamond Rain, among the clouds of Shangri-La. Juggalos will have to abide the pilot's rules, and flights will be somewhat limited, but c'mon, it's a ride in a for really-real helicopter!

## Late-Night Big-Screen Movies

*Time: 12:00 mid - 6:00 AM Thur. - Friday, 2:00 AM - 6:00 AM Saturday*

*Location: Second Stage*

It's like going to the drive-in without a car. Hell, if we're gettin rid of the car, we may as well throw out all the rules. We've got a big screen, a big projector, and great big balls, so we'll play anything. Come see what we got for you...

For y'all city folk not lookin' forward to walkin' around, and all you 5X Juggalos who cringe away from exercise, the Love Train is back! Veteran's of the Love Train effects know how fresh it is to catch a ride, and give your feet a break. For those new to the whole camping scene, this is what you call a hayride, and it'll be runnin' all around the campground, loaded with Juggalos, and takin' you where you need to go!

## Mist Tent

*Time: Daylight Only*

*Location: By the EMT*

It's not a Tempest storm, but it'll sure feel like it!

These are special tents that you can walk into

for a colling burst of clean water. You can come through any time they are operating, and get a refreshing break from the sun. This is not a shower or a bath, so leave your rubber ducky and water wings behind. They are designed for Juggalos to get in and out quickly, so don't hog all the water!

# SEMINARS AND AUTOGRAPHS

## Seminars

*Location: Seminar Tent*

These seminars won't teach you how to sell vacuums, and the only pyramid schemes you'll find here would involve hieroglyphs, ancient scrolls, and hidden messages on Dark Lotus albums. If you've got no idea what we're talking about, that's OK! It will all be explained to you by the artists themselves. You've got questions, they've got answers. You've got earholes, they've got stories to powerdrill right into your dome! They may even show up and juggle flaming chainsaws, you just never know. Psychopathic artists do it all. When they're not tearing around Hatchet Landings on golf carts, they're settling down to sign some shit for their thousands of Juggalo homies. It's not all fun and games though, these guys are homicidal maniacs, and a marker could easily end up as "Exhibit A." But, hey, this is the Gathering of the Juggalos, so we're all family here. In fact, this is your chance to meet the artists up close and in person, so get in line and get it on!

# PARTIES - AFTERNOONS AND EVENINGS

When you think of a summer festival, you automatically think of parties. Well, the Gathering is no exception! During the afternoon, you can take part in Psychopathic's very own beach party... which picks up once again at midnight with WFKO's Live! And when the midnight hour hits on Sunday night, the Gathering of the Juggalos ain't even close to done! The Psychopathic artists come out for the most monumental closing bash a Juggalo could imagine. Boondox, Blaze, Twiztid, and ICP have each been given their own fuckin' tent, and license to bring heavy flavor - and each ninja wants their party to be the freshest. With all these cutthroat killers competing for your attention, you know these parties will be total flavor, total devastation, and totally off the hook! Get your ass to the Psycho-Parties!

**WFKO Live Parties! (Live DJs plus DJ Battles by Shaggy & Dope and DJ Clay)**

*Time: 12:00 mid - 6:00 AM Thur. - Friday, 2:00 AM - 6:00 AM Saturday*

*Location: Jump-Off*

WFUCKOFF plays the best tunes, and Shaggy & Clay scratch em up good! Live radio, DJ battles, and an old school club party, what more could you want?

**ICP's Super-Live Foam Party (with Mike & Clark)**

*Time: 12:00 mid - 6:00 AM Sunday*

*Location: Bomb House*

Yes, it's back like a heart attack. Just when you came from the Main Stage all doused in the Faygo spray, it's time to suds up at the second annual Super-Live Foam Party, hosted by ICP!

Once again, the Bomb House will be overflowing with non-toxic foam, straight up to your chin-piece, and you know the parties going to be thick with Juggalos! The Wicked Clowns supply the beats, and the Juggalos will supply a froth of writhing bodies. No one will be able to scope out your stale-ass dance steps, but they won't be seeing much of anything in the foam! It's an all-out party, so go get loose! (Oh you'll be getting wet too, so don't wear anything that can't handle a trip through the wash!)

### Twiztid's Pajama Jam 2: The Return of the Underoos (with DJ Clay)

*Time: 12:00 mid - 6:00 AM Sunday*

*Location: Seminar Tent*

The plot dropped in the first installment - the sequel is when it heats up! If you thought last year's "Pajama Jammy Jam," hosted by Monoxide and Madrox, was out of this world, then get ready because the explosive energy at this party makes a Michael Bay movie look like a documentary on zipper collecting! A dress code is strictly in effect: wear what you sleep in (but don't come in the buff if you look like Jabba the Hutt!) So pull out those Aquaman underoos, ninja, cuz you might be swimming up next to some Juggalette hottie in her Wonder Woman tighties, shaking her ass to the music. And you know the "Twiztid Lingerie Contest" will be back in full swing! Don't miss out on the sequel!

### Boondox's Wilin' 'n tha Woods Party (with Akuma)

*Time: 12:00 mid - 6:00 AM Sunday*

*Location: Jump-Off*

You have to say it, those Southern boys know how to max and relax - but don't expect this to be some porch party at your granny's house. We're talkin' about some shindig flavor and hijinx that would make dem Duke Boys looked like two frail-ass sissies! You won't need your flannels or some campfire to keep you warm through the night, this party is going to be hot. And jumpin'. Enough to kick your feet up so high you'll find your shoes on the highway as you head on home. So tip your cap and do-si-do... Juggalo-style!

### Blaze's Barbeque Smoke-Out Party (with DJ Fillin')

*Time: 12:00 mid - 6:00 AM Sunday*

*Location: Second Stage*

Blaze. Smoke. Out. Blaze sets the stage aflame with his lyrics and deep set bass. Smoke... well, we don't have to tell you what that's about. Out of your mind is what will happen when you pull all this together up on the Second Stage! Take a few deep breathes - after you step into this party - and prepare to kick this Gathering off as chill as can be with Ya Dead Homie! The clock is ticking to the end of the event, but the gears will still grind and the party's just started at Blaze's Smoke Out!

## Psychopathic Merch Tent

*Time: 11:00 AM - 7:00 PM Thur. - Sunday*

*Location: Merchandise Pavilion*

And the Juggalos were nestled all snug in sleeping bags while visions danced in their heads of T-shirts, hoodies, and do-rags! It's like Christmas in July when the Merchandise Pavilion opens up, and Juggalos pour in to witness the freshest threads, the most collectable collectibles, and the best albums in Underground music! If you've ever even seen a Juggalo before, then you know Psychopathic has better swag than anybody, and the Gathering has more of it in one place than anywhere! The Merchandise Pavilion is open from 11 AM to 7 PM from Thursday to Sunday, so you've got plenty of time to shop, but supplies are limited, so make sure you don't drop! The Merchandise Pavilion is located towards the center of the park, near the Information Tent.

## Make Ya Merch!

*Time: 11:00 AM - 7:00 PM Thur. - Sunday*

*Location: Merchandise Pavilion*

Psychopathic has always had the freshest swag, and we'll still have some eye-popping, wig-flipping flavor over at the Merch Booths, but once again we're letting you go toe-to-toe with our designers, and to show us how YOU'd do it! There will be a separate booth set up near the Psychopathic Merchandise, where you can customize your own gear. You'll be able to pick from a shitload of designs and logos, colors and styles, and put whatever you want on the swag you pick. We've got enough fonts to choke a librarian, and the only limit on what you can say is "no limits!" Prices will depend on the level of customization, but the only constraint is your creativity! So start imagining now, and your dream gear will be a reality at the Gathering this year!
