This is where you will feel more accepted and understood than any other time of your life. This is when you will witness groundbreaking entertainment like you have never imagined. This is what you have been waiting for and counting down to.

THIS IS THE 12TH ANNUAL GATHERING OF THE JUGGALOS.

Rules & General Info

Welcome to The 12th Annual Gathering of the Juggalos. Below you will find the guidelines that will assure the fun and safety of yourself and everyone attending this year. Together we will make this the biggest and freshest Gathering of the Juggalos yet!

Ticket Info

By now you have your official 2011 Gathering of the Juggalos amulet and wristband. Both of these items must be kept on throughout the entire event to keep you on the grounds. Anyone that does not have BOTH an amulet and a wristband will not be allowed to stay in The Hatchet Landings. If you lose either of these items, immediately report to the Info Tent for assistance.

Rules to Follow

- Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages.
- Children MUST be supervised by adults at all times.
- Don't litter! This is especially true for camping areas. Your area should look like it did before you set up.
- Careless, destructive, disrespectful, or bothersome conduct will not be tolerated. Show respect to all Gathering, Psychopathic, or Security personnel. Refusal to do so will get you removed from The Gathering of the Juggalos. Bring any problems, disputes, or conflicts you cannot resolve to security or a staff member.

- Bottom line: we want everybody to have fun and enjoy their Gathering weekend. It's about you, the Juggalos and Juggalettes! We just want to keep everybody and everything safe so we can do this for years to come.

Information Tent

If you have an issue at The Gathering of the Juggalos, the info tent is the place to go. There will be Gathering of the Juggalos staff available twenty-four hours a day to help those in need. Whether you have a question, emergency, are in need of a map, lost and found, or any other problems that could arise during the event, they are there to assist you.

Camping

It's all about camping! Your campsite will be your home away from home for the next few days and there are very few restrictions on what you can and cannot do to make it fresh for you!

Any vehicles on campsites must have appropriate hang tags as noted in the vehicle info section below. Tents or vehicles must be located at least fifteen feet (an average car length) from any other tent, car, campfire, structure, or tree in any direction. But the most important guideline is to be respectful of your neighbors and to make sure that your fun is not impeding on their fun:

The Gathering staff reserves the right to have any tent, car, camper, or campfire moved at any time to handle disputes or emergencies. All camp spaces are first come, first served.

Vehicle Info

If you have used a Car / Trailer / RV / Baller pass to get your vehicle onto the grounds of The Gathering of the Juggalos the hang tag must remain visible at all times.

AUGUST 11TH - 14TH CAVE-IN-ROCK, IL

Once your vehicle is parked at your campsite that is where it **MUST** stay during the entire duration of the event. You **CANNOT** drive around the grounds. This will be strictly enforced for the safety of everyone in attendance of the event and the only exceptions will be emergency situations.

Speeding on the grounds of The Hatchet Landings will **NOT** be tolerated. While on the grounds and in the parking lot vehicles are **NOT** to exceed 5 MPH.

Tear-down

On Monday, August 15th, you should be clearing out from 10 AM - Noon, as this is the official tear-down day. Everyone will need to be cleared out of the grounds and the Parking Lot by Noon on Monday, August 15th.

Campfires

Campfires must be at least 15 feet from tents, cars, or structures, and 5 feet from the roads. Please make sure to properly contain all fires and to also safely put them out to prevent any sort of wild fires.

Food Court

The mythical Gathering food court will also be in full effect. There will be a wide selection of meals, munchies, water, Spazmatic, Faygo, and more to choose from! Pick from hot dogs, hamburgers, Philly cheese steaks, pizza, salad, nachos, fries, elephant ears, freshly squeezed lemonade, and **MUCH MORE!**

Either take a load off and eat in the shaded dining area or grab your food to go! Either way your taste buds will be thoroughly satisfied! Just remember to please clean up after yourself when you're done. We

would like to leave the Hatchet Landings looking as glorious as when we arrived!

Convenience Store

We're sure you were meticulous about what you packed for The Gathering of the Juggalos, but sometimes things come up that we never would have expected! This is where the convenience store comes in. The store will sell disposable cameras, batteries, flashlights, hygiene items, sunscreen, bug spray, condoms, and lots more!

ATMs

In a perfect world you would bring the perfect amount of cheddar needed to spend at The Gathering of the Juggalos. But we know that sometimes it's hard to gauge how much cash you'll need or emergencies arise. Because of these unexpected surprises we will be providing ATMs across the grounds of The Gathering. They can be found in the main areas of the Gathering; hit up the Information Tent for specific locations. Users are responsible for all transactions at the ATMs. No refunds will be offered.

Showers

Designated male and female shower trailers will be available on the grounds. There's room for dressing, but there will be a five minute maximum shower per person to ensure that lines flow quickly. You should also bring all your own toiletries with you to the shower trailers as none will be provided. Please help keep the showers clean for those using them after you by leaving them as you found them.

THE GATHERING OF THE JUGGALOS

EMT / Ambulance

For the safety of every Juggalo and Juggalette attending The Gathering of the Juggalos, we have provided an EMT tent with on duty paramedics and an on-site ambulance available at any hour of the day or night.

The EMT tent can be found on the map in this booklet. They are readily available to help anyone with any serious injuries or medical emergencies. If you are injured or feel that you may be suffering from heatstroke or any other sort of issues, please seek assistance at the EMT tent.

Beat the Heat!

It can get very hot at The Gathering of the Juggalos, but there are some preventative steps you can take to protect yourself. Wear a hat and light clothing or use a light umbrella to block out the rays of the sun during the day. Keeping the sun off of you, especially your head, will help you stay cool. The other important thing to do is STAY HYDRATED! While Faygo and booze might be fun to drink, nothing replaces some good ol' H2O!

Drink lots of water and try to always have some on hand. Also make sure to wear sunscreen at all times during the day, even if it is overcast. This will prevent painful sunburns. The heat is no joke, and it can sneak up on you when you least expect it, but with some minor care, it can also be no problem.

Security

You will notice that there is security personnel continuously patrolling the grounds of the Hatchet Landings at all times. They are not here to restrict you. They are here to make sure you and your camping area is safe. If you have any issues, please don't hesitate in stopping a member of the security staff to ask for assistance. They are here to help you!

The autograph signings take interaction between your favorite members of the Psychopathic Family and yourself to a whole new level! Give 'em a dap, a pound, a high five, ask 'em what's up! All while getting your favorite piece of swag or flat signed. Hell, you got titties? They love signing titties (moobs need not apply)!

The Gathering of the Juggalos is all about the family, and this is a chance for the Psychopathic family to give a little love out to the greater Juggalo family. Take this rare chance to see the maestros behind the music up-close and personal.

You can even get some signatures from a couple of the guest artists performing at the Gathering if you hit the tent at the right time. We always double-up on celebrities signing at one time, so any trip here will be one you'll remember always.

Bloody Mania 5

Saturday 12:00mid - 2:00am

Once again that time of year has come. The Gathering of the Juggalos is upon us and the Red Mist is gonna be a Monsoon after the 5th annual BLOODY MUTHA FUCKING MANIA!! That's right the biggest event in the JCW year.

LEGENDS AND ICONS

Friday 12:00mid - 2:00am

Always ahead of the curve of innovation JCW is putting on a show unlike anything ever before witnessed in the whole wide world of wrestling! And of course it'll be goin' down at the equally legendary 2011 Gathering of the Juggalos!

On Friday, August 12th, on the illustrious grounds of the Hatchet Landings in the JCW ring, the masses will get the chance to bear witness to the LARGEST Legends and Icons show that has ever taken place in the United States. Lets check out the line-up!!!!

Greg "The Hammer" Valentine vs. Tito Santana (Steel Cage Match)

On July 6th, 1985 in Baltimore, Md Tito Santana faced Greg Valentine in a steel cage match for the prestigious Intercontinental championship. This legendary encounter set the standard for Steel Cage

Matches and is still talked about to this day as a defining moment in wrestling history. Now we get to see the rematch!!!!

The Rock N Roll Express Vs The Headbangers

The music world has changed dramatically since those days of bandanas and mustaches, and former WWE Tag Team Champions The Headbangers

(Mosh and Thrasher) bring the tattoos, piercings, and mosh pit fury from the 1990's revival of punk rock and metal. Crass, unapologetic, and disgusting at times, The Headbangers will need to get serious if they want to get the win as the Rock N Roll Express plans to prove that "Rock N Roll Is King".

Bob Backlund Vs Ken Patera "The Olympic Strongman"

In what would be their final meeting Backlund got the win, in an award winning Texas Death Match that garnered Match Of The Year honors. Ken Patera never got his rematch, claiming

Backlund cheated him and he's been waiting 31 years for the opportunity to prove that he is the better man. That night is rapidly approaching.

Memphis Madness 4 way Match featuring Koko B. Ware Vs Kamala Vs Jerry "The King" Lawler Vs Dutch Mantell!

The Memphis Territory delivered masked men of mystery, charismatic motor mouths, and pop culture icons and established television ratings records that

will never be equaled, and broke attendance records and racial barriers. This special match up puts four of the most legendary performers from the region together in one ring, for one very special match featuring four competitors chock full of Memphis Memories.

TRACY SMOTHERS w/ ISSABELLA SMOTHERS versus BOOKER T w/ BOONDOX

Tracy Smothers is so proud of his rebel flag. Let's see how proud he is after Booker T and Boondox use that Rebel Flag for ass floss and slap him in the face with it. Sucka or will the South rise again.

Tracy Smothers vs. Wildfire Tommy Rich

The "Wild Eyed Southern Boy" will face off with former NWA world heavyweight Champion "Wildfire" Tommy Rich, making wrestling history, and cementing their legacy as two of the greatest in the game. But who will reign supreme?

Raven Vs Al Snow Vs Rhino Vs Sabu

Philadelphia, Pa's Extreme Championship Wrestling brought forth a wrestling revolution that changed the wrestling business forever, introducing a new style and a new generation of stars that were plucked from their talented locker room by WWE and WCW and went on to lead the industry to it's highest grossing years of all time. Four men synonymous with this region and company bring us back to South Philadelphia to find out who's really the most extreme of them all by getting the first pinfall or submission.

Rikishi and Brian Christopher (Too Cool) Vs The Powers Of Pain!

The Powers Of Pain are mean. Some people say they were born that way. Their tough as nails raw boned approach to combat, along with their jacked physiques and colorful face paint has intimidated many of their opponents before the bell even rings. Rikishi and Brian Christopher (Formerly Too Cool in WWE) are the unlikely team of a mammoth member of the legendary Samoan family dynasty in

professional wrestling, and a member of wrestling's royal family. Let's hope they understand the Powers of Pain are no laughing matter. Will we be seeing a passing of the torch at Bloody Mania?

10 MAN "ELIMINATIONS FOR GENERATIONS" ROYAL RUMBLE

Hacksaw Jim Duggan
Tony Atlas
Honky Tonk Man
Carlito
Superfly Jimmy Snuka
"Big Daddy V" Viscera
Rob Conway
Zach Gowen
Ronnie Garvin "Hands of Stone"
U-Genie

A mix of legends from the past, current and future hall of famers, and more in this very unusual match where pinfalls, submissions, and over the top rope eliminations count.

Terry Funk Vs Roddy Piper With Cowboy "Bob" Orton

Never before have two of the greatest legends in the history of the sport squared off with each other in a one on match up. Add to the intrigue "I Quit" rules, in which one competitor must say the words "I Quit" over P.A. system in order for the match to conclude. And there is no quit in either of these men.

Sideshow

The Gathering has a lot more than just musical performances to offer. We've assembled some of the strangest oddities from all corners of the country for your entertainment, and brought out scores of wild challenges and contests for you to try your hand at. There's something for everyone, so wander around and get schooled by the flavor!
