**THE 18TH ANNUAL
GATHERING
OF THE
JUGGALOS
BEAMIN' IN SEVENTEEN**

Through the gale force winds of the diamond raining hurricane that screams across the sky, a powerful beam of light cuts through the clouds from the heavens above to shine directly upon a complex known to the denizens of Earth as Lost Lakes Amphitheater. As the shiny gemstones pelt the thousands of pilgrims who have journeyed to this land, the celestial beam warms this hallowed place, filled with the smiles of the Juggalo Family, which has come to unite and celebrate at the world's most unorthodox and genuine homecoming.

The heavenly beam emitting from the blue skies is formed by the energy of the universe that has decreed this calendar year to be known as 2017. Seventeen. The sacred and mystical number that sits at the very center of the foundation of the great Dark Carnival, the arcane message of which is spread worldwide by its devoted followers and message-bearers—the Juggalos.

Arise and rejoice, Juggalo Family, for this is the year that was foretold in stories of yore as being the time of the heavenly beam of '17. Stand in the center of the light and feel your soul become filled with a joy and a peace so powerful it might move your Juggalo soul into a state of pure, unbridled bliss and liberation. For this is no ordinary Gathering of the Juggalos. This is the only year where the heavenly beam of '17 will be felt by the Juggalo Nation in this annual event of togetherness, love, music, and family bonds that surpass all known notions of space and time, finding us right here, deeply rooted in our own little slice of Forever.

This is the 18th Annual Gathering of Juggalos. Feel the Heavenly Beam of '17.

SHINE LIKE A DIAMOND...WELCOME HOME, JUGGALO FAMILY!

GENERAL INFO

Below you will find all the important information pertaining to this year's 18th annual Gathering of the Juggalos (GOTJ), 2017.

Lost Lakes Amphitheater & Water Park

These festival grounds, located at 3501 N.E. 10th Street, Oklahoma City, OK 73117, feature a huge 120-acre waterpark complete with giant waterslides, boating, beaches, and wakeboarding. With another 800 or so acres of shaded campgrounds that stretch along the riverbank, this place has been called the Organic Disneyland for good reason. Privately owned and operated, this scenic water wonderland has plenty of space for our entire family to camp out for a truly 24-hour experience of Shangri-La on Earth.

GOTJ Wristband

The GOTJ wristband that you purchased or received when you presented your GOTJ ticket at the Ticket Office is not to be removed at any time and is your official pass into and out of Lost Lakes (you may come and go as you please). It is good for the entire duration of the GOTJ, starting Wednesday July 26th (at 7am) until Sunday July 30th (at 1pm). Anyone found inside the park without a GOTJ wristband will be immediately escorted off the property. If you should lose your GOTJ wristband, you should report it immediately to the Ticket Office. This wristband grants you access to all the concerts, wrestling events, comedian shows, parties, sideshows, competitions, carnival rides, autograph signings, and much more at no additional expense.

Vehicle Passes

No vehicles are allowed inside Lost Lakes (except for in the parking lot) unless they have the appropriate sticker pass stuck to the driver-side windshield (Car, RV/Trailer, or Big Balla Campsite). These may be obtained by presenting the appropriate ticket (Car, RV/Trailer, or Big Balla Campsite) you purchased online once you arrive, or by purchasing one directly at the Ticket Office. These sticker passes allow you to park your vehicle at your campsite, and once there, it must remain until the Gathering ends. This will be strongly enforced to ensure the safety of all our ninjas.

Car Passes apply to vehicles ranging in size, from motorcycles to full-sized vans that are not towing trailers. RV/Trailer Passes apply to any vehicle bigger than a full-sized van (no 18 wheelers) or any vehicle towing a trailer. Big Balla Campsite Passes apply to any vehicle RV size or smaller, along with whatever they are towing. All vehicle passes are good for the entire duration of the GOTJ, starting Wednesday July 26th (at 7am) until Sunday July 30th (at 1pm).

Big Balla Campsite (20 & 30 amp)

Each of these sites are roughly 25' x 50'. Any additional vehicles (besides the one with your Big Balla Campsite Pass) parked on your site will require their own Car or RV/Trailer Pass and must fit in your designated area. Keep in mind that you may also put multiple tents on your site, as long as they also fit in your designated area. Big Balla Campsites are not numbered and will be on a first come/first serve basis.

This pass also allows you and up to five other people to enter the Gathering grounds one day early, starting on Tuesday July 25th at 6pm. Keep in mind that everyone getting in early must also have a GOTJ ticket to enter, and you will be required to remain in the Big Balla campsite area until the official start of the Gathering on Wednesday July 26th at 7am

These sites are good for the entire duration of the GOTJ starting Tuesday July 25th (at 6pm) until Sunday July 30h (at 1pm).

Psychopathic All Star Experience

This highly valued pass allows one person access to the Psychopathic All Star Experience, which includes the following benefits and will take place on Wednesday July 26th from 6–7:30pm:

- Meet and greet with all the Psychopathic artists and behind-the-scenes Psychopathic Records ninjas and staff (ABK, Big Hoodoo, Billy Bill, DJ Carlito, DJ Clay, ICP, J-Webb, Jumpsteady, Kevin Gill, Lyte, Str8jaket, Mean Dean, Mike Busey and the Busey Beauties, Mr. X, Natalie the Ring Girl, Rude Boy, Wolfpac and the Wolfpac Girls, as well as a bunch of other ninjas) in the backstage area of the Diamond Stage for autograph and photo opportunities, all in one setting
- All-you-can-eat buffet
- Gift bag containing the following limited-edition collectors' items: GOTJ 18 VIP laminated pass, The Wraith Shangri-La Amulet, and a Wraith Shangri-La flag.
- The opportunity to stand on the side of the stage to watch the first artist of the Gathering perform
- The privilege of returning on Saturday night of the Gathering to be able to participate in the largest Faygo Armageddon ever seen during the climax of ICP's set on the Diamond Stage!

Once you arrive on the Gathering grounds with your ticket, you will be able to pick up all the items listed above at the Ticket Office. You will need to do this before you head backstage, so that the Ticket Office can process your ticket. You will then be instructed to gather on the right side of the stage at 5:45pm on Wednesday July 26th, where you will then be escorted backstage. Keep in mind that you will still need to purchase a GOTJ ticket in order to get into the grounds.

Parking

There is a 15-acre field located just south of the front entrance of Lost Lakes where you may park your vehicle for free. There are also accessible parking spaces (that are closer to the attractions) for ninjas with a disability license plate or parking placard.

Camping

Once you enter Lost Lakes with your GOTJ wristband, you are free to camp in any of the designated camping areas on a first come/first serve basis. These locations are marked on the GOTJ map located on the back cover of this program. Keep in mind that the Gathering staff reserves the right to move any tent, vehicle, or campfire to handle disputes or if they are located on a road, a fire lane, or an unofficial camping area. There are some key rules that everyone must follow when camping:

- For the quiet camping areas, no music or loud noises are permitted.
- All tents and vehicles must be 15 feet from any other tent, vehicle, or campfire in all directions.
- Do not camp in between any row of metal poles, as these mark fire lanes that must remain open.
- Make sure to safely contain, maintain, and extinguish all campfires.
- All vehicles at a campsite must have the appropriate vehicle sticker pass stuck to the driver's side front windshield at all times.
- Please be respectful of your adjacent neighbors, especially when it comes to excessive noise at night.

Fast, ferocious, and fuckin' fearless, Dope is a band that you do not want to mess with. Not only can lead singer Edsel Dope whip your ass (seriously), but this is a band so hard, heavy, and menacing that the New Musical Express once wrote about them, "In American Pie, a boy puts his cock in an apple pie, to let us know that there's something rotten at the heart of the American Dream. Ex-con brothers Edsel and Simon Dope, though, would probably put someone else's cock in the apple pie, cut it off, lace the pie with strychnine, and serve it up at the Clinton dinner table." Their words, not ours. Known the world over for their nosebleed-inducing industrial grind metal, Dope will give you something to mosh about when they overtake the Gathering of the Juggalos stage. Go ahead...take a hit!

From the mystical Middle Eastern-flavor of "Walk Into Thy Light" to the whimsy of "Cotton Candy and Popsicles" to the relentless, titan-sized pounding drums and bass of "Blaaam!" to the epic and jaw-dropping revelation contained within "Thy Unveiling," the first face of the Sixth Joker's Card, "The Wraith: Shangri-La" remains to this very day one of the most fascinating and thought-provoking glimpses into the Dark Carnival. FAYGO LAUNCHING CONTEST

SATURDAY: 1-2PM / RED MOON STAGE

Turning a simple 2-liter of Faygo into a flying bottle rocket of artificial color and flavor is an art form that Violent J and Shaggy have mastered for years. The question is...Can YOU fire a 2-liter with the same power and precision? Well, you get two attempts to launch a bottle of Faygo from the stage as far as you possibly can, using whatever secret technique you know, from the Five Finger Moon Mist Jab, to the Shake-n-Grape Booster Thumb Trick, to the legendary Rock & Rye Carbonation Colossal Shot Put. Whoever launches the bottle of Faygo the farthest will be crowned King of Faygo for the remainder of Gathering 18! Shake it up, muthafacko! Prize: Furthest distance—\$200 gift certificate. THE NEDEN GAME

SATURDAY: 3-4PM / RED MOON STAGE

“Let’s meet Contestant #1...” Since the very first Gathering of the Juggalos, the Neden Game has been revered as the most irreverent, politically incorrect, Dating Game–style contest the world has ever seen! One Juggalette will choose one of five most likely scrubby-as-fuck Juggalos based on their penetrative answers to her questions as her date for that evening. Then the role will be reversed with one Juggalo asking five Juggalettes their answers. Do you have the game, skills, and sharp wit to win the heart (and maybe the sweet Cotton Candy or Popsicles) of a would-be suitor? Then step up playa, and enter the Neden Game! The winner of each round will get to go on a date from 8pm–Midnight, with their dates also acting as their personal backstage escort!

MISS JUGGALETTE PAGEANT

SATURDAY: 5-6PM / RED MOON STAGE

Forget that cheesy pageant shit you see on TV. If you wanna be crowned Miss Juggalette, you have to have more than beauty, brains, and talent. You also have to have that special take-no-shit attitude that every true Juggalette possesses. Are you a down ass Lette who truly represents what the Juggalo family is all about? Then enter the Miss Juggalette Pageant to be honored as the queen you are! There are three rounds to this intense competition. #1: Personality—show off your charisma and brain power by answering a question. #2: Talent—whether it’s singing, juggling, jump roping, or doing the zombie slide, show the crowd what skills you got. #3: Swimsuit round—whether you’re in a thong bikini or scuba gear, you gotta put the airbrushed hoes in Sports Illustrated to shame. Judges will tally the scores from all rounds (taking crowd reaction into heavy consideration) and the Lette with the highest score will be hailed as Miss Juggalette 2017! Prizes: First Place—GOTJ Gold Plaque, \$300 in cash, and a backstage pass; Second Place—\$100 gift certificate; and Third Place—\$50 gift certificate. Those wishing to compete should show up at least 15 minutes before the contest begins and bring their own swimsuit (or comparable attire) with them. Dog Beats Test Press Vinyl

This is the album that started it all....This was the very first album ICP ever recorded in a music studio. After getting snaked for thousands of dollars by local music producer Chuck Miller, ICP walked away with their now classic album "Dog Beats". More than 25 years later, this album was finally pressed to vinyl just in time to celebrate the triumphant return of the Inner City Posse this August, when the Inner City Posse will make a one-time performance in honor of their lost brother and third clown, John Kickjazz. Since this test pressing is one-of-a-kind, it now takes the reins as one of rarest pieces of Inner City Posse items known to man.

Original Shaggy 2 Dope Sketch for Keep It Scrubbin' Single

It's no secret that Shaggy 2 Dope is the creator of a lot of artwork you've seen displayed over the years throughout ICP's gigantic catalog. But it's not often that any of his original artwork makes it into the hands of private collectors. Here we have a beautifully framed piece created by the master artist himself, Shaggy 2 Dope. This is a one-of-a-kind hand-drawn sketch that later became the cover art for Shaggy's "Keep It Scrubbin" single. This 8x10 piece of art is also signed and dated by "Joey" (Not Shaggy 2 Dope), making this incredibly more rare and valuable!

Original Wizard of the Hood Poster Film & Match Print Set

Here's an item you've never even heard of before! This is the original 4 Color Process Poster Film complete with matching Print Poster for Wizard of the Hood. Measuring roughly 18x24, this is a very beautiful and unique piece of art you'll never see again. This lot includes all 4 original color Process Poster Films (only one is shown in the photo) used to create the Wizard of the Hood Poster, as well as the Match Print. The Match Print in a nutshell is the very first print of the poster ever created. It's printed on much thicker paper and with special more vibrant ink, to proof test the poster before mass production. We framed and matted the Match Print and 1 of the Poster Films, and included the other 3 Films stashed behind the main Film, which you can easily remove to turn these 2 posters into a 5 piece poster set. A must-have for any poster collector or die hard Wizard of the Hood fan!

Violent J & Shaggy 2 Dope Baseball Jerseys

Never produced for the public... These 2 jerseys were created only for Violent J and Shaggy 2 Dope to wear on stage during their short but sweet solo tours that went down this past February. Both jerseys are 3X and feature the Hatchetman on the front left chest, the number 17 on the back, and of course what stage jersey would be complete without the names "Shaggy" and "Violent J" embroidered across the back? Both of these jerseys were worn multiple times on stage during ICP's Short Solo Sideshow Spectacular Tour. Fresh!

Huge Hand-Painted Hell's Pit Artwork

Hand painted by Michael Broom in 2004, this HUGE painting has been hanging up on the walls at Psychopathic Records for over the last 12 years. This is an amazing piece that features the album cover art for the darkest, most wicked album ICP has ever created.... Hell's Pit! This thing is huge, measuring roughly 4x4 feet—you're going to need a big trunk to get this bad boy home. But once you do, it will be an incredible centerpiece for any room in your house.
