# Juggalos, The Time Has Come!

Faygo sprays like cascading rainbows of pure liquid joy upon a backdrop of ultimate chaos. Blood splatters from flesh penetrated by broken glass, as gladiators conspire to survive in a square arena of death. Music tears the very fabric of sanity, as visions of goddesses gyrate to the hypnotic beat. The Juggalos have come again to become undone. The time is nigh for the reckoning of all living things. Welcome, my friends, to the 4th Annual Gathering of the Juggalos!!!

You're gonna need to butter your nipples for this one, because the Gathering 2003 should prove, above all others, to school you like Spam at a mosque. How could we top the previous years? Only by creating an event the likes of which Juggalos have never seen: a Gathering that breaks all boundaries, and offers flavor no Juggalo has previously enjoyed; a Gathering where our entire family can be together, while experiencing a party that lasts all night long. Not possible you say? Well, we are very proud to announce that it has indeed come to be! It is time to experience the joy of the first ever, outdoor Gathering of the Juggalos!!!

(Pause here to change your drawers, and reattach your floating wig.)

The Gathering 2003 is made possible by the very secluded and beautiful campground, known as The Crystal Forest, nestled deep in the woods of northeast Ohio. This may very well be a once-in-a-lifetime opportunity, as the Gathering has now become a 24-hour event, with Psychopathic activities running deep into the night! You cannot even begin to imagine the flavor that is at hand. Just picture thousands of Juggalos all camped out together, dancing, barbecuing, swimming, and partying over the course of a four-day weekend, taking in as much flavor as they can possibly stand. It's the greatest show on Earth, smackin' that ass like a dominatrix who had a bad day at the office. It's Juggalo heaven, done Juggalo style - WHUT?!

## An Important Word from Psychopathic

We want to take the time to express how unique of an opportunity this is for all of us. We ask that all Juggalos respect The Crystal Forest, so that its natural beauty will remain intact for others to enjoy. The open-minded Kelley family (husband, wife, and two beautiful children) who own the campground are all extremely receptive to the Gathering, because they respect Juggalos, our music, and way of life. They are welcoming us all into their very homes, and we ask that they be welcomed into our Juggalo family. We have been working side-by-side with them, and they have been doing everything in their power (way above the call of duty) to make sure that this will be the best Gathering ever. We cannot begin to express the love that they have given to see this event succeed. So please, we ask all Juggalos to do their part to help stop any extreme misbehavior they might see in progress, and in so doing, bring honor to this event, and to Juggalos everywhere.

### The Crystal Forest

This gigantic 250-acre wooded campground is a paradise of natural beauty, nestled among the cliffs and woods of Ohio, just 30 minutes southeast of Cleveland. It can hold thousands of campers due to its vast number of campsites, and has plenty of bathrooms, shower facilities, and drinking water to provide for all basic needs. Dirt roads and nature paths connect all campsites to the event areas, and allow ninjas with campsites to pull their cars right up to park beside their tents. Besides its lush woods, jutting rock formations, and two small fishing lakes (Shadow Lake and Oracle Pond), the greatest feature of The Crystal Forest is the huge, centrally located, Lotus Lake. This beautiful lake, complete with beach, is open for swimming, allowing you to cool off from the rays of the hot summer days.

### Set-up / Tear-down

During the daytime on Thursday the events are purposely kept light. This is the official setup day for the Gathering, allowing those with campsites time to set up their gear. During the day, all of The Crystal Forest's normal benefits (i.e. swimming), the Merchandise Pavilion, the Snack Area, and the specialty services (i.e. the Information Tent) will be open, but almost all of the Gathering's special events and entertainment will not be. Keep in mind that no one may set up their campsites sooner than Thursday at 8AM, and we ask that you do not show up earlier than this under any circumstance. On Monday, nothing will be open except the Information Tent, as this is the official tear-down day. Everyone will need to be cleared out of The Crystal Forest and the Parking Lot by noon.

### Carpooling

We ask that all Juggalos try to carpool to The Gathering, as it will make things infinitely easier to deal with. The less cars driving around and clogging up camping space, the better it will be for everyone. Four to five ninjas per car is great, but RVs or vans loaded with ninjas are better. We ask that all Juggalos look out for one another by offering rides to others when possible. Please, let's all do our part to help out with this.

### Parking Lot (Entertainment USA)

This free, outdoor Parking Lot is on the property of Entertainment USA (see page 36 for map and directions). The Parking Lot is located 3 miles from The Crystal Forest, has more than enough parking space for everyone. It has more than enough space for everyone. RVs and campers are allowed, but there are no hookups for them. You may park your car here and then hop on a shuttle bus that runs every 10 minutes that will take you to and from The Crystal Forest, 24 hours a day. You must have a Gathering Amulet to get into the Parking Lot and onto the shuttle. Those without an amulet will be escorted off the premises. No fires or tents are allowed in the Parking Lot, but ninjas can chill in the huge Hospitality Tent located on the grounds. The Parking Lot is heavily guarded 24 hours a day, making it an ideal location to secure your goods inside your car.

### Campsites

All campsites are located right on the grounds where all the excitement takes place. Most are buried deep in the wooded areas, allowing for a fair degree of privacy, shade, and sense of outdoor adventure. All of these natural campsites come complete with a fire pit, but do not include running water, electricity, or

hookups for RVs (although RVs and campers are welcome). Pick-up trucks loaded with firewood, will cruise around selling wood. You may park your car at your campsite, as long as it is inside the area allotted to you. A maximum of one car is allowed per campsite. **Only those who rent a campsite will be allowed to drive their car into The Crystal Forest (one car per campsite).** All others will have to park their cars in the Parking Lot and take a shuttle bus over. Attendants will check all cars entering The Crystal Forest for a parking pass (one parking pass is sent to each person who buys a campsite which must be placed on the inside windshield on the drivers side). At the campsites, radios and noise from any source should be kept extremely low after 11 PM. All campsites can be easily located using the map on the **back inside cover**. The rules for the campsites are listed below:

**Campsites** (roughly 30' by 30') – You may set up three tents. Vans, trucks, and other similar size vehicles are considered a tent for these purposes in addition to counting as a vehicle. If you have an RV you may not have any tents set up at your campsite. A maximum of 10 people may use this area. If you purchased a campsite you will receive 10 wristbands to distribute amongst the campers staying at your site. All tents must be kept at least 5 feet apart from each other and tents must be kept 10 feet away from an adjacent camper's tent or from a fire pit.

Officials will be inspecting campsites to make sure that everyone is following these rules. Due to regulations, any tents set up in an area outside of an official campsite will be taken down. Also, cars parked in The Crystal Forest outside of an official campsite will be towed.

## Camp Districts

You will notice on the map (**see inside of back cover**) that The Crystal Forest has been broken up into different districts to make finding your way around easier. The six districts are detailed below:

Shadow Lagoon

### Shadow Lagoon District

This area exists on the southern outskirts of The Crystal Forest, and offers a more secluded feel. Those who dwell here have been called the Shadow People, due to their proximity to the nearby and seductive Shadow Lake. It has also been rumored that they worship a huge, ancient serpent that lives in the lake's watery depths.

Diamond Rain District

**Diamond Rain District** This non-wooded camp is located in the prime area of entertainment, and is the closest to the main gate. A brief walk puts you right amidst most of the entertainment, including the Main Stage. About half the campsites border Lotus Lake, offering a breathtaking view.

DARK FOREST

### Dark Forest District

This area is a section of dark, creepy woods, located in the quieter western section of The Crystal Forest. Over the years there have been reports of whispering ghostly voices heard in the dead of night. These woods are considered by many of the locals to be haunted, and only those of courage or a strong disbelief of the supernatural should try to spend the night here.

The Tribal Grounds

### Tribal Grounds District

Even though it is located in the center of The Crystal Forest, little is known about the dwellers of this wood. Strange chants and the sound of beating drums have been known to echo through its trees on many a dark and windy night. Outsiders are watched carefully by its inhabitants, who have been known to apply ritualistic paint to their faces and bodies.

Chaos District

### Chaos District

Nicely located close to the Main Stage and Lotus Beach, those who camp in this area expect nothing less than pure wildness all night long, and care not for sleep. This is the heart of all late-night parties, with giant bonfires blazing, bongo drums beating, and Psychopathic music bumpin' throughout its woods at any given hour. Here anything goes, and its parties don't need to stop until everyone drops.

LOON DISTRICT

### Loon District

The inhabitants who wander these northern forested grounds are reported to be quite disturbed to say the least. It is a place of serene quiet one moment, broken by the crackle of insane laughter the next. Some say they have caught glimpses of half-naked women dancing upon the moonlit forest floor; others say they have seen men covered in dried mud singing to themselves.

Only cars with parking passes will be admitted into **The Crystal Forest** and allowed to park at a campsite. All other cars have to park in the Parking Lot. Each campsite comes with one parking pass.

# Rules & General Information

## IMPORTANT RULES

These rules are to insure that everyone has a good time at the Gathering this year. We ask that you respect The Crystal Forest by obeying all the rules described below, and to do your part to help make sure others are as well. Also, we ask that you help keep the campground clean by using trashcans.

**1) No swimming when a lifeguard is not on duty. Swimming hours are from 10am to 7pm, daily. Anyone caught swimming at night will be expelled from The Crystal Forest.**

**2) No fishing in Lotus Lake (fishing is allowed in Shadow Lake and Oracle Pond).**

**3) The speed limit while in The Crystal Forest and Parking Lot is 5 mph. For safety concerns, once a car is parked at a campsite in The Crystal Forest it may not be driven around or inside The Crystal Forest, nor may it leave and return. This extremely important rule is necessary to maintain safety, and will be strictly enforced. The only exception is for emergencies.**

**4) No cutting of trees (dead or alive) or damaging plant growth (\$500 fine).**

**5) Anyone hurting the wild animals, amphibious creatures, or birds will be thrown in jail and banned from returning to The Crystal Forest.**

**6) Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages.**

**7) Please be conscious of your noise level. Music should not be played at high levels at any time, and all music and noise must be kept to a minimum after 11pm.**

**8) Children must be supervised by adults at all times.**

**9) No alcohol or smoking on Lotus Beach.**

**10) Careless, destructive, disrespectful, or bothersome conduct will not be tolerated.**

## The Program

This program, besides being good for the playful smacking of a cellulite-enriched ass, is your guide to the Gathering this year. Inside, you will find a detailed description of everything going on. This includes an easy-reference timeline (**pg. 32-33**), which lists

when all the events will be happening. There is also a complete map of The Crystal Forest (**see inside of back cover**), showing where everything is located. Keeping this program with you is key to enjoying the Gathering to the fullest. Use it to know when and where you want to be, at any given time. Take care not to lose it; however, if you do (hopefully not up your ass), you can purchase additional copies at the Information Tent.

## Gathering Amulet

The precious metal amulet that you received with your package is your ticket in and out of The Crystal Forest. Without it you won't be able to do shit but sit around at home and pleasure yourself to J Lo videos. With it, however, you will be able to enter and leave The Crystal Forest, as well as participate in all activities. It allows you to see all the concerts, check out the shows, participate in seminars,

play all the games, and everything else. It is your key to the Gathering, so don't lose it, peanut, or you'll hear the fat lady sing from her sweaty butt, as she sits on your head.

## Perimeter Security

To avoid an overflow of people in The Crystal Forest, a ring of security guards using trained dogs, will be placed around the fenced outskirts of the campground. Police will also have roadblocks set up a mile away from The Crystal Forest, checking non-locals for Gathering Amulets. If even one person does not have an amulet, the whole car will be turned away. Everyone will need an amulet to enter The Crystal Forest and the Parking Lot.

Roving security will call tow trucks to tow cars illegally parked on the road, the nearby State Park, or other people's property. These precautions are very important, and necessary in order for this event to happen. We cannot risk an overflow of Juggalos as this would result in serious complications and safety risks. Therefore, we are doing everything in our power to stop people from trying to sneak in. If you do not have an amulet, you will not get in; it's that simple.

## Volunteering

This year is such a big endeavor that we are asking for the help of any willing Juggalos who are down to make a good thing better. We need to fill positions for fire watch, clean-up, and security, to name a few. If you're down for the cause, stop by the Information Tent day or night to sign up for a few hours of service in whatever area interests you. All those who help will be given an honorable mention on our website, showing our sincere gratitude. By working together we can insure this will be the greatest weekend, ever.

## Special Services

### Information Tent (open 24 hours)

If at anytime you need a question answered, have a problem, want to volunteer, need to redeem a Silver or Gold Star Certificate, or need to get in contact with a Psychopathic ninja, just stop by the Information Tent. Here you'll find a helpful staff who will assist you with any dilemma you may have. From questions regarding the location of an autograph signing, to what your sexual preference may be, from problems involving lost items to women who are suffering from nymphomania, they will quickly service all your needs. You will also find programs for sale and credit card services, where you can purchase Psychopathic Gift Coins that are accepted at the Merchandise Pavilion, and General Store.

### General Store (open 24 hours)

You won't have to leave The Crystal Forest for anything, because you'll be able to find whatever you're looking for here, such as disposable cameras, batteries, cold beverages, snacks, cigarettes, Faygo, flashlights, hygiene items, and yes, even clown make-up, to name just a few of basic necessities for sale. This one-stop store has you covered, so you can enjoy the Gathering without any unnecessary trips into town. The General Store accepts cash, Psychopathic Gift Coins, money orders, and traveler's checks.

### Snack Area (open 24 hours)

The concession stands here serve a variety of hot and tasty foods: hotdogs, hamburgers, chicken, ribs, pizza, salad, nachos, fries, and more. Because this is an all ages event, alcohol will not be served. The Snack Area also features several eating tents with picnic tables, so everyone can enjoy their delicious meals in the shade. All concession stands accept cash, money orders, and traveler's checks.

### Showers (open 24 hours)

Separate male and female hot showers will be available 24 hours a day. These are mounted on trailers, and include a private dressing room, for complete privacy. **There will be a five minute maximum shower per person to ensure that lines flow quickly.**

# Shows

## Entertainment

All entertainment at the Gathering is covered by the one-time cost of your amulet. Everything from the wrestling shows, to concerts, to inflatable games, EVERYTHING entertainment-wise is already covered at no additional cost to you. The only other costs you may have come from campsites/hotel rooms, food, and merchandise you may want to buy. All types of entertainment at the Gathering are fully explained in this program, and are categorized by title, location, day(s), time(s), and finally website info (if applicable). You will notice that many of this year's events are brand new to the Gathering. This is due to all of the new possibilities being outdoors opens up.

## Jumpsteady, Dope, Esham, and Dark Lotus

**Main Stage**  
**Friday 7pm - 11pm**  
[dopearmy.com](http://dopearmy.com) / [eshamtheboogieman.com](http://eshamtheboogieman.com)

First comes the embodiment of chaos, Jumpsteady, as he brings a new meaning to the word by bending the laws of reality to appease the maddened musical needs of all Juggalos. As you run to look for cover from the storm, Dope will douse you with explosive rock music that will crash upon the crowd like a ghost ship upon a rocky shore. Then, as you try to recover from the onslaught, Esham shall rip the stage with prophecies of death and destruction. Like a hypnotic siren beckoning from darkened seas, all will be drawn as moths to the flame. Who are the missionaries of the sacred seal, you ask? Give fear and reverence to those claiming the name Dark Lotus, as they slap you into a past life, only to have a prophetic vision of the future, and forewarn you of the terrors they will bring on this night.

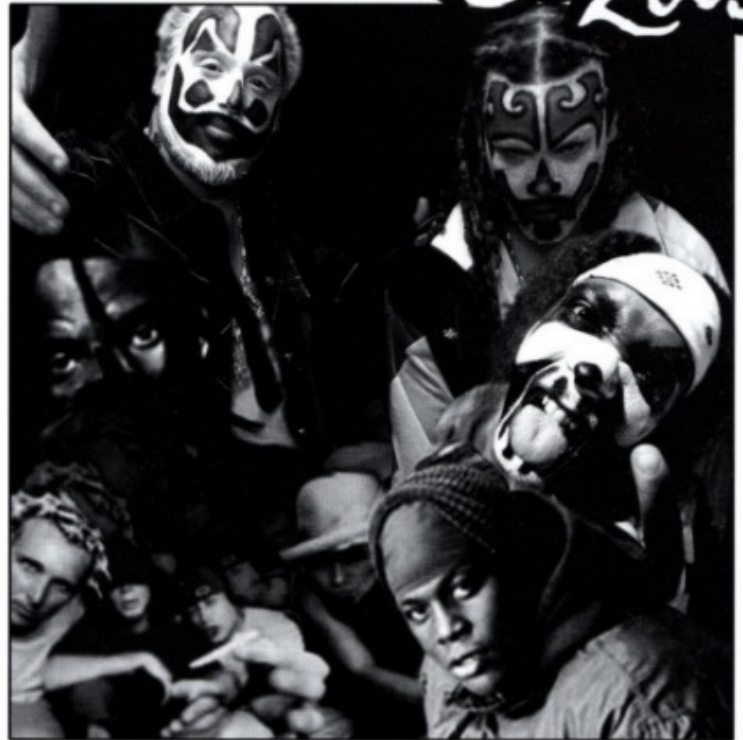

## Blaze, Zug Izland, Vanilla Ice, and Twiztid

Main Stage

[zugizland.com](http://zugizland.com) / [vanillaice.com](http://vanillaice.com) / [twiztid.com](http://twiztid.com)

Then take a helicopter ride, courtesy of Zug Izland, through a rocky mountain pass, during a toxic storm of rock music. Up, up you'll go until the group bails out at 10,000 feet, leaving you corkscrewing wildly out of control. Next up, jump on a rollercoaster plummeting to the heated domain of a madman, as Vanilla Ice straps you in, for your horrifying descent, and rockets you toward rock/rap destruction. Lastly, come aboard the Twiztid train, where the passengers are ghostly visions of the dead, and reality is blurred and bent. The train's whistle will be lost among the screams of the damned as it hurtles toward the tunnel of oblivion.

Then the warriors who sip from the nectar of the gods, known as the Kottonmouth Kings take the stage. They will use their craft to inject the crowd with mind-altering music that will pound your senses, leaving you in delusional states of reality. The alignment of the stars on this mystic night, together with the chanting of ancient shamans, will bring forth Anybody Killa, who will split your wig like a tomahawk. He will be followed by the legend himself, Bushwick Bill of the Geto Boyz, who will drop his acid flows that pierce like a sword and flow like a guillotine. Finally, the Diamond Rain will fall, shredding the crowd apart with its razor sharpness, as the Insane Clown Posse steps forth from the Dark Carnival. ## Twiztid Seminar

Seminar Area

**Friday 6pm - 7pm**

**Saturday 6pm - 7pm**

Comin' at you like vipers with poisonous rap flows, these two have become more than entertainers; they are destined for a greater

purpose, and the mike has been their vessel to get there. From tours, to in-stores appearances, to jail appearances, to poppin' and lockin' on stage, these two versatile artists have done it all. Listen to their story as it begins in the nitty-gritty of Detroit city, and moves into the Nethervoid, where the undead groove to a different beat.

## Blaze Seminar

Seminar Area

**Saturday 4:30pm - 5:30pm**

**Sunday 12:30pm - 1:30pm**

Blaze, as always, is steady pounding you with a sledgehammer of hard and gritty rhymes, crushin' weak MCs like Jell-O. He has been rockin' the undead gangster tip so hard, that he's starting to look a little like Eazy-E. Come meet this urban legend up close, hear how it all began, and learn about his experiences on tour,

in the studio, on the streets, and on that chronic. So come chill with him, and try to figure out how this player does what he does on that gangsta tip.

## ABK Seminar

Seminar Area

**Saturday 1:30pm - 2:30pm**

## Zug Izland Seminar

Seminar Area

**Friday only 4:30pm - 5:30pm**

From the toxic wastes of Zug Island spawns a rock band the likes of which the world has never seen. Their music has been called hypnotic, and like a specter, they seek new souls to weave their spell on. Now you can hear how it all started, their untold story for the first time ever. Just sit back and chill as they vibe with the crowd, connecting on a whole different level.

## Challenge Games

### Basketball and Volleyball Courts Fri. Sat. Sun. 11am - 7pm

Come pit your skill against these games, which require not only hand-eye coordination, but a pinch of panache as well. Do you have the speed, the drive, and the hunger to win the glory, or will you have to take the long walk of shame to the back of the line to try again? You may try to win as many times as you want; however, you may only win one prize per game per day.

#### Basketball Team Challenge

Do they call you basketball boy because of your skill, not your physique? Then grab a friend, and come down to the court. There you will compete in a two-on-two basketball game to see which team reaches 21 points first. The winning team earns two **Silver Star Certificates** and is allowed to compete in the next game. If they win that, their certificates are upgraded to **Gold Star Certificates**.

#### Volley Ball

What better way to have fun in the summer sun? If you're interested in this sport, just come on down. We will place you on a six-person team. Players then compete to see which team can score 15 points first. Members of the winning team each receive a **Silver Star Certificate**.

## Costume Contest

Main Stage  
Saturday only  
3:30pm - 4:30pm

Here you will witness some incredible and often hilarious costumes. Where else can you see costumed freaks parading across a stage, each trying to be the wierdest of the bunch? One at a time, contestants will be brought out before the crowd to show off their flavor. Those watching are bound to see some funny and original designs that are sure to please the most pessimistic fashion critic. Afterward, everyone will be brought back out on stage, and the winners will be determined by applause. Prizes are as follows: **First Place - Official Wraith Tour jacket, a Backstage Pass, and \$100; Second Place - \$100; and Third Place - \$60.** Those wishing to compete should show up at the Main Stage, with costume, 30 minutes before the contest is scheduled to begin. Keep in mind that original or Psychopathic-themed costumes stand the best chance of winning.

## Faygo Drinking Competition

Main Stage  
Friday 11am - 12 noon  
Saturday 11am - 12 noon  
Sunday 11am - 12 noon (Grand Finals)

Hosted by the wily Upchuck the Clown, this event is unbelievably funny, as contestants have to endure the

pleasure/pain of drinking all the Faygo they can stand. This is about human stamina just as much as it is about having a gargantuan belly that can hold a large amount of the bubbly. Can you even think to compete, knowing that most contestants will spew the contents of their innards (through various openings) as the carbonation intake reaches dangerous levels of overload? Two competitions a day will be run on Friday and Saturday, with the

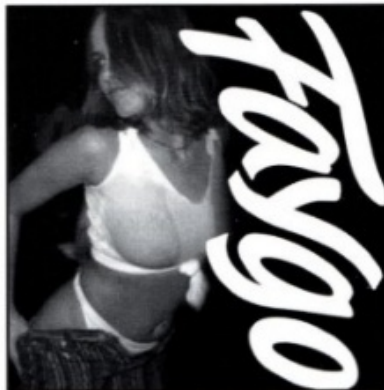

**First Place winners receiving \$100.** The top three winners from each game will then compete on Sunday in the Grand Finals, to see who will be crowned the ultimate champion. We suggest you come on an empty stomach if you plan to compete. We also suggest sitting in the third row back if you plan to watch, because this can be an extremely gross and messy experience for the viewer as well as the contestant. Prizes for the Grand Finals are as follows: **First Place - Big Money Hustlas Gold Plaque, embossed with "Faygo Guzzler Champion," an Official Wraith Tour jacket, \$100, and a Backstage Pass; Second Place - Official Wraith Tour jacket and \$100; and Third Place - \$100.** Those wishing to compete should show up at the Main Stage on Friday or Saturday 30 minutes before each contest begins. Finalists should show up on Sunday 30 minutes before the Grand Finals.

## Faygo Wet T-Shirt Contest

**Main Stage (females  
18 and over only)  
Sunday only  
4:30pm - 5:30pm**

Girls, girls, and more girls - can we ever get enough of their sexual charms? This is perhaps the most Juggalo-requested contest, and now it's happening for the first time! Come check out these babes as they compete with one another to see who has the most ample and/or shapely cleavage. Three judges, taking crowd reaction into heavy consideration, will decide who among these well-endowed goddesses will take the prize. This is not a contest about physical beauty or a tight body; it is a contest about breasts and breasts alone, which you will learn more about as the Faygo is poured over these girls' lovely assets. Prizes are as follows: **First Place - \$300 Shopping Spree at the Merchandise Pavilion, Backstage Pass, and an Official Wraith Tour jacket; Second Place - \$200 Shopping Spree at the Merchandise Pavilion; and Third Place - \$100 Shopping Spree at the Merchandise Pavilion.** Those wishing to compete should show up 30 minutes before the contest is scheduled to begin, wearing or bringing a white T-shirt. A private dressing area will be provided.

## Lingerie Contest

**Main Stage (Females  
18 and older only)  
Friday only  
6pm - 6:30pm**

This is purely to enjoy the fine arts of fashion design... yeah right. Come check out these curvaceous and half-naked Juggalettes as they showcase their lingerie and eye-popping bodies for your viewing pleasure. Each one has an equal chance to reign supreme in this winner-takes-all competition. One at a time they will be brought out on stage to walk that walk. The best part is, afterward, they will all be brought out at once so the crowd can decide the winner by applause. Are they a dead duck or a mud duck - you get to decide! **All those who compete will be given a pair of Psychopathic hot pants, while the winner receives a \$500 Shopping Spree at the Merchandise Pavilion.** Those wishing to compete should bring their own lingerie (must cover private areas), and be at the Main Stage 30 minutes before the start of the contest. A private dressing area will be provided.

Saturday 11am - 1pm/4:30pm - 7pm  
Sunday 11am - 1pm / 4:30pm - 6pm**

Bada bing, bada boom! Back again due to heavy demand is the MC contest, where aspiring rappers battle it out on stage to see who among them possesses the greatest verbal skills. If you believe in your abilities, bring a CD with your music on it, and head down to the Wrestling Stage during the times listed above to get your chance to rock the mike. Rappers may perform only one song, either solo or in a group (no more than four to a group). Judges will

# Contests

secretly rate all performances to determine who the top three winners are. These winners will be posted at the Information Tent on Sunday by 8pm. If you win, make sure to inform the ninjas at the Information Tent (you must show ID), who will award prizes, and take down information. **All three winners will receive \$100. The first place winner will also receive the guaranteed right to perform at three different future Psychopathic shows (ICP, Twiztid, Anybody Killa, etc.), as well as being able to put together their own show DAT right at Psychopathic's Lotus Pod studio! Also, if these shows are not located near the winner's home, Psychopathic will provide a hotel room and transport to and from the venue, so the lucky winner can be pimpin' like a true star.** The competition for this contest is gonna be fierce, because with that kinda prize, no one is going down easy.

## Miss Juggalette Pageant

Main Stage  
(females 16 and over only)  
**Saturday only**  
**5pm - 6:30pm**

Who will hold the esteemed crown this year? Who possesses attitude, poise, talent, and a bangin' body? We shall see! This pageant is composed of three rounds, the first of which is **Personality**, where the contestants each answer a randomly determined question. The second round is **Talent**, where they display some kind of creative ability (dancing, juggling, poem reading, etc.) in an attempt to please the crowd. The third round is, of course, the **Swimsuit** competition, where contestants display their sexy forms in a showcase of pure physical beauty and attitude. Judges will then tally the scores from all three rounds (taking crowd reaction into heavy consideration) to determine who among the contestants will be given the privilege, nay the honor, of being crowned Juggalette Queen 2003. Prizes are as follows: **First Place - Great Milenko Platinum Plaque, embossed with "Juggalette Queen 2003," Backstage Pass, and \$200; Second Place - Backstage Pass and \$100; and Third Place - \$100.** Those wishing to compete should go to the Main Stage 30 minutes before the start of the contest, bringing their own swimsuit with them. A private dressing area will be provided, as well as music for the talent round.

## The Murder Mayhem Show

Main Stage  
**Friday 2pm - 3pm**  
**Saturday 2pm - 3pm**  
**Sunday 2pm - 3pm**  
**(Grand Finals)**

Big risks equal big prizes! You don't want to miss out on this game show, because anything can and probably will happen. The rules of the game are quite simple: four couples (consisting of one male and one female) go head-to-head trying to be the best at performing physical challenges on stage. These challenges could be anything from seeing who can hop the longest on a pogo stick, to seeing who can hit the most balloon targets using a blowgun. The winners of each challenge earn points (First Place - 500 points, Second Place - 300 points, and Third Place - 100 points). The catch is that whoever comes in last has to endure some form of punishment. Possible tortures include (but are not limited to) having a gallon of guacamole poured over your head, eating pickled pigs feet, or having to perform a striptease down to your underwear in front of the entire audience! Failure to undergo a torture automatically eliminates that team from the competition. At the end of these challenges, whoever is left goes into the final round of speed trivia, where each question is worth 100 points. Whoever has the most points at the end of the final round wins. Two games will be played on Friday and Saturday, with the winning couples receiving a **\$200 Shopping Spree at the Merchandise Pavilion**. Also, the winners of each game will be allowed to compete in the Grand Finals on Sunday. The winning couple of that game will be **flown to London, England, to enjoy an all-expense-paid weekend trip visiting the new Psychopathic Europe headquarters!** Stop playin'. This is the phatest prize, ever! If you want to have a chance to be a contestant (and are brave enough), show up at the Main Stage with your partner Friday or Saturday, 30 minutes before showtime. Couples will be randomly selected to compete.

## The Neden Game

Main Stage (males/females 18 and up only)

Friday 12:30pm - 1:30pm

Saturday 12:30pm - 1:30pm

Sunday 12:30pm - 1:30pm

This very tantalizing and popular game involves two rounds. In the first, five females will be picked from the crowd to compete in a game (not unlike the *Dating Game*) to win **a date with a Psychopathic employee or celebrity, who will act as their personal backstage escort for the rest of the day.** The contestants are hidden from the view of their mystery man, who will ask them rather revealing questions, so that the girls will have a chance to win his affection through their wit and charm. After the questions are finished, he will choose the winner. The second round involves five male contestants (also picked from the crowd) competing as above, with the object this time being to win **a lap dance from a beautiful, young, and busty stripper.** After the questions are finished, she will choose the winner who has won her heart. Then, once the losers have been escorted off stage, the lights will pulsate, the music will kick in, and he will receive a half-naked lap dance right there on stage for all to enjoy!

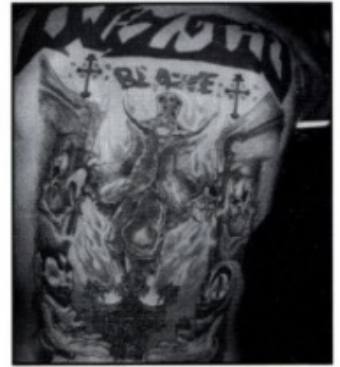

## Tattoo Contest

Main Stage

Friday only

3:30pm - 4pm

Splaaa! Check this out, my ink-loving friend! This is a perfect opportunity to show off your Psychopathic-related tattoos to ninjas who will greatly appreciate them. One at a time, contestants will stand before the crowd, while a panel of judges scores their tattoos based on size, originality, and quality. Prizes are as follows: **First Place - Official Wraith Tour jacket and a Backstage Pass; Second Place - \$300 in prototype merchandise; and Third Place - \$150 in prototype merchandise.** Those wishing to compete should show up at the Main Stage 30 minutes before the contest begins.

## Win a Date Contest

Main Stage (females only)

Sunday only

3:30pm - 4pm

Here is your chance to make your morbid fantasy come true. Imagine you're there with Shaggy, your dreamboat, as he caresses your hands and looks into your adoring eyes. Of course, we won't mention the fact that your hands were recently cut off by a chainsaw, and your eyes plucked out, but hey, you are on a date with a serial killer, after all! For this contest, two winners will be able to **choose any Psychopathic artist to go on a date with** (as arranged at a later time). Your night can be filled with lust, herbs, fast food... ahhh, such sweet young love. The winners will be determined by a game of chance. If you show up it's possible you could win!

Strapped with weapons of war - a tomahawk, a pistol, an atlatl - he lays waste to his foes. Armed with tools of destruction - a 16-track, a mike, headphones - he destroys the opposition. ## Killah Priest

Halls of Shangri-La  
Sunday 3pm - 4:30am

Don't let the name fool you - this Priest, a teacher supporting more Godly ways, certainly is a killah. He is a slayer of the ignorance and misdirection many people suffer from in today's world. Straight

from the depths of the Shaolin Temple and the Wu Tang Clan, he arises as one of the smartest mothafuckas ever to rap. He comes to bring the apocalyptic themes and wicked rhymes he has spent years developing. Since emerging from the underground of Brooklyn in 1995, Killah Priest has been showing off his mad fresh spiritual knowledge in all of his work.

and Rude Boy  
Halls of Shangri-La

## JCW

The Lotus Lair  
Saturday only 5pm - 7pm

Warriors of flesh and blood who battle with steel and wood. Stuntmen who execute acrobatic maneuvers in the air that seem to defy the laws of nature. Torturers who inflict pain upon themselves and those around them in

volumes that border on inhuman. Magicians who perform acts of magic in the ring that leave crowds bewildered. Who are they, you ask? None other than the JCW superstars! All together in one

place for you to meet, if you dare!

## Nosawa

The Lotus Lair  
Saturday only  
12 noon - 1pm

This man they call the International Juggalo Sensation is to many one of the greatest athletes of all time. He is a hero spun from the tales of truth and myth. Like an illusion he seems to do the impossible, but he is all too real, as his legions of fallen foes can attest to. He has wrestled all around the world, but now calls Mexico home. There he is rumored to be more demon than man because of his feats of prowess. So look into the eyes of the current JCW World Champion to see for yourself: myth-hero, man-demon, illusion-reality. Whatever he is, no one can deny that he is made from the stuff of legends.

Shane Douglas

They call him the franchise, and rightly so, because so many people try to copy his devastating style that he should get paid for it. He is a gifted warrior who has left his mark upon the wrestling world by tearing opponents apart in all the major federations, including ECW, WCW, WWF, and currently XPW. Now he comes to JCW with a slue of invaders from XPW, in an attempt to overthrow and cripple JCW in more ways than one. Will he succeed? Only time will tell as his gang of gifted assassins will stop at nothing to accomplish their goals.

## Big Money Rustlas Auditions

Seminar Area

**Thursday 11am - 7pm**

**Friday 11am - 1pm**

**Saturday 11am - 1pm**

You better hold on to your scruples for this one, 'cause the movie of all time is finally in the first stage of production. Starting in late summer, the filming of none other than *Big Money Rustlas* is scheduled to begin! This movie has been under a

shroud of speculation for years, and is finally gonna drop on your ass like KY Jelly. If that wasn't enough, here is your chance to be in the movie by auditioning for a small part! Just come on by and you will be given a comical script to act out in front of a judge. Each performance will be secretly rated, and the best actor's name will be posted at the Information Tent on Saturday at 2pm. *This ninja is then guaranteed a small part in the film, along with a friend of their choosing.* Also keep in mind that extras will be chosen from these auditions, and will be notified at a later time.

## Burning Man Ghost

Crow Island

**Saturday only 12 midnight**

Fifteen years ago, right on Lotus Lake, a man died. He was a fisherman, killed when his boat was hit by lightning during an electrical storm. The strike ignited the gas tank in the small boat's engine. He immediately caught on fire, and burning to death, his body fell into the lake, never to be seen again. Now, according to the legend, on July 19th every year at precisely midnight, if you look toward Crow Island in the middle of Lotus Lake, you will see his ghostly apparition burning a bright red for several minutes before he falls once again back into his watery grave.

## Canoeing

Lotus Lake

**Thur. Fri. Sat. Sun.**

**10am - 7pm**

If you bring your own canoe, you may take it out on the lake and cruise around, checking out all the beautiful scenery that it's surrounded by. You are required, however, to

wear a lifejacket, so make sure to bring that as well. Oh, and don't try an get too close to Crow Island, as those who have in the past often came across bad fortune - some were never seen again.

## Cliff Jumping

Dead Man's Drop

**Thursday 11am - 1pm / 4pm - 6pm**

**Friday 11am - 1pm / 4pm - 6pm**

**Saturday 11am - 1pm / 4pm - 6pm**

**Sunday 11am - 1pm / 4pm - 6pm**

This is no joke. Located on the east side of Lotus Lake is the 20' high natural cliff face known as Dead Man's Drop. At over two stories tall, we tempt you to take the plunge, if you dare. A lifeguard will be positioned at the top, and another in a boat at the bottom to ensure safety. Jumpers are encouraged to either dive in or fall straight in,

with arms and feet together. All jumpers are required to be good swimmers, as lifejackets will not be used. Just don't start cryin' like a little pansy-ass when you get to the edge and look down at that insanely long fall to the water.

## Fishing

Shadow Lake and Oracle Pond

**Open all the time**

That's right hook-nuts, there are two fishing areas (Shadow Lake and Oracle Pond), located right on the grounds, for all the fishing action you like. Just bring your pole and cast out your bait to try and catch one of the many predators of the deep. You'll find such aquatic specimens as large bass, catfish, crappie, and the ever-elusive and witty bluegill. So if you're a true survivalist who likes to live off the land, get ready for some succulent fish, slowly roasted over an open fire. Mmmm, mm! That's some tasty vittles, done nature style!

## Inflatable Fun

Juggalo Grounds

**Fri. Sat. Sun. 11am - 7pm**

Sorry, this has nothing to do with blow-up dolls and Vaseline (you sick bastard). These are gigantic fighting games, inflated with air so you can get as wild as you like with no chance of hurting yourself. Battle with your friends, and humiliate them again and again in front of the crowd by making them eat the canvas first. Can you survive the onslaught to emerge victorious? We shall see.

my peanut-shaped friend, we shall see.

**Obstacle Course** - This gigantic 60' long by 15' tall inflatable obstacle course is a wonder to behold, let alone play on. Two contestants at a time race around, though, and over walls, ramps, pillars, tubes, and hurdles to see who can cross the finish line first. If either contestant beats the best time of the day, he or she earns a **Gold Star Certificate**.

**Jousting** - Here, opponents try to balance on a small platform, while bashing each other with large padded poles. Sound like fun? That's 'cause it is! Pummeling people relentlessly can be a lot of fun, especially when you send them falling on their asses, after giving them a crushing blow to the face. This sport is not for the timid, 'cause it's an all-out frenzy, with the weak being killed and eaten.

**Bouncy Boxing** - Step inside this giant inflatable ring where you and your opponent, wearing giant padded gloves, can lay waste to one another. What better way to release pent-up energies than by throwing blow after lethal blow on some half-witted dolt, brave/stupid enough to try to take you in the square of death. It's do or die time, but don't cry, my little cherry pie, just 'cause you got those swollen, tender eyes.

## Juggalo Wall of Fame

**Juggalo Wall**  
**Open all the time**

This giant wall is a way for all Juggalos to immortalize their presence at the Gathering 2003 by tagging it for all to see. Yes, my bumpy friend, you too can leave your mark by leaving your name, your thumbprint, a poem, or the outline of your foot. Then let it stand as a testament throughout all time that you were there - a part of Juggalo history. Also on display will be the past three Juggalo Walls of Fame.

## Paintball

**Paintball Zone (18 and older. Must have ID.)**  
**Fri. Sat. Sun.**  
**11am - 7pm**

Now is your chance to plaster your opponents with high-speed projectiles of paint, and let 'em know who the master is. Two teams of ten players compete against each other to see who will be victorious in a 15-minute game of death. Players will creep, duck, dodge, and roll in an attempt to stay alive as they search for their opposition in the dense foliage of the woods. Players are eliminated when a paint pellet hits any part of their body or gun. Referees will watch vigilantly to insure fair play. Weapons and armor will be provided to all players, but we highly recommend wearing a long sleeve shirt and pants that you don't mind ruining. Do you have the skill it takes to become a hunted hunter, and survive? Find out in this fast-paced game of adrenaline-fueled mayhem!

**NOTE:** If you are under 18 you can go to [juggalogathering.com](http://juggalogathering.com) and download the paintball waiver. Have your parents sign it, then bring it with you to play.

grabs. Everyone in attendance can bid. Starting bids are always low, so ninjas have a chance to walk away with a steal. After all items have been auctioned off, everyone who successfully won a bid gets to compete in a dice game to see who among them will win **25% of all the money made at the auction!!!** Another 25% of the total will be donated to IRSA (International Rett Syndrome Association), which is a very good cause. The action items will be on display in the Information Tent all day Thursday and most of Friday. For a complete list of every item up for auction, turn to page 28.

## RC Car Races

RC Track

**Fri. Sat. Sun. 11am - 7pm**

This huge outdoor racetrack has been designed for four competitors to duel it out with high-speed remote control cars. Don't think these races will be friendly, because these cars have been chosen for their high durability. So they can survive the constant ramming and side swiping they'll endure in the race. Oh, and better bring your nerves of steel, as this track is filled with multiple challenges, such as ramps, tunnels, and other obstacles. If a car is knocked off the track, it is eliminated. The first player to complete three laps wins the race and a *Silver Star Certificate*.

## Scuba Diving

Lotus Lake

**Thur. Fri. Sat. Sun.**

**10am - 7pm**

If you are a certified scuba diver and have the proper equipment, you may explore the lake's depths at your leisure. A good place to start would be exploring the sunken cruiser that is currently resting on the lake's bottom. Just make sure to follow all the safety precautions and regulations that are inherent in certified diving.

## Skydiving Exhibition

Lotus Beach

**Various times**

Periodically, skydivers will fall from the sky, throwing out free merchandise to those lucky enough to be below them. When and where they will strike is unknown, but they are reported to prefer landing on Lotus Beach and in Lotus Lake. Try to keep an

eye open, or you might get an unexpected bundle of shirts dropped on your head.

## Snorkeling

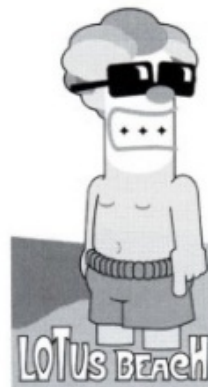

Lotus Lake

You like to snorkel? Then head down to the snorkeling area of Lotus Lake (marked on the map, see inside of back cover) where you will be given fins and a breathing tube to experience this truly fulfilling activity. A lifeguard will be close at hand, assisting people, and watching over the snorkelers for safety. You and your friends will be able to float along together as you take in the wondrous view of the lake's floor. See fish and aquatic life all around you as the underwater plants seem to dance in the waves. If you have never experienced this before, you do not want to pass it up!

## Swimming

Lotus Lake

**Thur. Fri. Sat. 10am - 7pm**

**Sun. 10am - 6pm**

So lay out chillin' on Lotus Beach, see who can swim a distance in the shortest time, start up a game of water polo, or float around on an inflatable raft - it's all good. Lifeguards will be on duty to ensure everyone's safety.

## Faygo Armageddon

Main Stage

**Sunday only 11pm**

Faygo cascades down upon the crowd like a waterfall of prismatic colors. An explosion of liquid sails to great heights, as madness engulfs the crowd in a frenzy of carbonation. A storm of Faygo rains on everyone, with a thunderclap of insanity. Juggalos are lost in a sea, upon waves of human emotion running wild. Strobe lights flash, seeming to capture images in slow motion, to be forever etched in our minds. This is the climatic ending to the Gathering of the Juggalos, that truly only symbolizes a beginning of friendships and unity that will last a lifetime. It is a final testament to the adventurous souls who ventured forth to share in one of the greatest moments in Juggalo history.

# GATHERING OF THE JUGGALOS 2003

# Late Night Events & Movie Descriptions

Just 'cause its late doesn't mean the party stops. These after hours events are for those ninjas who can't find their way to a private Juggalo party and don't care about such things as sleep or nourishment. They go deep into the night to insure that you get your freak on for as long as possible, as you become living proof that what goes up, doesn't necessarily need to come down.

They may also escape into the dark cool interior of the 100-foot long techno tunnel to sit on couches and max out. The whole area will be lit up by tiki torches, providing a luminous glow and a rustic feel. The theme of each night's party is described below.

## Movie Descriptions

In this section you will find the descriptions of psychopathic homemade movies that will be shown at the Outdoor Movie Theater. To find out the times these movies will be playing check out the late night timeline on page 34. Most of these were shot back in the day by Violent J, Shaggy, Alex Abbiss, and others. We

### A Man Called Frank

**Starring:** Shaggy (Allen), Alex Abbiss (The Lung Droid), Stefan Kudek (Dog-face Killa), N3 (Inspector Tudor), Jelly Nuts (Inspector Gleason), and Crazy Doug (Tom Perfecto)

In this police drama, a secret agent known as Frank is trying to stop the evil Tom Perfecto from stealing the crown jewels of London. Frank encounters a slew of Tom's henchmen, but with the help of his trusty sidekick, Dog-face Killa, and his superior intellect, he reigns supreme. Who will win in the final showdown between Frank and Tom? The suspense can be more killing than Dog-face Killa's twin gats!

### Trials of Agony

**Starring:** Violent J (The Euro-American Kickboxer/Dr. Voilence), Shaggy (thug/Dr. Voilence), Alex Abbiss (Ape Man/Bob Sweeny/Dr. Voilence), Jumpsteady (Scorpion), Jelly Nuts (Fist/Dr. Voilence), and Tall Jess (Doug Dakota)

This is arguably one of the best home movies Psychopathic has ever made. It is certainly the longest, and features the largest cast. It is the story of an evil organization, run by Dr. Voilence, that bootlegs rap tapes and hosts an annual fighting tournament in Hong Kong, where the losers are crippled or killed.

Two fighters from a previous tournament hire the legendary Fist to exact revenge for them against Dr. Voilence's most feared champion: The Monolith! Shot on location at Psychopathic's previous office in Novi, Michigan, this movie has love scenes, car chases, and fight sequences that might make John Woo laugh himself to tears, but are highly entertaining nonetheless.

### Let's Go Bargain!

**Starring:** Violent J (Bill Winkman), Shaggy (Harvey Davison), Alex Abbiss (Azod), and Chucky (Pizza Paul)

This super-funny infomercial is where the Azod character (as seen in Big Money Hustlas) originated. Here we see Azod trying to sell his juice machine, along with a bunch of other worthless oddities, to an audience of mindless stupid-asses who can't get enough of his fast-talking, con man ways. This one is well worth your time.

### The Warlock and the Toilet

**Starring:** Shaggy (the dad), Alex Abbiss (Wargon), N3 (the Dungeon Master), Jelly Nuts (Jason), and Tall Jess (Drednog)

This fantasy adventure movie is about a group of role-players who get sucked into another world that is surprisingly just like the fantasy game they were playing. This group of friends then bands together to survive the attacks of the evil wizard, Wargon, who summons demons to put an end to their lives. Of special interest is the fact that the first half of this movie was filmed seven years before the second half was finally completed. You should easily notice the change up when it happens.

### Tiger Justice

**Starring:** Alex Abbiss (the Boss), Jumpsteady (Mick), Jelly Nuts (Spider), Tom K. (thug), and Ben Rosenberg (Tony)

A drug kingpin, who goes by the name of the Boss, has a criminal lockdown over the city until a young girl accidentally winds up with a shipment of his cocaine. A group of his thugs are about to beat her up when Tony, a martial arts master, shows up to save the day. It all goes to Hell after the Boss's henchmen are sent in to kidnap the girl, sending Tony deep into the dragon's lair to save her. This movie was shot at Psychopathic's first office in Oak

cannot guarantee their quality, but they do provide a humorous glimpse into the cinematic history of Psychopathic. Also, keep in mind that no photos are allowed during these movies.

Park, and has a surprisingly entertaining performance by Jelly Nuts, as Spider, the Boss's crazed, knife-wielding henchman.

### The Evil Awakening

**Starring:** Alex Abbiss (Nomad Nomar), N3 (Professor Churchill), and Jelly Nuts (Commander Chucky)

The explorer, Professor Churchill, unearths an ancient evil skull in South Africa and takes it home with him, ignoring the warnings of Nomad Nomar, a tribesman from the area. Soon the skull's evil spirit takes physical form as the undead King Ultralasha, and wreaks havoc and death upon Churchill's ill-fated family.

### The Evil Awakening II

**Starring:** Alex Abbiss (Nomad Nomar), Jumpsteady (thug), N3 (Professor Churchill), Jelly Nuts (Commander Chucky), and Crazy Doug (thug)

The epic saga continues as Professor Churchill and Commander Chucky, possessed by King Ultralasha, start on a quest to take his skull back to Africa, where his power will increase a million times. However, all is not lost, as the professor meets with some unlikely allies to break the spell and battle the forces of darkness. The climactic end battle is legendary, as King Ultralasha takes on Nomad Nomar in a sword to head butt battle. Of special interest is one scene where two real cop cars come speeding around the corner of an alleyway, because a concerned citizen phoned the police, thinking the fight scene being filmed there was real.

### Big Silva Documentary

**Starring:** Violent J, Alex Abbiss, Jumpsteady, Mike P., Stefan Kudek, N3, Matt Lethal, Psychopatrck, Big Red, Southern Crumpet, Jelly Nuts, and Tall Jess

Shot on location at Psychopathic's current office, this documentary follows the life and practices of the destructive Big Silva. He is over 150lbs of pure duct tape, and has been on many tours with ICP, destroying everything from chairs to cars. Everyone at Psychopathic has love for Big Silva, and now you can hear his story. See plenty of interviews, as well as footage of him at work, and even in the studio laying tracks. Also see Big Silva in action as he destroys radios, computers, cases of Faygo, and much more!

### Dark Trail

**Starring:** Alex Abbiss (General Jake Blake), Jumpsteady (Canadian-American Flagbearer), N3 (Wilt), Jelly Nuts (John Torque), and Tall Jess (Xioptist)

The FBI gets its hands on an advanced copy of the book, *The Satan Hunter*, which contains information about an evil cult. Fearing that this knowledge will cause panic in the country, they send agent John Torque in to secretly infiltrate the cult and learn as much as he can. What he finds is more evil than he could ever have imagined. When the cult opens a portal to another dimension to bring in a terrible and ancient evil, John has a terrible choice to make. This is the most recently shot, technically advanced, and elaborate homemade movie that Psychopathic has ever filmed.

## Item 1 - Psychopathic Records Plaque Starting Bid - \$5 Rarity - Rare

This heavy, solid glass plaque is slightly worn, as it has been chillin' up at Psychopathic Records for about five years now. Made entirely of transparent, tinted glass, it would kill you if someone hit you with it. The letters are gray vinyl stickers. This item is the only one of its kind, and if it could talk, it would speak novels, as it was witness to just about everything.

## Item 2 - The Wraith Promotional Singles Starting Bid - \$5 Rarity - Rare

This item features three CD singles of the radio and street versions of ICP's song, "Juggalo Homies," from *The Wraith* album. Also included is the promotional vinyl featuring the

in mint condition. First is the very first ICP comic book ever made: the black and white *Wicked Clownz* (1993). It features the artwork of Shaggy 2 Dope and a story by Violent J that depicts ICP going from gang members to murdering clowns. This is perhaps the first specialty item that ICP ever made, and is a must for serious collectors. Also included in this collection is *Insane Clown Posse #1* (June 1999), *The Pendulum #1* (January 2000), which is very rare, and also features the even rarer Jeckel Brothers cover, *Hallowicked #1* (June 2002), and *Halls of Illusion #1* (June 2002).

## Item 4 - Wraith Clock Starting Bid - \$5 Rarity - Unique

This cheap plastic clock was a prototype that was never made. It is none-the-less very interesting. It features a large image of the Wraith, centered around six other Joker's Card images and six Hatchetman logos. This is the only clock of

its kind in the known universe, and it shall remain that way throughout all of time.

## Item 5 - \$100 Bill Starting Bid - \$1 Rarity - Common

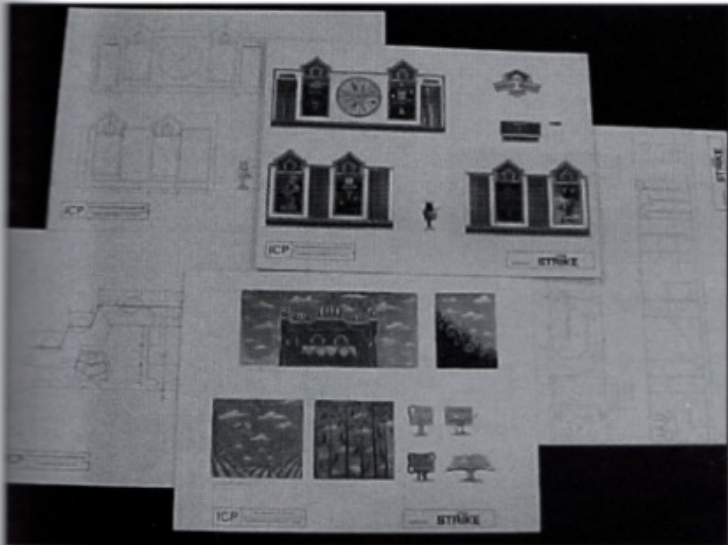

That's right, a crisp, legitimate, one hundred-dollar bill with no strings attached. It's the kind you wanna take to a strip club and slap a tittie dancer in the ass with. Is this a chance to make a little money and get in the dice game? Let's just sit back and see what happens with this one.

## Item 6 - Two Hallowicked 2000 Box Sets Starting Bid - \$20 Rarity - Very Rare

Only two thousand of these special gift boxes were ever made.

They were passed out at both of the 2000 *Hallowicked* shows. Unfortunately, some boxes were never claimed, and have since been sitting in the Psychopathic warehouse. Inside, you will find special *Bizzar* and *Bizaar* CDs that have a different cover and inserts than the originals, a special edition of Twiztid's *Freakshow* CD,

*Hallowicked 2000* CD, *Hallowicked 2000* T-shirt, promotional flat, and sticker, and a numbered certificate of authenticity. These slightly dented boxes are among the last of those not claimed, and will never appear for auction again.

All of these diagrams were approved, and the stage set and trailer have since been made and used for their respective purposes.

## Item 8 - Riddle Box

Collection

Starting Bid - \$10

Rarity - Very Rare

Both of these items are extremely rare! The first is a "Chicken Huntin'" sampler, still in its original plastic wrap! These samplers were passed out during the *Riddle Box* era to help promote the album. It includes the full "Chicken Huntin'" song, snippets from other songs, and an amusing portrayal of a circus entertainer trying to entice a crowd inside so he can steal their souls. The other item is a mint condition original *Riddle Box* Christmas shirt. This was sold during the 1995 Christmas show. It could very well be the only one still left in existence! It features a red and green *Riddle Box* wearing a Christmas hat on the front, with "Merry Fuckin' Christmas Bitch" on the back.

# Auction Items

this a chance for you to walk away with a total steal? Once the highest bidder has paid for the Mystery Box, it will be opened, and the contents revealed to all. Slpaaaa! Slapping you in the face with it! Indeed, it's taking a risk, but remember, you'll never make it great at anything by playin' it safe!

**Item 11 - Four Giant ICP Poster Proofs**  
**Starting Bid - \$5**  
**Rarity - Unique**

These four huge (6' by 4 1/2') posters are the proofs for the Insane Clown Posse stand ups. They feature the band in their new Wraith paint schemes standing against a green background. These proofs have since been approved, and turned into the wraith promotional stand ups. These

posters appear nowhere else, and were never for sale.

**Item 12 - Framed Poster Proof**  
**Starting Bid - \$20**  
**Rarity - Unique**

This devastating poster was a prototype, which for some reason was never made. It is the only one of its kind in existence. It features an artistic collage of various artists on Psychopathic, including ICP, Anybody Killa, Zug Island, and Esham. Nicely mounted in a black frame, it is also autographed by the artists themselves, making this a true treasure to adorn your wall.

**Item 13 - Debonair Male Slave**  
**Starting Bid - \$1**  
**Rarity - Uncommon**

This suave, charismatic, and able-bodied stud is here to be of service to whoever bids the highest. He has many female admirers, and now he can be all yours, Sunday between 11am and 6pm. As a slave, he will perform any task you lay out for him, as long as it does not break

his own morals or is sexual in nature. So have him hold your place in line, clip your toenails, or carry you on his back. The limits are only left up to your imagination, and who knows where things could lead? Perhaps you'll find a new friend, perhaps more.

**Item 14 - Sexy Female Slave**  
**Starting Bid - \$1**  
**Rarity - Uncommon**

This young, attractive, and curvaceous Juggalette is the fantasy and dream of many a Juggalo. Her expert services are up for grabs to the highest bidder so that you can have your very own personal escort. She will do whatever you ask as long as it does not break her own morals or is sexual in nature: anything from massaging your shoulders, to carrying your bags, to looking for a friend of yours. Don't think of her as a friend, think of her as a slave, 'cause that's what she'll be from 11am to 6pm on Sunday. Hey, who knows, you two might just hit it off, but with a body like hers, you would probably end up being her slave when it was all said and done.

**Item 15 - Ultimate Vinyl Sticker Collection**  
**Starting Bid - \$5**  
**Rarity - Very Rare to Unique**

This is a mixed collection of 40 prototype and rare vinyl stickers (all are 8" except one of the Psychopathic ones, which is 13"), and

No matter what, you'll never find a more diverse, rare collection of stickers!

**Item 16 - Framed Jack  
Jeckel Jersey**  
**Starting Bid - \$30**  
**Rarity - Unique**

This jersey, nicely mounted and matted in a large and expensive frame (2 1/2' by 3 1/2'), has the autograph of every single artist currently on Psychopathic Records. Taken right from Psychopathic Records' office, this art piece was made specially to adorn its walls with flavor. It is one of the best items for auction this year.

**Item 17 - Ringmaster  
Clown Suit**  
**Starting Bid - \$20**  
**Rarity - Unique**

This suit has somewhat of a history. It was made for Insane Clown Posse's performance at the very first Gathering of the Juggalos. Then it was stolen by a juggahoe from the backstage area, and not seen again for two years. Amazingly, the idiot who took it, tried to sell it, but

through a string of connections we got it back before he made a dime. It is in perfect condition, and one of the first ones ever made.

**Item 18 - Three  
Violent J Michael  
Jackson Jackets**  
**Starting Bid - \$50**  
**Rarity - Very Rare**

These were all used during The Wraith Tour, by Violent J, himself, during his Michael Jackson routine on stage. They are incredible pieces of work, and utterly eye-catching. One is gold, another

blue, and the third black. All are 100% sequined-out sparkly devastation. These very large jackets have seen it all, yet are in perfect condition!

**Starting Bid - \$50**  
**Rarity - Very Rare**

Every time a Joker's Card drops, Psychopathic has a fresh-ass jacket made so that its artists and employees can represent on tour. This item is one of the brand new Official Wraith Tour jackets. This white and blue XXXL jacket has a huge Wraith image on the back, as well as three Joker's Card images on each sleeve.
