We make our own way.

Like the carnivals of old, traveling on from town to town, opening our doors to one and all. Our barkers beckon and out rolls the show.

In come the crowds, to witness the wonders, to play in the games, to stare at the sideshows. Some merely watch, but there are others who seek something more. Some need more than just a show, and they come in...

We do our own thing.

Some of us find the show in our daily lives. Some of us ARE the show, and need more to be entertained. We need the chance to shine, to be ourselves in a place for ourselves, where the show is just for us, and the crowds are there to laugh with us, never at us. A place with a spectacle so grand that nothing can compare. A show for the strong, the ones who need more...

We are ourselves.

For just once every year, the Juggalos have a chance to find it all.

Here, the show goes on all around. The crowds turn out and the Carnival comes to each and every one. They can find everything they never knew they wanted, and they can find themselves. They find each other, all in one great place. For four days they can forget everything else and just be part of the show. They can be free, and have a little fun. At the Gathering of the Juggalos, the choices are limitless...

Starts Thursday, July 21st at 10 am  
Ending Monday, July 25th at 10 am

24-Hour Event / All Ages

Crystal Forest  
12001 Nelson Ledges Rd  
(Route 282)

## Set-Up / Tear-Down

Events on the first day of the Gathering are purposely light. Thursday, July 21st is designed to be a set-up day for everyone coming into the Gathering. Much of the flavor of the Gathering – such as Juggalo Court, Club Krunk, and Merchandise Pavillion – is going on, but no seminars, autographs, or other events occur until evening. This way, everybody has a chance to settle in, maybe take care of some shopping or catch up with some long-lost homies before the true devastation begins.

Monday, July 25th is designed as a tear-down day. The only things happening after ICP's Sunday night performance are the Blow-Out Goodbye Party and the Hold 'em Tournament Finals. Many people end up taking off right after the last concert on Sunday night to beat the rush. Everyone needs to be out of The Crystal Forest by 10 am on Monday, July 25th, so it wouldn't hurt to pack up your car early if you're planning on staying up Sunday night.

## Parking Lot

This free, outdoor Parking Lot is on the property of Nelson Ledges Archery LLC, conveniently located across the street from The Crystal Forest, and has plenty of parking space for everyone. You may park your car here and cross the street to enter The Crystal Forest. You must have a Gathering Amulet AND Wristband to get into the Parking Lot; those without an amulet and wristband will be escorted off the premises. **NO FIRES OR TENTS ARE ALLOWED IN THE PARKING LOT UNDER ANY CIRCUMSTANCE.** People looking for a place to hang out for a while can chill in the Hospitality Tent located at The Crystal Forest. The Parking Lot is heavily guarded 24 hours a day, making it an ideal location to secure your goods inside your car.

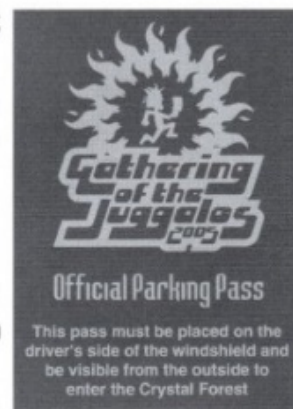

Local health and safety regulations strictly forbid any sort of camping, partying, or otherwise excessive lingering in the Parking Lot. When you're at your car, you either need to be on your way to The Crystal

Forest or on your way back to your hotel. Under no circumstances may you camp or sleep in the Parking Lot. Doing so will result in your expulsion.

The ONLY exception to the rules above is for the Juggalo Car Show Competition. On Saturday after 10 am, a designated area of the Parking Lot will be provided where ninjas will be able to peep all the entries. If you decide to check out the entries in the Juggalo Car Show, we ask that you do not loiter in the area; that you peep the flavor and head back to The Crystal Forest or your hotel as soon as you're done viewing. Doing otherwise would be against local safety regulations and will result in your expulsion.

## Camping

All campsites are located right on the grounds where all the excitement takes place. Most are deep in the wooded areas, allowing for a fair degree of privacy, shade, and sense of outdoor adventure. All of these natural campsites come complete with a fire pit, but do not include running water, electricity, or hookups for RVs (although RVs and campers are welcome). Pick-up trucks loaded with firewood will cruise around, selling wood for your fire-building needs. Cars with an Official Parking Pass may enter the gates to the Crystal Forest campground, all others should park in the Parking Lot across the street. One Parking Pass will be sent with each campsite certificate, to the person who purchased the campsite. Stickers should be placed on the inside windshield, on the driver's side, of the car that will be parked at the campsite. Only one car with an Official Pass will be allowed per site. At the campsites, radios and noise from any source should be kept extremely low after 11 PM. All campsites can be easily located using the map on the front inside cover. There are three types of campsites and the rules for them are listed below:

### FULL-SITES:

These are the typical campsites that previous attendants of the Gathering are accustomed to. Owners of these sites may camp up to 10 people on their campsite, and have up to 3 tents and 1 vehicle. Vehicles bigger than mini-vans count as a tent AND one vehicle (meaning you can only have 2 tents on the site if you have a van, truck, or other big vehicle). RVs are permitted, but you may not have any tents set up if you have one on your site. These sites offer a bit more space, but there aren't as many of them, so people who aren't able to get one and desire more privacy can always opt for a hotel.

### CAR & TENT SITES:

These campsites are half the size of the Full-Sites, accommodating only one car and tent. Like a Full-Site, you MAY have vehicles bigger than a mini-van on your site, but in this case, you may not have any tents. Car & Tent Sites are too small to have RVs. You may have up to 5 people on each Car & Tent Site. Every Car & Tent Site shares its "location" or "site number" and firepit with a Two-Tent Site.

### TWO-TENT SITES:

Like Car & Tent Sites, these campsites are half the size of a Full-Site. You may have up to 2 tents and up to 5 people, but you may not have any vehicles on the site. Each Two-Tent Site shares its "location" or "site number" and firepit with a Car & Tent Site.

Basically, the majority of the campsites are split in half now, so your crew and one other crew must equally divide the site space into two. Work it out amongst everyone who is camping on the campsite where your respective tents will be, and just be cool with each other. People with Car & Tent and Two-Tent Sites will get the email address of the people they're sharing their campsite with so they will have a chance to coordinate anything they need to in advance. You can even trade your tent space (or car space) with your site-mates if you like, but no matter what, the site is limited to 3 tents, 1 vehicle, 1 firepit, and all other Ohio State Camping and Health regulations. As a guideline, the crew with the

set up towards the back of the site and Car & Tent Sites should be towards the front of the site, granting their car access to the road. All tents must be kept at least 5 feet apart from each other and tents must be kept 10 feet away from an adjacent site's tent or from any fire pit.

Officials will be inspecting campsites to make sure that everyone is following these rules. Due to regulations, any tents set up in an area outside of an official campsite will be taken down. Also, cars parked in The Crystal Forest outside of an official campsite will be towed.

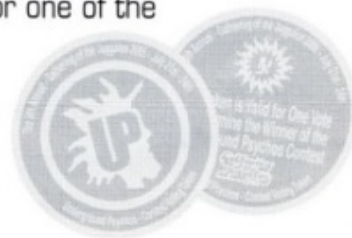

### Amulets & Wristbands

Your Gathering Amulet and Wristband are also your ticket into the Gathering of the Juggalos. No one will be allowed to enter The Crystal Forest without BOTH their Amulet AND Wristband. Our comfortable, high-tech wristbands are tear-proof, water-proof, and non-transferable, and incorporate the latest anti-counterfeiting technology. Likewise, the amulets are made of industrial-age metals, featuring a phat design that makes everyone without one envious.

### Underground Psychos Vote Token

Along with your Amulet and Wristband, you will have also received an Underground Psychos Vote Token. This token is used to cast your vote for one of the two Underground Psychos finalists that will be performing at the Gathering. After both have performed on Friday, casting your vote is simple: there is a large, labelled bin near the Info Tent. Simply drop your vote token into the slot designated for the finalist you wish to vote for. Do not lose this token if you wish to vote for one of the Underground Psychos finalists; new tokens will not be available.

## Important Rules

These are the few, simple rules you must respect when at the Gathering. They are simply to insure that everyone has a good time and stays safe & legal. We ask that you respect The Crystal Forest by obeying all the rules described below, and to do your part to help make sure others do as well. Also, we ask that you help keep the campground clean by using trashcans and properly disposing of cigarette butts.

- 2: No fishing in Lotus Lake (fishing is allowed in Shadow Lake and Oracle Pond).
- 3: The speed limit while in The Crystal Forest and Parking Lot is 5 mph. - 5: Anyone hurting wild animals will be thrown in jail and banned from returning to The Crystal Forest.

- 9: No alcohol or smoking on Lotus Beach.
- 10: Don't litter, especially true at campsites. Campsites should look like it did before you set up. If any campsites are especially trashed, the person who ordered it may be prohibited from getting future campsites at the Gathering.

## Services

### Information Tent

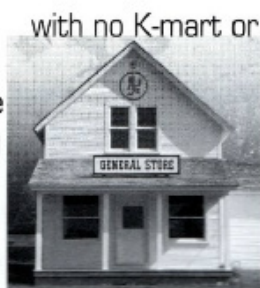

Psychopathic selects only the most mentally masterful ninjas to serve at the Information Tent. This is a central hub of activity where Juggalos can go for directions, emergencies, or the answers to various queries – but if you want to know where your dirty drawers went, it's better not to ask! The Info Tent is also the place to get on the Volunteers List, get another Gathering Booklet or map, or check the Lost and Found. These ninjas have such amazing powers of perception and deduction, they may even have your problem solved before you get there! Prepare to drool in stupefied awe!

Psychopathic Records wants the Gathering to be a positive experience for everyone involved, so don't be afraid to bring any questions or concerns to the Information Tent. Psychopathic Records and its subsidiaries are not responsible for theft or loss, but you may report any instances at the Info Tent.

### General Store

Out in the middle of the woods, 7-11 in sight, you're gonna need someplace to buy stuff. Well, the General Store will have everything a growing Juggalo could ever need, short of love slaves or bondage gear. Who knows, with Psychopathic ninjas in the house, you might even be able to score some of that on the down-low! We really need to keep Juggalos from leaving the park unnecessarily, so we do our best to stock anything you could need right here. The store will have disposable cameras, batteries, cold beverages, snacks, Faygo, flashlights, hygiene items, and even clown make-up. If we don't got it, you don't need it!

### Food Court

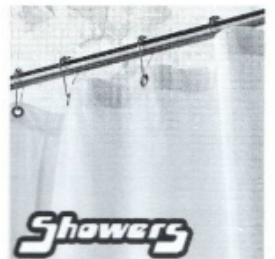

Be sure that the growl you hear deep in the woods isn't your stomach! After a long day exploring all of the mad amounts of flavor the Gathering has in store, every Juggalo's gonna need to eventually stop and get their snack on. The concession stand is the place to go for a meal, for the munchies, or just for a Faygo. We promise a plethora of dining sensations, the finest food a carnival in the middle of the woods has to offer! You won't even have to hunt the chickens... unless you really want to.

The Rib Shack is still in full effect, along with the classics: hotdogs, hamburgers, pizza, salad, nachos, fries, and elephant ears imported directly from the elephant exhibit at the Toledo Zoo! You can eat your food in the shade at a picnic table in the dining area, or carry it with you to the next event!

### Showers

It's not quite Diamond Rain, but the Showers are a comfortable, sanitary way to wash that sticky Faygo out of your hair, or the sand out of your crevices. Separate male and female hot showers will be available from 8 AM to 4 AM (it is closed from 4 AM to 8 AM for maintenance). The shower trailers also provide a sink and mirror for you to get pretty in, along with a dressing room, but there will be a five minute maximum shower per person to ensure that lines flow quickly.

### No More Bag Check

Now that we've got across-the-street parking, where you've got access to your wheels within walking distance whenever you need it, the need for bag check – and the long-ass lines that went with it – is gone. That means that there will be no bag check

# Rules & Info

this year... Instead, we'll have ninjas keeping an eye on the parking lot, so that you can just bring your stuff back to your car and lock it up there and not sweat it. For those of y'all that were there last year, that's another bone line that's been eliminated, making things smoother at this year's Gathering!

## Hospitality Area

While not a place for Juggalos to stay permanently, those needing a temporary place to crash between partying can take a nap at our convenient and scenic Hospitality Area. It's not much more than a big tent where you can curl up and be out of the sun/rain, but it works for a quick rest when you need one.

The Hospitality Area is not intended for long-term use, and as such anyone staying there should not leave items they bring in unattended. You'll probably want to leave your big items in your car or your hotel room. Likewise, please recognize that this is a public area, and as such you should make every effort to keep it clean and tidy.

No campfires of any sort are permitted in the Hospitality Area, nor are any tents allowed. It's just a place where you can rest when you need to get away from it all.

## Security

We've taken many steps to make sure that this year's Gathering is a safe and secure event. Security personnel are here to protect you; please respect them.

## Wear Your Amulet and Wristband!

Inside security will be looking for your Wristband AND Amulet, so keep them on you at all times! These items are the only way they can tell who is supposed to be in the park, so don't lose them. Anyone caught without these items will be asked to leave the park.

## Inside the Park

We've got security guards scattered throughout the park on patrol to make sure you and your campsites stay safe and secure. They're not there to restrict you in any way, just make sure that you and everyone else are safe and secure. If you're having trouble of any sort, please feel free to stop or call to the nearest security guard and ask for help. That's what they are there for!

## Border Patrol:

To keep uninvited guests out of the campground and out of your personal stuff, we've got a small army of trained guards patrolling all edges of the campground, checking for any signs of activity where it shouldn't be. Anyone sneaking around will be thrown out of the park, and if they come back, will be detained and possibly face charges. No one will be getting into the park without an Amulet AND Wristband.

## Cars on the Campground:

If you have a campsite, you get one car pass that you can have on one car. Without that pass, any car coming up to the park will be turned away. Once inside, you are highly discouraged from taking this car in and out of the park, leaving for emergencies only. There are a lot of people at the Gathering, and to keep things safe and flowing we just cannot have people driving about during the event. Once you drive in, you're there to stay.

## Parking Lot:

For most everyone, you'll be driving to the parking lot, parking your car, and walking across the street to The Crystal Forest. While this does mean your car will be unattended in the Parking Lot for an extended period of time, it doesn't mean it isn't safe. We have security patrolling both the interior and borders of the Parking Lot, looking for anyone suspicious and watching over every vehicle to make sure that nothing happens to any one of them.

## Roadside:

The roads around The Crystal Forest are patrolled by police at all hours of the day. They will stop and question anyone they see walking along the side of the road (or in the road). Likewise, any cars stopped on the side of the road are likely to be questioned, and any cars parked on the side of the road will be towed. Unless you have a campsite, you want to drive directly to the parking lot and walk across the street into The Crystal Forest

## Volunteer Assistance

The Gathering isn't just FOR the Hatchet Family, it TAKES the whole Hatchet Family to make it happen. Every ninja from Psychopathic will be there freakin' it, but they need all the extra help they can get, especially since a few always seem to disappear into the forest, never to be seen again... Donate your digits or your dome to a good cause and help out by Volunteering. Available jobs include: fire watch, clean-up, trash detail, and security. Hit up the ninjas at the Information Tent at any time to get yourself on the Volunteer List, and give us a few hours of your time. Psychopathic appreciates these generous Juggalos, and promises them an honorable mention on the website, as well as mad props all around! And, if we see that you're freakin' it as a volunteer, we may give you a call when we're filling jobs for next year's Gathering! This may be your only chance to run with Psychopathic Records, come down and see what it's really about!

## Merchandise

Every day, 11 am - 7 pm  
A roving band of gypsies appeared within The Crystal Forest to set up the most Bizzare of Bizaars, and are prepared to give up the freshest swag that Hatchet Gear has to offer. You'll find this carnival of commerce deep within the Psychopathic Merchandise Tent, at a central location on the Juggalo Grounds.

Gathering vets know that this is where the newest freshness debuts, but this year we guarentee so much new, exclusive flavor, your body will undergo a metamorphic change into something fitting for the darkest reaches of The Crystal Forest! We'll have great new and rare merchandise for all the Psychopathic artists, Juggalo and Juggalette gear, a brand new Transfer-T-Shirt booth, and of course, Gathering of the Juggalos 2005 swag that'll make your eyes pop!

The prophecy began over ten years ago, when the Carnival of Carnage took its place as the first mighty Joker's Card. As the Carnival moved on, the prophesy grew, evolved, spread worldwide and became legend. Whole nations quaked in fear, as the Insane Clown Posse took the world as their stage, warning that the Carnival was coming, and that it would consume all. Now it's 2005, and as the daytime festivities come to a close, and evening falls across the Crystal Forest, a mighty sound builds from the center of the Carnival grounds. Soon the Juggalos will gather before the Main Stage, and their voices will rise with the sounds of wicked music. The lights will come up to reveal thousands of painted faces, and all will know the Carnival HAS come, and it is here! Let those who doubt fall deaf before our mighty sound! Let the show begin!

THURSDAY NIGHT

## Opening Bands 5 pm

We've assembled the very best in up-and-coming talent from all around to get the Gathering rolling with a BANG! Starting at 5 pm, you'll be assaulted by a barrage of bands, beating beats into your brain like a

bombing battery! This ongoing concert is a showcase of tomorrow's who's who, and not to be missed! You never know where these talented musicians may go after this, and you can say you saw them back when it all started!

## Opening Ceremony & Dark Lotus 10 pm

On certain occasions, the darkest fears of all mankind will come together and take shape. Every sin, every desire, every nightmare that spills over must eventually collect somewhere, and for the Juggalos it gathers under the sign of the Lotus. From the darkness, six shapes emerge, and six voices must be heard. The only way to survive the darkness is to confront it, and you will have the chance when Dark Lotus emerge again at the Gathering 2005. Six Psychopaths come together to take us all back into the Dark...

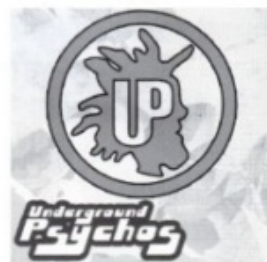

FRIDAY NIGHT

## Underground Psychos Finalists 6 pm

If you've been paying attention, you may have heard of a little old thing called Underground Psychos. Yeah, it's just a contest... to determine the next legendary talent from Psychopathic Records! Well, it all comes down to these two finalists and how well they freak the flavor, dish out the devastation, and whip out the wig-flipping freshness. You, yes you, are the ones that will vote on these two finalists and you can tell all your homies that you were there when the newest Psychopathic artist was added to the label. Don't miss your last chance to see them both at once, for only one of them moves on from this performance!

## Mini-KISS 6:30 pm

You wanted the littlest, you got the littlest! Ahhhhh, Juggalos, look what we got here. You want facepaint? We got facepaint. You want a circus? We got your circus, and now we're putting it all together with Mini-Kiss. It's all the classic rock at half the size! Get ready to headbang, but watch your kneecaps! Throw up your devil horns, but not too high, or the guy behind you will miss the band! This will flip your wig down to waist-level, and it's good for at least a laugh, but don't be surprised when they rock! It's all the sass with half the mass, don't miss Mini-Kiss.

tearing up the metal scene in southern California all on their own, when they lucked into national attention. Their hard work and harder sound got them here, and their unrestrained, high-energy performance will tear up the Crystal Forest. Hatchets and devil horns meet headlong in the Manntis moshpit!

## Esham 9 pm

So you want a little taste of that A-1 Yola? Then best make way for the Original Godfather of the Wicked Shit as he brings it in by the truckload! Esham has been dishing out the underground goods for over fourteen years and this lyrical gangsta is setting up shop on the Gathering stage. From darkest days to angelic ways, then right back at ya with that old school made new, this Boogiemaster will have you jumping straight out of your skin! You better prepare yourself for this show, because when it comes to the Wicked Shit, there is nothing like being schooled by the master!

## Jumpsteady 7:15 pm

What's that whirling sound echoing through the leaves of The Crystal Forest? Best duck and check your nugget to see if its still on its rest, because the Master of the Flying Guillotine has one important mission: to school you so hard that everyone at the Gathering needs to have their heads reattached! The one and only Jumpsteady will be wielding lyrical devastation in a whipping fury that cuts the evening sky so sharply that air itself screams in horror! The Gathering can't possibly try to stop any of this freshness, it can only hope to contain it... for the benefit of all in attendance!

## ABK 10 pm

Get your reflectors on and wear something bright, because when this Road Fool hits the stage it won't be on foot... it will be in an out-of-control RV crashing through the mighty trees of The Crystal Forest! Best hold onto your scalp because this Hatchet Warrior plays for keeps! The medicine man that is ABK will bring to the stage some serious shamanistic magic that will cause all in attendance to experience a spirit quest like no other! Psychopathic's own Native American hip-hop killa will be feeling the Juggalo love, and exploring his roots in the perfect setting - up on stage and deep in the woods! Put on the warpaint and get schooled by the one and only ABK!

## Manntis 8:15 pm

As the shadows lengthen between the trees, and the fog rolls in at the Crystal forest, the stage is set for some Heavy Metal! Headbanging Juggalos won't be disappointed this year, as Manntis storm in to fill the void in 2005. These guys were

SATURDAY NIGHT

## Fresh Kid Ice and Fish & Grits, formerly of 2 Live Crew - 7 pm

ICP may be The Most Hated Band In The World, but these guys're the most controversial. They pissed off everybody from soccer moms to the Supreme Court! We're talkin' some First Amendment shit, just for rappin'!

The problem is, with all the controversy, everyone forgot about their music, and the fact that they could bump. They pioneered deep bass beats and booty rap back in the day, and they can still get live today. These former members of 2 Live Crew will be offending universally at the Gathering, cuz they're As Nasty As They Wanna Be!

## Blaze 8 pm

Ya just can't keep a dead homie in the ground! The earth will burst open like a horrific 'quake that everyone in Ohio will feel. Bringing all of his tricks from the crypt, Blaze rises onto the stage like a revenant soul, ready to school all in attendance with a taste of the darkside! Ghoulish and Gangsta combined into an unstoppable combo of terror, Blaze a.k.a. Colton Grundy'll test your sanity with his spectral skills on the mic! Get ready for a touch of madness and don't be shocked if you have to pick your wig up off the ground!

## Powerman 5000

9 pm

Hardcore? Hard Rock? Funk Metal? Who knows, but their lead singer says what they do is 'as close as I can get to being an actual superhero,' which sounds fresh to us. They've also been described as 'psychotic rock,' which is only a few syllables away from 'psychopathic,' so that must be good. Don't take our word for it, these maniacs of modern music will take the stage 'like a kung-fu kick to the head' and drop one of their legendary stage shows at the Gathering 2005.

## Twiztid 10 pm

Two serial killers. Two smacks to the dome. This year, Twiztid is packing twice the punch, and their wig-splitting hatchery will hit twice as hard. There's an awful lot for these busy blunt-smokers to pack into one show, but the Juggalos know the Twiztid twins will pull it off. Separated at birth, reunited while escaping the insane asylum, only to be struck by lightning and granted horrible powers, Twiztid will let their story loose at the Gathering 2005... all merging into one magnificent miasma, right in front of your mortal eyes. The Crystal Forest will give birth to the most horrific Juggalo creation ever witnessed, and all that was hidden will be revealed. Don't miss this show, Juggalo, or you'll kick yourself... twice!

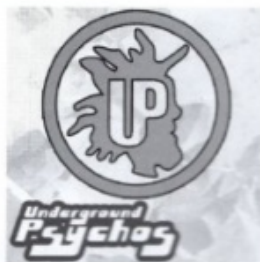

Sunday Night

## Underground Psychos Winner

6 pm

If you caught the contest on Friday then you'll definitely want to be here when Psychopathic Records announces the newest addition to its rogue's gallery. This is it, the newest act takes its place with the Fam. So stop whatcha doin' and get to the Main Stage to witness a great moment in Hatchet History!

## Ronin

7 pm

It ain't easy bein' white boys in the rap underground. Psychopathic knows a little about that. These guys are comin' outta Seattle with a distinct style and powerful skills, with 5 guys intertwining the fastest, sickest cuts around. They've already got labels lookin' at them, so Juggalos take note, you'll be seein' more of these guys.

## TechN9ne

8 pm

You may know him for his music, or maybe just for his hair, but Tech N9ne is getting himself known. Juggalos returning to the Gathering will remember his set from last year, where the beats were flowin' and the Hatchet love was showin'. Juggalos were feelin' him, the Juggalos demanded him, and now he's back: the unforgettable, unmistakable original, Tech N9ne!

## Mack 10

9 pm

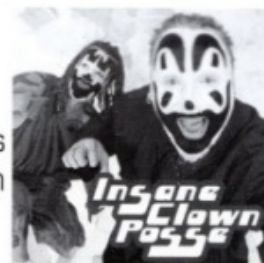

Mack 10 held it down with ICP on the Hell's Pit Tour, and now he's back again! A real gangsta rapper, Mack 10 brings a dose of west coast to the Gathering, takin' the Crystal Forest back to the streets. This guy knows his hip-hop, but he also knows Juggalos, and the Hatchet's happy to have him back. Don't miss out when the O.G. Mack 10 gets up in this bitch!

## Insane Clown Posse

10 pm

And you thought it was over with Hell's Pit?! That's just The Calm in the air before the devastation begins... and you know the ultimate of ultimate devastation is going to break that stillness when ICP hits the stage! With all the Juggalos and the entire Dark Carnival in full effect, the Wicked Clowns will be coming at you like a mad twister tearing up the country side and leaving nothing but destruction in its wake! In the depths of The Crystal Forest, surrounded by Juggalo love, tapping into the magic energies spawned and sustained by this most monumental of events, be sure that anything can happen, and as the Gathering draws to a close with ICP's performance on Sunday night, you know that it will!!!

TNA is throwing its greatest into the ring with the likes of former NWA/TNA Champion Jeff Jarrett, TNA Tag Champions James Storm & Chris Harris of America's Most Wanted, 3LK's Ron Killings, TNA Superstars Abyss, Chris Sabin, D-Ray 3000, Zach Gowen, and Petey Williams & Scott D'Amore of Team Canada!

Axehandles and moonsaults await as JCW puts up its craziest in the forms of the Insane Clown Posse's Violent J and Shaggy 2 Dope, legendary former ECW & JCW Champion Sabu, hardcore legend and former NWA & ECW Champion Terry Funk, former WCW Tag Champion Lenny Lane, former WWF & WCW Superstar Headhunter SAMU, Rhyno, JCW Superstars Mad Man Pondo, 2 Tuff Tony, Corporal Robinson, and newest JCW Superstars 1-Ton Hillbilly and Too Tall Ninja!

It's going to take powerful personalities (and just as crazy characters) to make sure this all goes down without detonating into a nuclear explosion. To keep the non-biased tip, the refereeing will be taken care of

by TNA Ref Rudy Charles and JCW's own A.T. Huck, with each wrestler being introduced by TNA Star and Event Ring Announcer Jeremy Borash! And returning out of retirement, to make sure anyone who breaks the 'rules' of the Weekend War gets a taste of hardcore punishment, is the New Commissioner of JCW, The Rude Boy!

This is it wrestling fans: TNA vs JCW, their lineup against ours, their credentials against ours, the showdown to end all showdowns is here and it will be ALL OUT WAR!!!

## Wrestling Try-Outs

### Wrestling Stage

Thursday, July 21st, Noon - 5pm

Think you're hardcore? You watch JCW, and think: "I can do THAT!" Well, it's time to ante up and show your stuff! Oh, but it won't be easy, cuz our judges are the most ruthless wrestlers in the world, and the fans aren't real friendly either! These guys eat thumbtacks for breakfast, and they won't hold back if you're whack! If you've got some moves, and can take some bumps, you may actually amuse them, and if that happens, you may just get the time-honored chance to wrestle alongside them! Just sign the waiver, available at the ring, and take your chances. Two wrestlers will be hand-picked from the bloody pile, and paired up for a tag-team match during the Main show on Sunday! So, if a homie's got your back, and you both dominate, you can go together, otherwise, leave that buster behind, and we'll pick someone for ya. So start lifting Buicks and chewing barbed wire NOW, and you just might be ready to wrestle in the JCW ring!

Rules: First come, first entered. All participants must present a waiver (available on-site.)

Note: Acceptance into the JCW Try-Outs or to the actual JCW match does not necessarily guarantee further membership or participation in future JCW events.

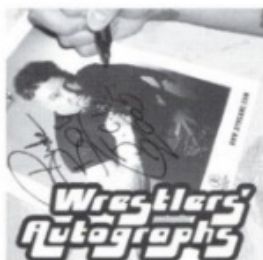

## Wrestling Autographs

Wrestling Stage

Friday, July 22nd, 5 pm - 6 pm

Saturday - Sunday, 5 pm - 7 pm

JCW wrestlers love to give back to their fans. In the ring they give up blood, sweat, limbs, and kidneys, but outside the ring they can meet up in person, and in safer surroundings! Since a handshake with these guys could take your arm off, we felt the best interaction would be good old autographs. Put your life in their hands, and come away with a precious souvenir and most of your limbs intact!

## Ring Girl Competition

Wrestling Stage

Friday - Sunday, 1 - 2 pm

This classic, classy competition has expanded this year, to allow all the lovely ladies an equal chance to get involved. The girls will compete each day before JCW, and then perform during the wrestling for that day. That means any Juggalette could wake up to a normal morning, and by afternoon find herself a star! It takes a star to make it in this competition, cuz the only thing more demanding than a JCW wrestler is a JCW fan! The Ring Girl needs to work the crowd, make a lot of noise, and dodge pools of blood and flying bodies while carrying a cue card. Remember, this is JCW, so costumes and craziness are encouraged! If you've got what it takes, we've got three chances for you to prove it. Just be sure to bring your waiver (available on-site.)

Rules: Females 18 and over only. Contestants must have filled out an online entry form or fill out an entry form on-site, and will also require a waiver.

Prizes: A chance to share the Wrestling stage with all the JCW stars!

## Juggalette Faygo Wrestling

Wrestling Stage

Thursday, July 21st, Midnight - 2 am

Ah, we love the Juggalettes! We've got plenty of events where they can take the stage and demonstrate their finer attributes of poise and decorum. This is not one of them. This event skips all the ladylike prissiness and goes right to the beat-down! Yes, ladies, this is your chance to show that you can rumble like the big boys, smear some bitch-ass all over the stage, and look good doing it! It's bikini-clad juggalettes whipping ass, and all that's missing is the whipped cream. Just like our dedicated JCW wrestlers, the winner will also get a one-of-a-kind wrestling belt, which she will probably want to wear after a good shower! This one's for the tough Juggalettes, 18 and over please. If you haven't pre-entered, just show up a half hour before the show!

Rules: Females 18 and over only. Contestants must have filled out an online form or fill out a form on-site, and will also require a waiver.

Prizes: The Juggalette Faygo Wrestling Championship Belt!

Note: Acceptance into Juggalette Faygo Wrestling or winning the Juggalette Faygo Wrestling Belt does not necessarily guarantee further membership or participation in future JCW events.

With this many Juggalos in one place, we gotta put that energy to some use, so here's a whole carry tent full of contests for that ass! This isn't just for props either, we got some fresh flavor y'all can take home witcha: one-of-a-kind prizes that say "I was the shit, I was the freshest, I'm your Daddy, bitch!" The competition is friendly, but the games are ruthless, so bring your best and check out a contest. We got all kinds, so maybe there's one just right for you! Come check it out!

It's gonna take heart, soul, and hotness to earn this title, and these girls better bring it in spades. There's two days of elimination rounds, and finals on the last day. ## Hold 'em Tournament

Wooden Stage

Thursday - Saturday, Midnight - 5 am

(Eliminations)

Sunday, July 24th, Midnight - 5 am (Finals)

We realize that not every ninja has athletic prowess, or performing skills, and that every ninja like to win stuff. This is the tournament where ANYONE can walk away a big-ballin' playa! Big or small, short or tall, all you need is a poker face and brass

balls, and you could make off with the loot! This is the Juggalo Poker Tournament, and it's going down big-time! There's a tournament every night, and the final prize will flip wigs worldwide! There is no entry fee, but only the first 64 ninjas in line before each tournament will get in. It starts with 2 tournaments per night, Thurs-Sat, with 3 winners determined for each tournament.

3rd place gets a certificate for \$60 in merch, 2nd place gets a \$100 certificate, 1st gets a \$160 certificate AND entry to the final tournament. The six 1st place winners from each tournament enter the Grand Prize Tournament Sunday night, where they face off against two big ballin' guest ninjas from Psychopathic, who are jumpin' in to keep the loot with the label. What bling could be so fresh? Drum roll please... It's a one-of-a-kind, solid gold Hatchetman charm, iced out in red rubies! For real! This thing is custom-made for this event, and its ruby-red playa flava will drive sane men psycho! It's the best game in town, and the Gathering's where it's going down!

Rules: 64 players will be admitted at the beginning of each tournament, first come, first served. You must be in line to get in. Each player will be given the equivalent of \$250 in chips to start with. Players will be sharing the role of dealer at their tables, so each player should expect to play AND deal. Once eliminated from a tournament, players must leave the playing area. Players finishing without a prize may re-enter future tournaments. If a player wishes to quit prior to elimination, he/she MUST inform an official game moderator. Moderators will then divide up that player's remaining chips amongst his/her table. No training, instruction, or assistance will be offered, only experienced Hold-Em players should enter. Any cheating will lead to permanent removal from all poker tournaments. Since poker chips are limited, any removal of chips from the playing area will meet the same penalty as cheating. Officials will be enforcing game rules, direct questions to them.

Prizes:

**ELIMINATION TOURNAMENTS:**

1st place receives a \$160 merch certificate and entry into the final tournament

2nd place receives a \$100 merch certificate

3rd place receives a \$60 merch certificate

**GRAND PRIZE IN FINAL TOURNAMENT** receives a Solid Gold, Red Ruby Iced Hatchetman charm

We're giving them the keys, and free reign of the Gathering! We're also giving them Upchuck the Clown as a chaperone, to make sure everyone behaves. Hey, you've seen how this guy behaves, so it's sure to be fresh either way!

## Juggalo Car Show Competition

Parking Lot, Will Call, Main Stage

(See below)

Saturday, July 23rd, 10 am (Evaluation)

Sunday, July 24th, Noon and 3 pm

(Semi-Finals & Finals)

Being from the Motor City, we know something about cars.

We also know that Juggalos got some of the pimpest, tricked out rides around, and their cars do more than bump. It doesn't matter if you got a '74 Pinto or a shiny new Lexus, all you need for this contest is style, heart, and a hootie that turns heads. This is the chance for your wheels to get out of the lot and into the attention they deserve, first in a special area of the parking lot, then in a caravan over to the main stage, where they will hold

the place of honor for Sunday's shows. Here's how it's gonna go down: On Thursday and Friday, park normally. On Saturday at 10 AM, owners AND their cars should go to the Will Call area of the Parking Lot for evaluation. A Psychopathic representative will authorize 50 cars to move into a designated area of the Parking Lot, where Juggalos and Psychopathic ninjas will be able to peep all the entries. On Sunday at 12 Noon all owners MUST be present for the finals, where Psychopathic will select 10 cars to move over to the Main Stage. If you're not there, you DON'T get picked. From that we pick the top three winners, who all get exclusive car plaques. They'll roll up to the Main Stage at 3 PM, where the crowd will pick a Grand Prize winner, to get a bomb-ass trophy! Make sure your tank is filled, and your ride is road-worthy, and may the pimpest ride win!

**Rules:** Entrants must be at Will Call at 10 AM Saturday, and in the Car Show area at 12 Noon Sunday.

**Prizes:** 3 top finalists get exclusive Car Plaques, 1 Grand Prize winner also gets a massive trophy.

# **Notes**

# Seminars

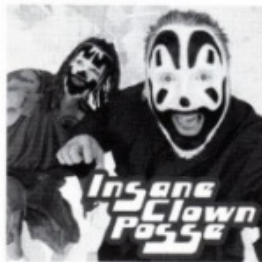

"Seminars" is a funny word. You may've heard it associated with boring shit like selling vacuum cleaners, professorial lectures, or touchy feely self help groups. It takes a unique individual to deal with all the insanity that pops up on a regular basis, and that individual can be none other than Alex Abbiss! President of Psychopathic Records, Manager of the Insane Clown Posse, and the Don that gets things done behind the scene... it's rare when he can find the time to talk about it all. ## Underground Psychos Seminar

Seminar Stage

Saturday, July 23rd, 4 pm - 5 pm

We had to put them each on a different day, to keep them from killing each other!

# Autographs

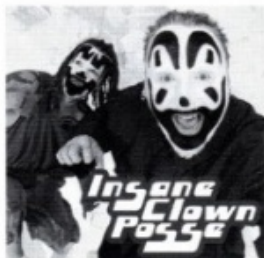

The Juggalos are the best fans in the world, so we give them what they want! And one thing we give them is stars with pens ready to sign autographs. We make sure they exercise their stabbing hands to get conditioned for this event, and put them on a strict regimen of ax-swinging and dead body dragging to keep them in shape, so they can sign anything the Juggalos bring before them. It's up to the Juggalos to get creative, so their favorite artists don't get bored and start sticking pens into eye-holes! Line up and get a chance to meet your favorite Psychopaths, and take home a one-of-a-kind souvenir, right on your favorite body part, even!

## ICP Autographs

## Esham Autographs

### Autograph Tent

Friday, July 22nd, 2 pm - 4:30 pm

The Godfather of the Wicked Shit doesn't often sign anything: there's just too great a risk that the feds will get a hold of it and use it to incriminate him in some illegal activity... which, of course, Esham isn't connected to.

Really! We're serious! Okay, but we are serious when we're saying that Esham will be in full effect to sign your swag. Just make sure you're not wearing a wire!

## Waterslide

Main Concert Area

Every Day, Noon - 7 pm

If the swimming and cliff-jumping aren't enough, we've got something that combines them both! It's a cheap thrill and a quick way to cool off, a great way to break up your day. This sucker's 28 feet tall, and 40 feet long, with water shootin' out all over the place. What else do we need to say, it's a waterslide!

## Fishing

Shadow Lake ONLY

Ready to find out what plumbs the depths of Shadow Lake?

Stick in your pole and find out!

This is not for the light-hearted, and is recommended for those with catch-clubbing experience.

If you're all about it, then let's see what turns up in the frying pan over your fire. Pull something out of the lake, before it pulls you in first!

off each day, and three days of drawings, so don't miss your chance

Drawings will be held on Friday, Saturday, and Sunday. Prizes will go on display Thursday at the Info Tent, where you can buy tickets for those prizes all of Thursday and Friday morning, until the winning numbers for those prizes is announced announced on the Main Stage at 1:30PM. Juggalos holding winning tickets will then step forward **IN THE ORDER THEY WERE DRAWN**. The winners will go back to the Info tent and line up **IN THE ORDER THEY WERE DRAWN**. The first person then gets to choose 1 item from **ALL** the prizes displayed. The next person will get to choose 1 from what's left, and so on. If a number is called, and no one is present at 1:30 to get in line, that winner will be skipped until all the winners who **WERE** there make their choices. After 1:30PM Friday, we put up the prizes for Saturday's drawing, which you can buy tickets for until the drawing at 1:30PM Saturday. Same deal for Sunday. So be at the Main Stage at 1:30PM if you want the good stuff!

**Rules:**

- 1) 1 ticket for 1 dollar.
- 2) You can buy as many as you want.
- 3) If you are not present to line up when winning numbers are called, you lose your place in line for choosing prizes. If you have a winning number and miss the 1:30 line up, you **MAY** come get a prize later in the day, but you may only pick from the prizes **LEFT OVER FROM THE DAY YOU BOUGHT YOUR TICKET ON**. You may not pick from the prizes on display for the new day
- 4) We will not ship or store prizes, so if you want it, you better have somewhere to put it.

 Drawings at 1:30 PM Fri, Sat, and Sun  
 Location:

Prizes on display and ticket purchasing at Information Tent. Winning numbers announced 1:30 PM each day at the Main Stage, Friday - Sunday.

**Promo Tent**

**Main Concert Area, Near Merch Tent  
 Everyday, All Day**

Looking to promote your underground band, website, car club, secret cabal, mysterious society, or anything else that is worth promoting? Well, this is the place for you! If you want ninjas to peep your flyers and ads, listen to your CD samplers, or get their hands on any other type of promotional material, then stop on by the promo tent and enjoy the free publicity! If you're someone with something to say, or if you want to peep out all the flavor, then this is the tent for you!

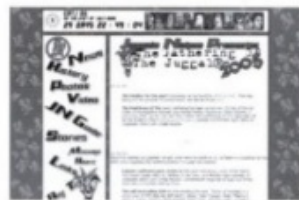

We all know that everybody's got stories from past Gatherings and we wanted to know about 'em. That's why we announced this year's Gathering of the Juggalos Website Contest! We wanted to hear the stories, see the pics, relive the memories, and let everyone know just what they're missing if they've never been to a Gathering before.

Ninjas hooked up their websites with the freshest of flavor from any of the previous Gatherings and submitted it online. Four winners were chosen (on the right) to have a spot at the Promo Tent at the Gathering - with Internet access - to hype up and promote their website! And, of course, since you need people at the booth, they each were hooked up with two tickets to the Gathering!

Mad props to these talented ninjas, as well as everyone that participated in the contest.

# Late Night Flavor

Just 'cuz the sun goes down and the concerts are done doesn't mean the party stops! In fact, it usually means that the Hatchet Family is about to go bump in the night, and the treel parties are just getting started! We've got more flavor than Baskin Robbins for all you insominac Juggalo out there, and you'll see freshness jumpin out from shadows like serial killers all night long! Keep a hatchet raised and your homies nearby, cuz these woods are lookin scary!

## Charlie Murphy

Seminar Stage

Saturday, July 23rd, Midnight - 1 am

The Crystal Forest may be as far from Hollywood as you can get, but we still want our True Stories! You may've heard of Chappelle's Show (you know, the one with Rick James and that other guy from Half-baked), and you may've noticed the funny guy who looks like Eddie Murphy. Well, that's his brother, Charlie Murphy, and that's who we got at the Gathering 2005. It's ruthless, truthful comedy, guaranteed to keep your ass laughin' into the wee hours of morning with Late-Night Stand-Up!

## Magician Michael Mirth

Main Stage

Thursday, July 21st, Midnight - 2 am

Friday, July 22nd, 5 pm - 6 pm

Saturday, July 23rd, Midnight - 2 am

The Crystal Forest is a place where ley lines converge, natural energy cascades, and psychic emanations convene, so why not throw in a little magic? Amidst the mystical mysteries, among the magnificent manifestations, we bring you a mighty magician, Michael Mirth! A master of his craft, with spells to cast and wit to match! His tricks will mystify, his skills will stupefy, and he's alot nicer than Milenko! Don't miss the magic show!

## Hypnotist Bob Faith

Main Stage (Saturday),

Seminar Stage (Thursday & Friday)

Thursday - Friday, Midnight - 2 am

Saturday, July 23rd, 5 pm - 7 pm

So you think your mind is your own? That none can bend your iron will? That you'd never put on a tutu and ballerina-dance? Well we're bringing in a master of captivation, and your mind is his to thrall! It's the ancient art of hypnotism, and he will become your commander! All ye doubters and critics may come forth, and behold a show of undeniable wonders! Your mortal hearts shall tremble, and your simple minds shall befuddle, as Hypnotist Bob Faith bends even the strongest to his will!

## Burning Man

Crow Island. Can be viewed from most shores of Lake Lotus

Friday, July 22nd, Midnight - 12:30 am

Striking fear into the hearts of kindling everywhere, it's the incendiary specter we call the Burning Man! Last year he broke his own world record burning time of over 3 minutes, so who knows what's in store this year? If you've never seen a two-legged fireball running laps, then check this out!

## Late Night Fights

Wrestling Stage

Friday and Saturday, Midnight - 2 am

Maniacs in hockey masks and serial killers may be scary at night, but they're nothing compared to the fighters Psychopathic is turning loose! This is the Juggalo version of Ultimate Fighting, and it will be a full-contact beat-down! These are highly trained ninjas, and each one wants to be the last killer standing. It's up to Juggalos to represent for the real ninjas, and punk the wannabes! Because of the sheer brutality we're preparing to unleash, these fights are NOT open to the general public. Juggalos are free to watch and heckle, but not to participate. The blood and fists are sure to fly, and the ambulance will be standing by!

## Club Krunk Parties

Club Krunk Tent

Thurs., Midnight - 5 am (Pajama Jam)

Fri., Midnight - 5 am (Costume Party)

Sat., Midnight - 5 am (Performance Night)

The shows may close, but the Psychopathic party don't stop! Club Krunk lights up the night in The Crystal Forest for 2005! Formerly located on the

Main Stage, the All-Night Party is now Club Krunk, and moved into a tent. These new digs have the same live atmosphere, with more room for more party. With new Theme Nights, this is the all-out, after-hours, Juggalo Jam that you shouldn't miss!

Pajama Jam: It's Juggalos jammin' in their jammies. Whether you sleep in the nude or in a mumu, this partie's about your nighttime groove. Dress for bed, then stay up all night!

Psychopathic Costume Party: Tonight's the night to look Psychopathic. You could dress up like the Ringmaster, or wear your mama's dress like Norman Bates, it's up to you. The Juggalos are the only judge, so represent and recognize, and give props all around.

Live Performance Night: The band ain't just in the speakers, they're in the house! We've got a surprise live show for you, and they're gonna own this club. Staple your wig down, and be prepared to get live up in this bitch!

## Blow-Out Goodbye Party

Club Krunk Tent

Sunday, July 24th, Midnight - 5 am

And if you thought that Club Krunk couldn't get fresher than that, then hold onto your hatchet, 'cause you're likely to throw that bad boy high in the air and catch it in your teeth. So, instead of splitting your skull in half with some Hatchet Hijinx, make sure you head on down to Club Krunk for the blow-out goodbye party! This is the biggest send-off you can imagine and, with nothing lined up for tomorrow except tear-down, everyone should be there, and we do mean EVERYONE! You know how live it gets when the Gathering comes to a close. You know that this is the last night to hang with all your homies, old and new, before you head off to your homes across the nation, or abroad. What better way to celebrate it then by hitting up Club Krunk and expanding your limits of Krunkitude?
