Quiet Zone

It happens in the streets, when we're runnin' side by side, in or out of another day's flavor. It happens in hallways, when we hook up with homies to walk through together. It happens at a hundred hideaways where somebody gets up on a stage and lets out some lyrics. It happens in basements, just beside the eyes of those who might catch us. It happens when you're handed that album, the one that changes what music means to you. It happens when we find each other and feel the word family. It happens all the time, in any place where we're not alone, where we feel the flavor of friends and

freshness, but it only, truly goes down once a year. When it's all of us in one place. When it's all of us and a stage, all of us and some games, all of us and enough flavor to make a ninja's head spin. When it's all of us who have never met, but are Juggalo family nonetheless. It's the Gathering of the Juggalos, it's all of us and more...

OF THE JUGGALOS

The 7th Annual

Gathering of the Juggalos 2006

Starts: Thursday July 13th at 10 am

Ending: Monday July 17th at 10 am

Open 24 hours/day—All ages

The New Lotus Fields (Frontier Ranch)
8836 York Road Southwest
Pataskala, OH 43062
Licking County

Parking Lot

The outdoor Parking Lot is free for all Gathering attendees. It is located right on the Lotus Fields property, and is literally right next to the first camping areas. There is plenty of room for everyone, and there are attendants to make sure everyone and everything is safe. You must have a Gathering amulet AND wristband to use or even enter the Parking Lot; those without an amulet and wristband will be escorted off the premises. **NO FIRES OR TENTS ARE ALLOWED IN THE PARKING LOT UNDER ANY CIRCUMSTANCE.**

The Parking Lot is heavily guarded 24 hours a day, and a locked car is a much safer place to store your goods than a tent.

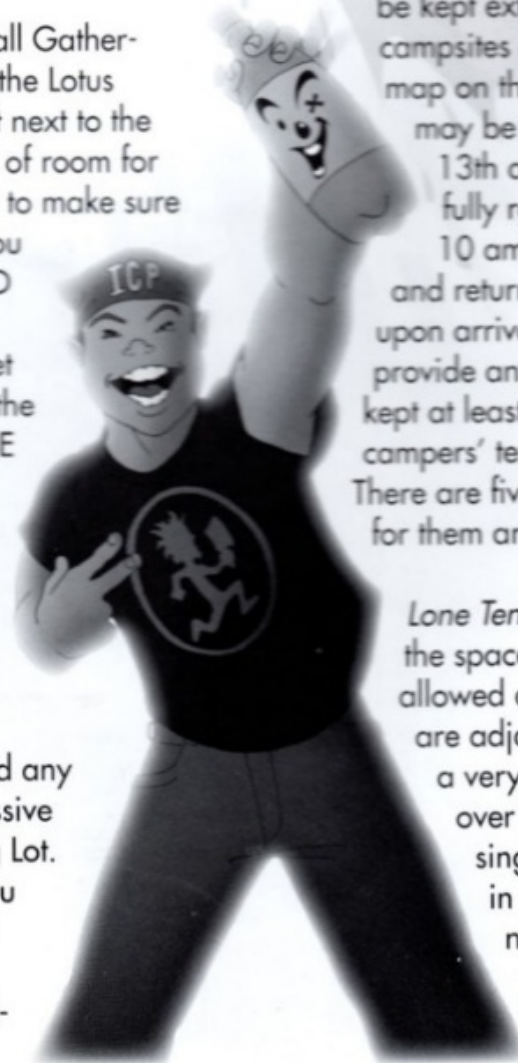

Health and safety regulations forbid any sort of camping, partying, or excessive lingering or loitering in the Parking Lot. When you're in the Parking Lot, you need to be on your way to or from your car. Under no circumstances may you camp or sleep in the Park-

ing Lot, doing so will result in your expulsion from the Gathering.

Camping

All campsites are located right on the grounds where all the excitement takes place. There are different areas for camping, depending on the type of site you purchased. Certain campsites come with a fire pit, but none of them include running water, electricity, or hookups for RVs (although RVs and campers are welcome at RV or VIP sites). You may only bring a car to your campsite if you purchased an RV, car, or VIP campsite. Only one car is allowed per campsite. All others will have to park their cars in the Parking Lot and walk over. At the campsites, radios and noise from any source should be kept extremely low after 11 pm. All campsites can be easily located using the map on the back inside cover. No campsite may be set up earlier than Thursday, July 13th at 10 am. All campsites must be fully removed by Monday, July 17th at 10 am. Campsites must be cleaned up and returned to the condition they were in upon arrival, or you will be fined. You must provide any and all tents. All tents must be kept at least 10 feet away from any adjacent campers' tents, and 5 feet from the road. There are five types of campsites and the rules for them are listed below:

Lone Tent Sites: These campsites provide the space for one tent only. No cars are allowed at these sites, ever. These sites are adjacent to the Parking Lot, so it is a very short walk to bring your gear over without a car. You may set up a single tent no larger than 10' x 15' in size on your campsite. You may not have a campfire of any sort at your site.

Split (Two-Tent) Campsites: These sites have more than enough space for two tents, or even two groups with two tents. Two different groups may be sharing these campsites. Your party can only have two tents set up, on your part of the campsite. If you are sharing the site, work out how the site is divided with the other group, and come to the Info Tent if there is any conflict. No cars are allowed on these sites, but with your bigger crew, carrying your gear from the Parking Lot should be no problem.

Car Campsites: You may have one vehicle and up to three tents set up at these campsites. Any larger vehicles, like trucks or vans will be considered a tent, as well as the vehicle for this site (so basically your big-ass truck makes you give up one tent spot). You may NOT keep an RV, camper, or similar-sized vehicle on these sites. Cars at these sites are expected to stay parked except for emergencies.

RV Campsites: You may have one vehicle of any size set up at these campsites. You may not have any additional tents or structures on the site, but awnings or screen rooms ATTACHED to your vehicle are fine. Each of these sites has a fire pit for camp fires, and all vehicles or attachments must be at least 10 feet away from it. Any vehicles at these sites is expected to stay parked except for emergencies.

VIP Campsites: You may have one vehicle and up to three tents set up at these campsites. Any larger vehicles, like trucks or vans will be considered a tent, as well as the vehicle for this site (so basically

your big-ass truck makes you give up one tent spot). You may NOT keep an RV, camper, or similar-sized vehicle on these sites. Cars at these sites are expected to stay parked except for emergencies. You must not act shitty to your fellow Juggalos just because you have a VIP site.

Officials will be inspecting campsites to make sure that everyone is following these rules. Due to regulations, any tents set up in an area outside of an official campsite will be taken down. Also, cars parked on the campgrounds outside of an official campsite or the Parking Lot will be towed.

Set-up / Tear-down:

Keep in mind that no one may set up their campsites sooner than Thursday at 10AM, and we ask that you do not show up earlier than this under any circumstance. On Monday, nothing will be open whatsoever, as this is the official tear-down day. Everyone will need to be cleared out of The Lotus Fields and the Parking Lot by 10 am.

Fire Wood

Fire Wood will be available at a stand next to the Info Tent, and will be sold from at least two trucks driving around the park. We encourage Juggalos to stock up early, cuz it's a big park, and it may take these trucks a while to get around. Mind the rules about campfires: they are not allowed on Lone Tent sites at all, and must be at least 10 feet from tents, cars, or structures, and five feet from the roads.

Amulets and Wristbands

Your Gathering Wristband and Amulet are also your ticket into the Gathering of the Juggalos. No one will be allowed to enter The Lotus Fields without BOTH their Amulet AND Wristband. Our comfort-

The 7th Annual
GATHERING
OF THE JUGGALOS

able, high-tech wristbands are tear-proof, water-proof, Faygo-proof, and non-transferable, and incorporate the latest anti-counterfeiting technology. Likewise, the Amulets are made of industrial age metals, featuring a phat design that makes everyone without one envious. Your Amulet and Wristband **MUST** be visible on your person at all times, so "I got drunk and swallowed it" is not an acceptable excuse.

Important Rules

The rules for 2006 are pretty much the same as every year, and as anyone who comes to the Gathering can attest, they do not affect the level of devastation it can achieve. They are simply to insure that everyone has a good time and stays safe & legal. We ask that you respect The Lotus Fields by obeying all the rules described below, and to do your part to help make sure others are as well. Also, we ask that you help keep the campground clean by using trashcans.

1: The speed limit while in The Lotus Fields and Parking Lot is 5 mph. For safety concerns, once a car is parked at a campsite in The Lotus Fields it may not be driven around or inside The Lotus Fields, nor may it leave and return. This extremely important rule is necessary to maintain safety, and will be strictly enforced. The only exception is for emergencies.

2: No cutting of trees, dead or alive, or damaging plant growth (\$500 fine).

3: Anyone hurting the wild animals, amphibious creatures, or birds will be thrown in jail and banned from returning to The Gathering of the Juggalos.

4: Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages. An ID must be presented for any purchase of alcoholic beverages at the Lotus Fields.

5: Please be conscious of your noise level. Music should not be played at high levels at any time, and all music and noise must be kept to a minimum after 11pm.

6: Children must be supervised by adults at all times.

7: Don't litter. This is especially true for campsites. Your campsite should look like it did before you set up. If any campsites are especially trashed, the person who ordered the campsite will be charged a fine, and may be prohibited from getting a campsite at future Gatherings.

8: Careless, destructive, disrespectful, or bothersome conduct will not be tolerated. Show respect to all Gathering, Psychopathic, or Security personnel. Refusal to do so will get you removed from the Gathering. Bring any problems, disputes, or conflicts to the Info Tent.

9: Do NOT record the performances. You're welcome to bring in video cameras or other recording devices, but keep them tucked away while at the shows. Anyone caught filming one of the concerts will have their recorder confiscated (you'll get it back if you're nice, but otherwise, we're keeping it).

Restricted Things:

- Glass containers, and glass of any kind
- Video camcorders (not allowed at concerts; allowed at seminars only with speaker's permission)
- Non-disposable cameras (due to bootleggers)
- Tape recorders
- Paintball guns
- Animals of any kind
- Paint (other than the kind that goes on your face)
- Weapons or other dangerous objects
- Large kegs of beer, and excessive amounts of alcohol (personal supply only)
- Distribution of promotional material except for Open Mic performances.
- Nitrous tanks
- Fireworks
- Woodworking tools
- Stickers
- Anything that makes others faint, duck or vomit
- Underwear that fails to cover your hairy crack

All cars entering The Lotus Fields and Parking Lot will be visually inspected to search for the above listed items. Except that last one. Ew.

Good Things to Bring:

- Camping gear (tents, survival rations, flashlights, sleeping bags, rain gear, etc.)
- Towels
- Disposable cameras
- Backpacks and travel bags to carry stuff in
- Bug spray and bug torches

- Cell phones and communicators
- Ninja suits, and costumes of any kind
- Sexy Jugalles
- Face paint
- Folding chairs
- Juggalo pride
- Love and presents for your favorite Psychopathic employee!

Information Tent

Psychopathic selects only the most mentally masterful ninjas to serve at the Information Tent, and it's open 24 hours. This is a central hub of activity where Juggalos can go for directions, emergencies, or the answers to various queries--but if you want to know where your dirty drawers went, it's better not to ask! The Info Tent is also the place to get on the Volunteers List, get another Gathering Booklet or map, or check the Lost and Found. These ninjas have such amazing powers of perception and deduction, they may even have your problem solved before you get there! Prepare to drool in stupefied awe! Psychopathic Records wants the Gathering to be a positive experience for everyone involved, so don't be afraid to bring any questions or concerns to the Information Tent. The Info Tent will get it done!

Food Court

Be sure that growl you hear deep in the woods isn't your stomach!

After a long day exploring the mad amounts of flavor the Gathering has in store, every Juggalo's gonna need to stop and get their snack on. The concession area is the place to go for a meal, for the munchies, or just for a Faygo. We promise

The 7th Annual
GATHERING
OF THE JUGGALOS

a plethora of dining sensations, the finest food a carnival in the middle of the Lotus Fields has to offer! You won't even have to hunt the chickens... unless you want to (no harming the wildlife, for real). All the classic concessions are in effect, including: hotdogs, hamburgers, pizza, salad, nachos, fries, and elephant ears imported directly from the elephant exhibit at the Toledo Zoo! You can eat your food in the shade at a picnic table in the dining area, or carry it with you to the next event!

Convenience Store

Out in the middle of the Lotus Fields, with no K-mart or 7-11 in sight, you're gonna need someplace to buy stuff. Well, the Convenience Store will have everything a growing Juggalo could ever need, short of love slaves or bondage gear. Who knows, with Psychopathic ninjas in the house, you might even be able to score some of that on the down-low! We really need to keep Juggalos from leaving the park unnecessarily, so we do our best to stock anything you could need right here. The store will have disposable cameras, batteries, cold beverages, snacks, Faygo, flashlights, hygiene items, and even clown make-up. If we don't got it, you don't need it!

ATMs

We strongly recommend that Juggalos bring enough money to suit their needs, and keep it on

hand, in a safe place. However, we will be providing ATM machines for your convenience. They can be found in the main areas of the Gathering, for directions hit up the Info Tent. Users are responsible for all transactions at the ATMs. No refunds will be offered.

Showers

It's not quite Diamond Rain, but the Showers are a comfortable, sanitary way to wash that sticky Faygo out of your hair, or the dirt out of your crevices. Separate male and female hot showers will be available 24 hours. There's a room for dressing, but there will be a five minute maximum shower per person to ensure that lines flow quickly. You should also bring all your own toiletries, including towels, as none will be provided.

EMT/ Ambulance

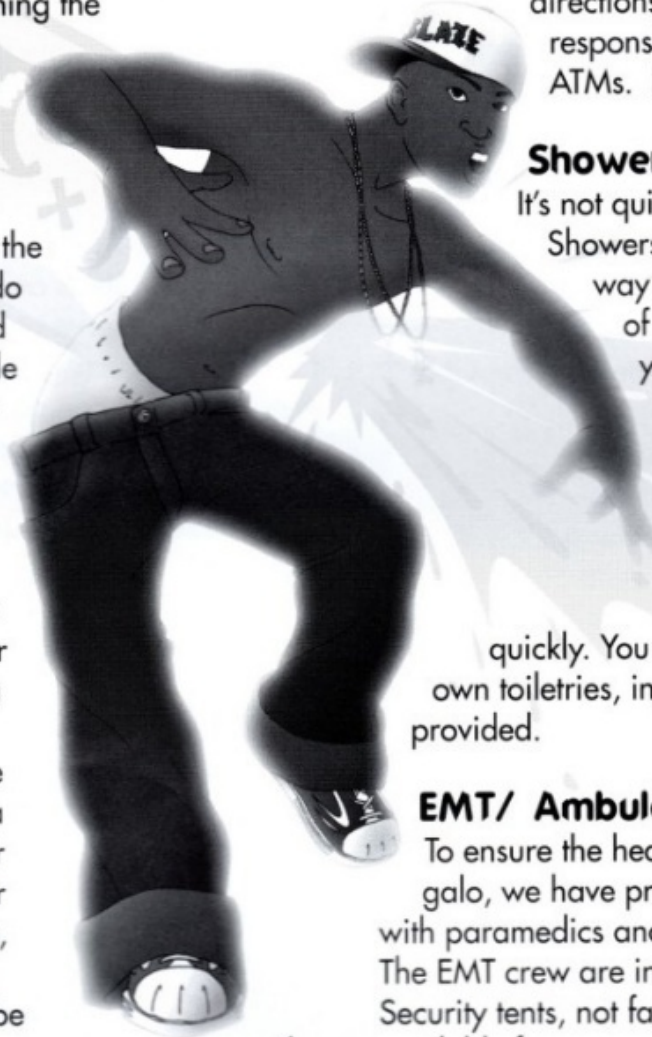

To ensure the health and safety of every Juggalo, we have provided an EMT tent complete with paramedics and a 24-hour on-site ambulance. The EMT crew are in a tent near the Sheriff and Security tents, not far from the entrance. They are available for any serious injuries or medical emergencies that may occur, and we ask that Juggalos only go to them with serious problems. However, don't be afraid to get checked out if you're not feeling right, cause sunstroke and allergic reactions can be a bitch!

Security

We've taken many steps to make sure that this year's Gathering is a safe and secure event.

Wear Your Amulet and Wristband!

Security on the inside will be looking for your wrist-

band and amulet, so keep them on you at all times! These items are the only way security can tell who is supposed to be in the park from those who aren't, so don't lose them. Anyone caught without an amulet and wristband will be asked to leave the park.

Inside the Park:

We've got security personnel scattered throughout the park on patrol to make sure you and your campsites stay safe and secure. They're not there to restrict you in any way, just make sure that you and everyone else are safe and secure. If you're having trouble of any sort, please feel free to stop or call to the nearest security person and ask for help. That's what they are there for!

Cars on the Campground:

You may only bring cars into the camping areas if they are to be parked on a Car, RV, or VIP campsite. Only one car is allowed on each of these sites. The car or its driver should have the appropriate campsite pass available at all times, and security will be checking for them. Any cars without campsite passes, or cars caught breaking the one-per-site rule will be asked to leave, and may not be allowed back to the Gathering. Once inside the camping area, you are prohibited from taking this car in and out of the park, leaving for emergencies only. There are a lot of people at the Gathering, and to keep things safe and flowing we just cannot have people driving about during the event. Once you drive in, you're there to stay.

Parking Lot:

For most everyone, you'll be driving to the parking lot, park your car, and walking directly to all the flavor inside The Lotus Fields. While this does

mean your car will be unattended in the Parking Lot for an extended period of time, it doesn't mean it's not safe. We have security patrolling both the interior and borders of the Parking Lot, looking for anyone suspicious and watching over every vehicle to make sure that nothing happens to any one of them. Your car and everything in it will be 100% safe while you're in the Gathering.

Roadside:

The roads around The Lotus Fields are patrolled by police at all hours of the day. They will stop and question anyone they see walking along the side of the road (or in the road). Likewise, any cars stopped on the side of the road are likely to be questioned, and any cars parked on the side of the road will be towed. Unless you have a campsite, you want to drive directly to the parking lot.

Volunteering

The Gathering isn't just FOR the Hatchet Family, it TAKES the whole Hatchet Family to make it happen. Every ninja from Psychopathic will be there freakin' it, but they need all the extra help they can get, especially since a few always seem to disappear into the forest, never to be seen again... Donate your digits or your dome to a good cause and help out by Volunteering. Available jobs include fire watch and clean-up, and whatever bones may come up. Hit up the ninjas at the Information Tent at any time to get yourself on the Volunteer List, and give us a few hours of your time. Psychopathic appreciates these generous Juggalos, and promises them mad props all around! And, if we see that you're freakin' it as a volunteer, we may give you a call when we're filling jobs for next year's Gathering! This may be your only chance to run with Psychopathic Records, come down and see what it's really about!

FRIDAY PERFORMANCES

F.I.L.T.H.E.E. Immigrants

Time: 7:00 pm Friday

Location: Main Stage

Filthee and company were tearing up the streets of L.A. even before they hooked up with

Psychopathic. If you haven't seen them, or been in a crowd saying that seven letter word, then you just ain't been around, Juggalo! They put it down on the Hell's Pit tour, and were recently invited by Shaggy himself onto the FTFO Tour. Gathering 2006, they drop their politically-driven, melodic hip-hop flavor on the Main Stage, and if you miss them this time, you're missing out!

Wolfpac

Time: 8:00 pm Friday

Location: Main Stage

Once upon a time, Daddy Long Legs left another Philadelphia-area band, the Bloodhound Gang, to make more ferocious music with his own band, Wolfpac. But forget ancient history, all you need to know is that Wolfpac are DOWN, they sound like rap's ugly brother banging metal's grungy cousin, and they always show up with strippers and schoolgirls in tow. These guys are vets of the Underground, and of many Psychopathic shows, and this'll be one more show to remember. Come run with the fuckin' Pac!

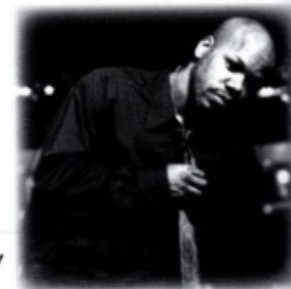

Too \$hort

Time: 9:00 pm Friday

Location: Main Stage

Freaky Tales, bitch! The one and only Too \$hort, from Oakland by way of Atlanta, baby! Whether he's droppin new shit, old shit, it don't matter. His shit is always BUMPIN. He hit the street many years ago, and through self-promotion pushed many self-produced albums to gold and platinum status. Short Dog and his explicit, thumpin underground sound is a perfect fit for the Gathering! It should be no surprise that Too \$hort was a big influence on ICP, as they first played together in 1994! He's a playa, an innovator, and as real as they get, so come check him out, Beeeyaaatch!

Blaze

Time: 10:00 pm Friday

Location: Main Stage

Blaze is makin an awful lotta noise for a dead guy. Apparently, the grave was just a pit stop for Mr. Grundy, and now we can't keep him from the stage. Juggalos just

can't get enough of him, and no matter how many times we seal him up in the coffin, he finds his way back to y'all. With One Less G comin back from the dead, and his new album Clockwork Gray coming out this mother fuggin' Halloween, his Gathering show will be all the new, old, and middle-school flavor you could hope for. Blaze has the deep beats, deep lyrics, and even deeper voice you've come to love, and Friday night is all his! Raise the Dead!

Rehab

Time: 8:00 pm Saturday

Location: Main Stage

Rehab started out in Atlanta, and they've been shakin up the whole world since 2000--making noise everywhere. Like any real underground artist, and like every Gathering artist, they know the Gathering is where its at and they're here where they belong: the mecca of the underground scene! They've got a rock solid lineup, and a hip-hop/southern flavor that can't be compared to, or fucked with! You won't see anything like them anywhere else, so come peep their Gathering debut and have your head shaved off.

SATURDAY PERFORMANCES

Project Deadman

Time: 7:00 pm Saturday

Location: Main Stage

Mike E. Clark is the greatest producer out there in the world of Wicked Shit, period! If this guy backs a project then you know it's no joke! He got together with a microphone murderer named Prozak, another Underground vet, to create the hard-edged

alterna-hop that makes Project Deadman a terrifying force in the Underground. With Mike's beats combining smooth loops and headbanger bumps, behind Prozak's supercharged flows, PDM are a force to be reckoned with at the Gathering 2006!

Tommy Lee w/DJ Aero

Time: 9:00 pm Saturday

Location: Main Stage

Tommy Lee sure gets around. He's in one of the biggest metal bands of all time, he's got his own TV show, his own label, and

he's always bangin' super hotties! The world is always chasing him, but he does shit his own way. Now he's touring with his own DJ, and they're coming here for the sole reason of rocking Juggalo domes. This guy is a giant for a reason, and he's bringing all that flavor home to the Lotus Fields! Any show with Tommy Lee is guaranteed fresh, but with DJ Aero he's bringin "a mix of Big Ass Analog Bass, Breakbeat and Dirty Electro House" in his arsenal of freshness, so get ready to get it on, as a different kind of rumble echoes through the trees....

The 7th Annual
GATHERING
OF THE JUGGALOS

Twiztid

Time: 10:00 pm Saturday

Location: Main Stage

Twiiiiiiiiizzziiid! In case you weren't listening, that's Twiiiiiiiiizzziiid-tiiiiiiiiid!!!! Why are we yelling? Because every Twiztid show is something new, and every show is

wig-flipping flavor that knocks us to the floor. It's not for the weak of heart, but filled to the gills with Juggalo flavor. Whether it's Mirrors and Myths, or Mutants and Freaks, Twiztid bring candy-coated chaos to every bomb they drop. So make your way to ground zero at the Main Stage, cuz it's the Gathering, and the only thing fresher than a Twiztid show is a Twiztid show at the Gathering!

Jumpsteady

Time: 7:45 pm Sunday

Location: Main Stage

Jumpsteady is a behind-the-scenes kinda guy. Behind the scenes like a ninja stalking its target, or a sniper finding his mark. He's also a focused kinda guy, and right now he's aiming at the Main Stage! Jump's done everything there is to do in the Underground, and found mystical realms beyond it, where few have dared even to search. It's a rare occasion that he steps into the spotlight to lay it all down, and invite you into his world, but when he does you won't want to miss it. You'll come back a different ninja, you won't make through unchanged. Jumpsteady reaches out from behind the mike and punches you right in your soul, so prepare yourself, and step up....

SUNDAY PERFORMANCES

AMB

Time: 7:00 pm Sunday

Location: Main Stage

Last year was their first show with Psychopathic, but it's a year later and they've had a very active year to say the least! AMB has been around the Lotus Pod with all the Psychopathic artists, around

the nation on tour with Shaggy, and 'round & 'round in your CD player with Blood In, Blood Out. If you haven't seen their show, then you missed the madness... your sadness. If you have seen them, we know you'll be right up front to see them again!

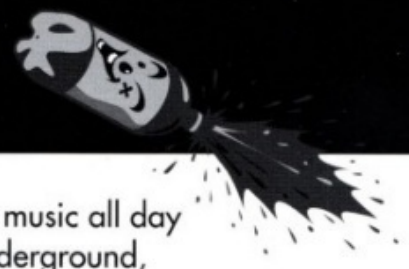

Digital Underground

Time: 8:30 pm Sunday

Location: Main Stage

It's going down, the Humpty Dance is happenin' in a big-ass Juggalo way. What, you don't know? These guys have been puttin' it down with their own sound for a grip now. These one-of-a-kind funk-rappers also gave Tupac his start. In fact, when thug stylin' took over west coast rap, these guys stayed true to their game, keepin' it funky, keepin' it Humpty, and keepin it Underground. If you want to see a truly fresh-ass rap style that's all about flavor, come join Shock-G (aka Humpty Hump) and his crew as they fill our campground with the original Underground!

Drowning Pool

Time: 9:15 pm Sunday

Location: Main Stage

It's nothing but mad metal mayhem when Drowning Pool hit the Gathering stage, and the bodies hit the fuckin' floor! Whether it's a seething, breathing mosh pit, or

innocent bystanders caught in the lethal crossfire of a thousand metal riffs, that floor's getting hit! Get ready for hard rock and head trauma when Drowning Pool rock it out before ICP on Sunday night. These guys are vets of Ozzfest and countless venues nationwide, and their Gathering debut is gonna leave bloodstains!

Insane Clown Posse

Time: 10:00 pm Sunday

Location: Main Stage (of course!)

As the Gathering comes to a close on Sunday, you'll be reeling from the full-on barrage of flavor that's smacked upside

your dome the last four days. Then you find yourself in the crowd, waiting for the lights to come up on ICP, and you realize ... you ain't seen nothin yet! They feel it coming, in the pit of their stomachs, in the back of their minds, from the bottom of their souls. Juggalos know that ICP won't let them down, and ICP never does. It's gonna be a hell of a show Juggalos. Can you feel it?

The Bomb House

We all know the Gathering is more than just a music festival, but this year Psychopathic wants to make sure the

Juggalos are getting their music all day long. Since we run the underground, we're givin' the underground a place to put it down. The Bomb House is the Gathering's second stage, and we'll have some of the biggest names in the Underground rockin' live all night long. What names, you say? Well, we're starting with Psychopathic Rydas, so just guess where we go from there. We'll be changin' up the flow, too, with alternating nights for rap and rock. The show comes up as soon as the Main Stage lights go down, at Midnight on Friday, Saturday, and Sunday.

Thursday Night at The Bomb House

12:00 mid - Ruthless

1:00 am - V-Sinister

2:00 am - PotLuck

3:00 am - Psychopathic Rydas

Friday Night at The Bomb House

WRESTLING

Juggalo Championship Wrestling

Time: 3:00 pm - 5:00 pm Friday,

3:15 pm - 5:45 pm Saturday

Location: Wrestling Stage

This year's lineup includes:

JCW World Heavyweight Champion:

With stolen stop sign, cut-off jeans, fresh t-shirt, loud mouth and everything.

Mad Man Pondo

JCW Hardcore Champion:

Thumbtacks are still stuck in his head from last year. Fuck it, leave 'em in.

The Rude Boy

JCW World Tag Team Champions:

The Injured Athlete & The Big Hot Tagga. Champs cuz they're the bookers.

The Insane Clown Posse

2 Tuff Tony. Fresh off probation and able to smoke down again. Get your head cracked one good time by Louisville's thugliest. Whether it's hardcore-style or scrappin' down on the mat, Tony will snap that neck piece. Juggalos know dat 'cause Tony's been with JCW from day one.

The deadly and mercilous **Sabu**, a.k.a. Stab U, will also be in the house. Despite what you might

think, he stays JCW and will be there in person with his spike deep in somebody's eyehole 4 the Juggalos.

Corporal Robinson will be there fresh off the highways with a scare on his forehead from every place on earth. Corp's a multiple hardcore tourney champion. He fuckin' sleeps in barbed wire and broken glass.

Who could ever forget this evil man, who is also known as the Taskmaster himself. **Kevin Sullivan** will be at the Gathering looking to show the Rude Boy a thing or two about hardcore. Oh shit!

And making his much talked about return this year is the man himself, all the way from the darkest caves of Mexico is **Vampiro**! He's been traveling worldwide, feuding and battling for years, and now his path finally leads back home to the Gathering. Don't get your throat bit!

Making their long awaited JCW debut this year will be the **Bump-N-Uglies**, "Playboy" Josh Movado and Bubba Felix. From slammin' guitar chords to slammin' spinal cords, they'll finally do it JCW-style.

Many famous faces will be appearing in front of the Juggalos for the

very first time, such as the 900lb Samoan tag team of Samu and Alofa, **The Headshrinkers**. Grass skirts, wicked chops, kicks, and all that extra stiff shit. We plan on raising the table bills at least 2 G's.

El Drunko will be in the house not only falling off the wagon, but also moonsultin', backflippin', and shooting star pressin' off that bitch. Look out, and pass that ninja the Tequila before somebody gets hurt.

Imagine fighting The fuckin' THING. That's what its gotta be like stepping in the ring with this man. We're talkin' bout Big Poppa Pump, bitch. Freakzilla himself **Scott Steiner** will be in action destroying somebody's bone structure, which is pretty fuckin' scary.

What you know about the Big Wiggle? Well, you're about to learn. Your homie **Norman Smiley** is coming back to JCW after a 4-year hiatus. He's only been everywhere since then, but that's nothing compared to G7. He's bringin' his Scoop Slam tactics and everything.

Big Chuck Wagon will be there plowing through jobbers and scrubs, all 470+ pounds of pure redneck thug. He mangles his opponents like a 7-foot, giant specially-challenged kid playing with a loaf of bread.

Are you an asshole? If you are, this won't even excite you. But if you're fresh enough to recognize, this is about to blow your panties off. Making their very first ever Juggalo appearance... Directly from Strangelmania will be the legendary and infamous... Ponderosa and Sweden House a.k.a. **The Mushroom Boys**.

Big, mean giants are everywhere this year at G7, but this man is perhaps the biggest and meanest around. **Dyson Pryce** is one of today's fastest rising names and you'll see why at the Gathering when he choke slams a ninja through the mat and breaks the ring.

Also, showing himself in JCW waters for the very first time ever, yet ever so legendary in his own right, **Shark Boy** will be lurking in and around the ring area, looking for opponents to attack and dropkick.

How would you like to wake up with **The Powers of Pain** all in your tent? The Warlord and The Barbarian will make their JCW debut and make their presence felt on somebody's poor and unfortunate wrestling career. These two have held every belt in the game, but JCWs!

The 7th Annual
GATHERING
OF THE JUGGALOS

And yes, the wealthy one returns. **Richie Boy Bryer Wellington** makes his JCW comeback, and this time with his very own personal butler, **Sir CJ Moore**, at his side. The two make quite a dangerous team.

Your official referees will be:
AJ. Huck, DC Stevens, and Kevin V. Gill

Your Extra Special Guest Ring Announcer will be:
Jumpsteady!!!!

In-Ring Photos and Autographs

Time: 5:00 pm - 7:00 pm

Friday,

5:45 pm - 7:00 pm **Saturday**

Location: Wrestling Stage
If getting up close and

personal with hardcore wrestlers makes you uncomfortable, then getting in the ring with them isn't for you. But if you're a Juggalo, then you'll love the fact that this year, the wrestlers are signing autographs right in the ring! You'll be able to get a picture with them too! Just don't start cutting a promo with them, or you'll get your ass schooled!

Ladies Exotic Wrestling

Time: 12:00 mid - 2:00 am **Friday,**

12:00 mid - 2:00 am **Saturday**

Location: Wrestling Stage

Hotties tied in knots! It's every Juggalo fantasy come true: lovely, sweaty ladies trying to smear each other into paste. These girls can kick your ass and make you like it, so come show them some JC-dub love. The Gathering is no place for pansies, and you can expect the most ruthless moves from these ninjettes, no joke!

They're just as devastating as our JCW wrestlers, but they look a whole lot better in a thong! This event is for viewing only, no entries will be accepted, and it will feature hired, trained professionals only.

EVENTS

Juggalo Family Feud

Time: Thursday 1:00 pm - 7:00 pm,
Saturday 5:00 pm - 7:00 pm

Location: Friday at The Bomb House,
Saturday at The Jump-Off

You may not remember Richard Dawson and his taste for whiskey and housewives, but you know what Psychopathic does to game shows, and this'll be no different! It'll be Juggalo crew versus Juggalo crew, head-to-head looking for their smart-ass answers up on the board! We just hope the "Survey says" before something gets severed! With Upchuck the Clown as your host, gangs of Juggalos, stupid questions, and friendly competition--what more could you ask for? Oh, you could ask for prizes, so we'll be giving you certificates for the Merch Booth. Now get to feudin'! Teams need to arrive and sign up a half-hour before the Feud starts, which is at 1PM on Thursday.

Celebrity PIG

Time:

Try-outs = 2:00 pm - 4:00 pm Thursday - Saturday
Celebrity Game = Sunday 1:00 pm

Location: Basketball Court

Behind the Psychopathic HQ lies a ragtag little B-ball court, lines spray-painted on the ground, and a hoop hanging from a gutter. The court may be simple, but it's witnessed some of the most colossal and mind-bending games of P.I.G. and H.O.R.S.E. the world has ever seen. Don't believe us? We're putting up a court at the Gathering, and from Thurs-Fri for one hour each day, Juggalos will face off against each other in an elimination tournament. Then Sunday comes around, and the winners will face off against Psychopathic's best! We'll have plenty of mops standing by to clear the court, cuz this one could get bloody! It'll be our own Del Rey Globeslaughters against the Juggalo best, and it'll

be fierce. As if a showdown with your favorite artists wasn't enough, if you are somehow ruthless enough to beat them, you can win the fresh 2006 GOTJ P.I.G. trophy!

Snap Fights

Time: 1:00 pm - 4:00 pm Thursday,
2:00 pm - 3:00 pm Friday and Saturday,
Finals 6:00 - 7:00 PM Sunday

Location: Wrestling Stage, Finals on Main Stage
Your Momma's so fat, she was baptized at Sea World. That one's from the Rude Boy, but the rest are comin' from YOU, the Juggalos. Y'all better hone your dissin' skills, cuz this is your chance for some verbal pugilism, some linguistic fisticuffs, or some straight trash-talkin! Anyone can enter, unless you're gonna cry, and the winners will be chosen by crowd response. The Rude Boy himself will be hosting, to be sure y'all don't get weak. We better emphasize that this is fighting with WORDS, anyone throwing down will be thrown out, but you can be as ruthless as you want, it's all up to the crowd. So start warmin' up now, cuz your mouth's so big, you can kiss my ass in Detroit, while you're readin' this in California. Bring it!

Anyone who wants to participate should get there before the show starts. Contestants will be pulled from the crowd to compete, and will leave as the crowd eliminates them. The top two remaining when the hour's up become finalists. Finalists will square off on the Main Stage, 6PM Sunday night. Winner gets a 2006 GOTJ Snap Fight trophy, and the fear and respect of his fellow Juggalos!

Mortons List: Biggest Quest Ever

Location: The Basketball Courts

At midnight the largest Inner Circle of 2006 will gather together for a mass Quest cen-

GATHERING
OF THE JUGGALOS

tered under the night sky of the Basketball Courts. This, the first of three midnight events, is where the karma will be focused and a Quest will be revealed for all those who join this unprecedented Inner Circle.

This year, the Twilight Lords aim to break all records, and have as many people as possible create the largest Inner Circle ever concentrated in one place. People from the furthest expanses of the Earth will join together to do a Quest, all at the same time, all on the same night of the night of the Biggest Quest Ever.

**Mortons List:
Night of the Ultimate Ninja**

Time: Friday, Midnight until the Quest is complete (about an hour)

Location: The Basketball Courts
Friday at midnight will begin the era of the Ninja. The Inner Circle will gather together for a ninja-themed Quest, with special prize. Stealth, tactics, and supreme secrecy will be combined elements of this Inner Circle. More information could be revealed, but the risk to life is too great. Come fully equipped to complete another legendary Quest. Did we mention prizes? Show up, find out, or get assassinated in your sleep.

**Mortons List:
Five Years of Chaos**

Time: Saturday Midnight until the Quest is complete (about an hour)

Location: The Basketball Courts
Saturday at Midnight will be the third and final of the Gathering's 2006 Morton's List Quests. Come see what Quest will be revealed to those who join this especially

Chaotic Inner Circle. Every year, a new legend is created by those who play Morton's List. Group dance contests, trash scavenging, midnight rituals, and the completely unexplained are regular occurrences. So when things are guided toward Chaos from the beginning, there's no way to know what Karma, Luck, and Fate have in store for you.

Texas Hold-em Tournament

*Time: Qualifier Tournaments = 12:00 mid - 6:00 am
Thursday - Saturday*

Master's Tournament = 12:00 mid - 3:00 am Sun

Location: Autograph Tent

Coming back to our nighttime flavor, it's one of the hyped events in Gathering history. That's what happens when you give cutthroat Juggalos a chance to compete Vegas-style! Each night, the Autograph tent becomes a scene right out of the Old West—or maybe Southwest! There are two three-hour tournaments per night from Thurs-Fri starting at midnight, and the tournament winners get into the Master's Tournament at midnight on Sunday evening. To get in, just line up before each tournament starts, at midnight and 3AM.

Rules: The first 64 people in line at the start of each tournament will get in to play, first come first served. You must be in line at the time of admittance to get in. Each player will be given the equivalent of \$250 dollars in chips at the start of the tournament (no actual money is required, nor will any change hands). Players will be sharing the role of dealer at their tables, so each player should expect to play AND deal. Once eliminated from a tournament, players must leave the playing area. Non-advancing players may re-enter future tournaments. If a player wishes to quit playing prior to elimination he/she must inform a moderator. Moderators will then divide his/her chips amongst the exited table. No training, instruction or assistance will be offered, so only experienced Hold-em players should enter. Any cheating or removal of chips

from the playing area will result in expulsion from the tournament, and possibly from the Gathering as well. Game moderators will be enforcing rules, direct any questions to them.

Car Show

Time: 1:00 pm - 7:00 pm Sunday

Location: Wrestling Stage

We introduced it last year, and y'all brought so much flavor, it's back with a vengeance! The car contest is your chance to show off the wheels you've been working on, pimping out, and spending your baby-momma money on! Bring that bitch and show it off! (the car, not the baby-momma). All you have to do is bring your ride to the designated spot and convince us your car is one of the dopest, freshest-looking Juggalo rides at the Gathering (see schedule below). Cars will be judged on appearance AND overall flavor, so get those hydraulics jumpin'! In addition to major props from Psychopathic and your fellow ride-alos, the finalists get to show off at the Main Stage on Sunday, and one Grand Prize winner gets a free car wrap from the company that does Psychopathic's vehicles. You've seen these wraps on the fresh Twiztid van, or an ICP tour bus--your ride could look like that, at no cost to you! So polish your chrome and top off your tank, and cruise on down to the Car Show!

An area of the Parking Lot will be designated as parking for the Car Contest. Juggalos with dope rides, who want to enter the contest should park there as they arrive at the Gathering. The scheduled times and locations of the Car Contest are the only exception to the Parking Lot rules. On Sunday at noon, judging of the cars in the designated area will begin, and drivers must be at their cars to partici-

pate. The winners will be determined by 1pm and will move over to the Wrestling Stage. Final judging will be at 6:00 PM, and will be based on crowd response.

The Neden Game

Time: 2:00 pm - 4:00 pm Sunday

Location: Jump-Off

She's hot and you want her. Only, there's a bunch of stuff you've gotta say to her, and questions you gotta ask, before she picks you from all the other guys. Yeah, that's how your shit always is, only now Psychopathic's gonna put you up front, and let Juggalos heckle your ass. Oh, but we'll make sure she's worth it. We're talkin' smokin. And we don't forget the ladies either, so you'll get your turn to land a man. It's like the dating game, after the bombs have dropped--utter chaos!

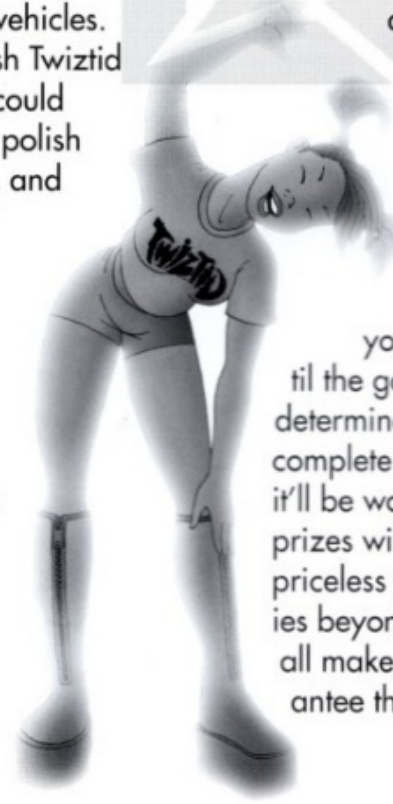

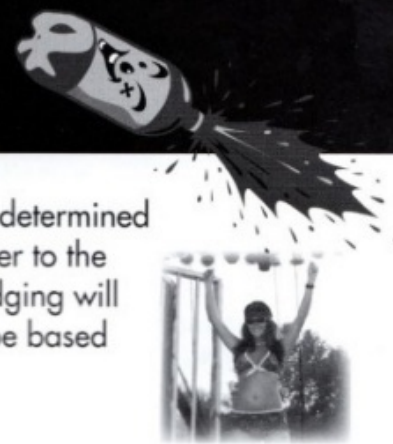

If you want to participate, show up at the side of the stage a half hour before the show, and you could be selected. Entrants must be over 18, and must sign a waiver.

Super Scavenger Hunt

Time: All weekend long

Location: Get forms at the Information Tent

It's like hunting for eggs, but the Easter Bunny is bruised and bloody in the trunk of your car. You never know what you'll be looking for, cuz we're not tellin' til the game is on. Only the most clever, the most determined, and the most ruthless among you will complete the missions and secure the objectives, but it'll be worth it for the adventure alone. Oh, but the prizes will be certified one-of-a-kind swag, from priceless prototypes to popular props, and mysteries beyond speculation! We can't guarantee you'll all make it back in one piece, but we CAN guarantee the race of a lifetime!

The 7th Annual
GATHERING
OF THE JUGGALOS

SEMINARS

These seminars won't teach you how to sell vacuums, and the only pyramid schemes you'll find here would involve hieroglyphics, ancient scrolls, and hidden messages on Dark Lotus albums. If you've got no idea what we're talking about, that's OK! It will all be explained to you by the artists themselves. You've got questions, they've got answers. You've got earholes, they've got stories to power-drill right into your dome! They may even show up and juggle flaming chainsaws, you just never know. Last year's seminars saw big announcements, like the return of Mike E. Clark, so check them out this year and you might spend the rest of the Gathering looking for your wig!

AUTOGRAPHS

Psychopathic artists do it all. When they're not tearing around the Lotus Fields on golf carts, they're settling down to sign some shit for their thousands of Juggalo homies. It's not all fun and games, though, these guys are homicidal maniacs, and a marker could easily end up as "Exhibit A." But hey, this is the Gathering of the Juggalos, so we're all family here. In fact, this is your chance to meet the artists up close and in person, so get in line and get it on!

ATTRACTIONS

Beer Tent

If you are over 21, and have a legal picture ID, then you can buy your beer right here! We'll have beer tents located around the site, and all the reasonably-priced alcohol your liver can handle! Just be sure to tip, cuz our bartenders carry hatchets!

Carnival Rides

For years you've imagined it, a carnival of shadowy figures and towering structures creeping across the globe, awaiting the right time and place to assemble for the Juggalos... well now it's finally here. It may look like a normal carnival, but with this many Juggalos and buckets of Dark Carnival karma, how can it be any less than devastating? We've got a corpse-draped Ferris Wheel, demented games, and plenty more to keep even the casual killer occupied. So come on down to the carnny grounds, and see what the Psychopathic Carnival has in store....

Love Train

You're gonna want to explore the Lotus Fields from top to bottom, and uncover all the flavor our new location has to offer. For y'all city folk not lookin' forward to walkin' around, and all you 5X Juggalos who hide from exercise, we're bringin back the Love Train! Those of you who rode it last year know how fresh it is to catch a ride, and give your feet a break. For those of you new to the camping scene, it's called a hay ride, and it'll be runnin' all around the campground, loaded down with Juggalos, takin' you where you need to go!

Mist Tent

Time: Daylight only

Location: by the EMT

It's not quite the Diamond Rain, but it'll sure feel like it! These are special tents that you can walk into for a cooling burst of clean water. You can come through any time they are operating, and get a refreshing break from the sun. This is not a shower or bath, so leave your rubber ducky and water wings

behind. They are designed for Juggalos to get in and out quickly, so don't hog all the water!

Open-Court Basketball

When there's no tournament scheduled, this is just a court for you and your hoops! We'll provide some B-Balls, but you can bring your own as well. This is just open playing for everyone and anyone, so keep the injuries to a minimum and get your game on!

Moonwalk

Time: 2:00 pm - 6:00 pm Thursday - Sunday

Location: Check your map!

We've seen you Juggalos bouncing around in the mosh pits, so we made sure they brought Moonwalks fit for some Extra Large MothaFackos! That's right, it's not just for the kiddies, it's for Juggalos and Juggalettes of all shapes and sizes. So if you're in the mood to defy gravity, or if the idea of a rubber room just makes you feel comfortable, jump right in! You'll have to remove your shoes and sharp items, and be respectful of others (smaller Juggalos are NOT for throwing around). An attendant will be supervising, but it's on you to remember the family, and make sure no one gets hurt.

Bullriding

Time: 2:00 pm - 6:00 pm Thursday - Sunday

12:00 mid - 4:00 am Thursday - Saturday

Location: Next to the Moonwalk (on the map)

We're not gonna tell you to "grab the bull by the horns" or anything lame like that (Ok, yes we are), but this mechanical monstrosity is not for pansies!

This thing bucks and throws even wilder than your crazy ex-girlfriend, and unlike her, not everyone can ride it. If the carnival is too tame for you, than go for a ride on our bad-ass bull. The bull will be in operation from 2PM to six PM, then again from Midnight to 4AM, so he goes night and day! An attendant will be available at all times to keep your ass from getting impaled!

In-Ring Late-Night Video Games

Time: 2:00 am - 6:00 am

Location: Wrestling Stage (in the actual ring!)

The only thing better than playin' Xbox with your homies is playin' Xbox with your homies on a big-ass screen, in the wrestling ring at the Gathering. Fuck yeah, dude. We provide the system, the screen, the beer, and a place to play, you bring the homies and the games. Any games you want, but bring something that groups can enjoy (Halo, anyone?). Bring your friends, or make some new ones--the extra-ruthless gamers will be makin' some enemies too! This is not a tournament, just open gaming for you to enjoy, so pull up a couch, grab some snacks, and get your game on! Some games will be on hand, but improving the selection will be up to you!

The 7th Annual GATHERING OF THE JUGGALOS

Parties

When Midnight hits on Sunday night, the Gathering ain't even close to done! The Psychopathic artists are coming out for the most monumental closing bash a Juggalo could imagine. Blaze, Twiztid, and ICP have each been given their own fuckin' tent, and license to bring heavy flavor—and each ninja wants their party to be the freshest. With all these cutthroat killers competing for your attention, you know these parties will be total flavor, total devastation, and totally off the hook! Get your ass to the Psycho-Parties!

Club Shaggy

Time: 12:00 mid - ? am

Thursday - Saturday

Location: Somewhere in the VIP Woods

Some of you have seen it on the in-store tour, but none of you know its secrets, and none are prepared for its exclusive Gathering freshness! Club Shaggy will be hidden somewhere on the premises, and only those intrepid travelers willing to search for it will earn the flavor it may bestow! Keep your eyes out, and you may find yourself in the only club that's Dope enough for Shaggy himself!

The Jump-Off

Time: 12:00 mid - ? am Thursday - Saturday

Location: Jump-Off

Juggalo Family up in the club! Formerly Club Krunk, this is the classic nightclub you've grown to love, and it don't stop till the sun's above! Psychopathic provides the strobe lights, the DJ, and the

beats, you provide the Juggalos and 'lette as wild as they gets. Get ready to groove and grind, and with Psychopathic in the house, you never know who'll show up on the dance floor! For starters, we've got DJ Clay on the turntables—Shaggy's own personal DJ from the FTFO tour! During the day, this tent will host a variety of events, but once evening hits, it's all-club, all-party, all-night.

ICP Super-Live Foam Party

Time: 12:00 mid - ? am Sunday

Location: Bomb-House

ICP sure like to get the Juggalos wet and sticky. It's just not a good time if you don't need a shower right after. After you get doused with Faygo on Sunday night, ICP want you to come jump in the foam! They're filling the Bomb House neck-deep with non-toxic foam, and it's gonna be neck-deep with Juggalos! ICP will supply the beats, and Juggalos will supply a froth of writhing bodies. The good news is, no one will see your lousy dance moves in the foam, the better news is that no one will see anything in the foam! This is an all-out party as only ICP can imagine, get come get loose! (Oh you'll be getting wet too, so don't wear anything that can't handle a trip through the wash!)

Twiztid Pajama Jammy Jam

Time: 12:00 mid - ? am Sunday

Location: Seminar Tent

Don't forget to bring ya PJ's for the official "Twiztid Pajama Jammy Jam" hosted by Monoxide and Ma-

drox of course. This will be a great chance to put some use to those floppy-eared bunny slippers you got for Christmas last year, and a super great opportunity to peep some Juggalette hotties in lingerie shaking their asses to the music being spun by DJ Buttermilk and company for the "Twiztid Lingerie Contest" We can only imagine how flavorful this shit will be, but rest assured it will definitely be a fresh-ass way to wrap up this year's Gathering. So don't miss out on the flavor.

Blaze Clam Bake

Time: 12:00 mid - ? am Sunday

Location: Jump-Off

Blaze likes to bake. And apparently he likes... clams. We're not really sure what that could mean, but we imagine a party hosted by a guy named Blaze doesn't take place in the kitchen. So bring your lighter and a hardy pair of lungs down to the Jump-Off, and come chill with Blaze Ya Dead Homie. There's a reason that Homie is part of his name, and he's one chilled-out party host you

don't want to miss! It's his music, his party, and his homies, so come get your groove on Grundy-style.

Psychopathic Merchandise

Time: 11:00 am - 7:00 pm Thursday - Sunday

Location: Merchandise Pavilion

And the Juggalos were nestled, all snug in sleeping bags, while visions danced in their heads of T-Shirts, hoodies, and do-rags! It's like Christmas in July when the merch pavilion opens up, and Juggalos pour in to witness the freshest threads, the most collectible collectibles, and the best albums in Underground music! If you've ever even seen a Juggalo before, then you know Psychopathic has better swag than anybody, and the Gathering has more of it in one place than anywhere! The merch pavilion is open from 11AM to 7PM from Thursday to Sunday, so you've got plenty of time to shop, but supplies are limited, so make sure you don't drop! The merch pavilion is on the north side of the park, near the basketball court and concessions.

Make Ya Merch!

Time: 11:00 am - 7:00 pm Thursday - Sunday

Location: Merchandise Pavilion

Psychopathic has always had the freshest swag, and we'll still have some eye-popping, wig-flipping flavor over at the merch booth, but this year we're letting you go toe-to-toe with our designers, and show us how YOU'd do it! There will be a separate booth set up alongside the Psychopathic merch, where you can customize your own gear. You'll be able to pick from a shitload of designs and logos, colors and styles, and put

whatever you want on the swag you pick. We've got enough fonts to choke a librarian, and the only limit on what you can say, is no limits! Prices will depend on the level of customization, but the only constraint is your own creativity! So start imagining now, and your dream gear will be a reality at the Gathering this year!
