

The 11th Annual Of the Junualus

The time has come once again. An assembly of Juggalos from not just across the nation, but around the world, is coming, Although the path to this Shangri-la on Earth can be long and treacherous full of many obstacles, in the end the Juggalos know that it is worth it. For four days and four nights we will join together as one. This is not just a music festival. This is bigger than that. This is bigger than hundreds of bands. This is bigger than autograph signings, seminars, and all the other adventures that wait for you.

This is eleven years in the making. This is a chance to shed your everyday skin analyzoudly show who are with those who will not only accept you, but embrace you. This is unity. This is camaraderie. This is Family.

Rules a General Info

Welcome to the 11th Annual Gathering of the Juggalos! Please review and follow these simple rules and helpful tips to get the most out of your Gathering experience. These rules are pretty basic, and only here to make the Gathering fresher for everyone.

Your Amulet Is Your Ticket

Beyond being a sweet keepsake of the event, your Gathering amulet is also your ticket into the Gathering of the Juggalos. No one will be allowed to enter, or remain within, the main grounds of the Gathering of the Juggalos without their amulet on. The amulets are both stylish and durable, featuring shiny bling and sweet

CAVE IN ROCK, IL

Parking Let

The outdoor Parking Lot is free for all Gathering attendees. It is located outside the grounds. There is plenty of room for everyone, and attendants are there to make sure everyone and everything is safe. If you do not have a Car, RV, or Baller pass stuck to your car, you'll have to leave your car here for the duration of the Gathering, but you can come and go to it as much as you need to. If you decide you want to move your car by your tent, then you can purchase a Car / Trailer / RV Camping Pass at the Ticket Booth in the Parking Lot. NO FIRES OR TENTS ARE ALLOWED IN THE PARKING LOT UNDER ANY CIRCUMSTANCES. It is heavily guarded 24 hours a day, so it's a good place to keep valuables you want extra-safe. Health and safety regulations forbid any sort of camping, partying, or excessive lingering or loitering in the Parking Lot. When you're in the

Parking Lot, you need to be on your way to or from your car.

Important Rules

There are only a handful of significant rules to remember when it comes to the Gathering. They are simply to ensure that everyone has a good time and stays safe and legal. Also, we ask that you help keep the campground clean by using the many trashcans

located throughout the ground.

- 1. The speed limit while in the grounds and the Parking Lot is 5 mph. For safety concerns, once a car is parked at a campsite in the grounds it may not be driven around or inside the grounds, nor may it leave and return. This extremely important rule is necessary to maintain safety and will be strictly enforced. The only exception is for emergencies.
- **2.** No cutting of trees, dead or alive, or damaging plant growth (\$500 fine).
- 3. Anyone hurting the wild animals, amphibious creatures, or birds will be thrown in jail and banned from returning to the Gathering of the Juggalos.
- 4. Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages.
- 5. Please be conscious of your noise level. Music should not be played at high levels at any time, and all music and noise must be kept to a minimum after 11pm for the consideration of those who need to sleep more than you do.
- **6.** Children must be supervised by adults at all times.
- 7. Don't litter. This is especially true for camping areas. Your area should look like it did before you set up.
- 3. Careless, destructive, disrespectful, or bothersome conduct will not be tolerated. Show respect to all Gathering, Psychopathic, or Security personnel. Refusal to do so will get you removed from the Gathering. Bring any problems, disputes, or conflicts you cannot resolve to the Information Tent.
- **9.** Do NOT record the performances on the Main or Wrestling Stages, or any Autograph signings or Seminars. You're welcome to bring video cameras

or other recording devices into the Gathering, but keep them tucked away while at the shows. Only disposable cameras will be allowed at Main Stage concerts, Wrestling, Autograph signings, or Seminars. Anyone caught filming or using a non-disposable camera at one of these events will have their recorder confiscated (you'll get it back if you're nice, but otherwise, we're keeping it).

Information Tent

Psychopathic selects only the most knowledgeable ninjas to serve at the Information Tent, and it's open 24 hours. This is the central hub of activity where Juggalos can go for directions, emergencies, or the answers to various queries - but if you want to know where your dirty drawers went, it's best not to ask! The Info Tent is also the place to get a Gathering map or check the Lost and Found. These ninjas have such amazing powers of perception and deduction, they may even have your problem solved before you get there! Psychopathic Records wants the Gathering to be a positive experience for everyone involved, so don't be afraid to bring any questions or concerns to the Information Tent. The Information Tent will get it done!

Camping

For the majority of people at the Gathering, camping on site is the only way to experience the event. Tent camping is free for all in attendance. All cars in the camping area must have passes (see below). Every tent or vehicle with a pass must be located at least 15 feet (or an average car length) from any other tent, car, campfire, structure, or tree in any direction. There's no restriction on the amount of camping gear you can bring, so as long as it is respectful of your neighbors, and they have no complaints, you can make you camp as you see fit. We reserve the right to have any tent, car, camper, or campfire moved at any time to handle disputes or emergencies. All camp spaces are first-come, first served.

GATHERINGS of the Jugustos

Cars on the Campground

You may only bring cars into the camping areas if they have a Car, RV/Trailer, or Big Baller Camping Pass. These passes are stickers which must be visible on the car. Once inside the camping area, you are prohibited from taking this car in and out of the park, leaving only for emergencies. There are a lot of people at the Gathering, and to keep things safe and flowing we just cannot have people driving about during the event. Once you park it, it's there to stay.

Car Passes

Any vehicle from a motorcycle up through a full-size van will require the car pass to get into the camping areas, and you will absolutely need a car pass if you intend to park a car at your tent, whether you're just parking it there or sleeping in it (which IS allowed -- just be safe and keep the windows rolled part-way down). A Car Pass costs \$75 in addition to the cost of your ticket, and are sold at the Ticket Booths in the Parking Lot if you decide you need one but didn't get it in advance.

RV/Trailer Passes

If you intend to bring an RV, trailer, camper, anything towed, or any vehicle bigger than a full-size van, into a camping area, you will need the RV/Trailer pass. The RV/Trailer pass costs \$100, and once again is available at the Ticket Booths in the Parking Lot. All rules that apply to Car Camping also apply to RV/Trailer Camping.

Big Baller Campsite Passes

This pass gets you a site for whatever size vehicle you want (within reason -- no 18-wheelers or combat tanks!), plus it gets you shared access to nearby water faucets, and full-access to your own personal electric outlets! We provide the outlets and faucets, and you will not be charged for usage. The Big Baller Campsite Pass will cost \$350. Electricity can only be used by the person (or party) that purchases the pass, and cannot be shared with other sites. We reserve the right to restrict any unsafe electrical hookups, overloaded circuits, or dangerous, overlapping power cords. As a rule, 6 to 10 major electrical devices can be used at a time. With the water faucets, please turn

them off when not in use, and share them with people who need to get some water. The water is 100% safe to drink and cook with.

Set-up / Tear-down

Keep in mind that no one may enter the park to set up their campsites sooner than Wednesday August 11 at 12 noon, and we ask that you do not show up earlier than this under any circumstance. On Monday August 16, you should be clearing out from 10 AM - Noon, as this is the official tear-down day. Everyone will need to be cleared out of the grounds and the Parking Lot by Noon on Monday, August 16.

Campfires and Fire Wood

Fire wood will be sold from trucks and a 4-wheeler driving around the park. We encourage Juggalos to stock up early, cuz it's a big park, and it may take these trucks a while to get around. Mind the rules about campfires: they must be at least 15 feet from tents, cars, or structures, and 5 feet from the roads.

Feed Court

Be sure that growl you hear deep in the woods isn't your stomach! After a long day exploring the mad amounts of flavor at the Gathering,

every Juggalo's gonna need to stop and get their snack on. The concession area is the place to go for a meal, for the munchies, or just for a Faygo. We offer a plethora of dining sensations, the finest food a carnival has to offer! All the classic concessions are in effect, including: hotdogs, hamburgers, pizza, salad, nachos, fries, and elephant ears! You can eat your food in the shade at a picnic table in the dining area, or carry it with you to your next effect! Please remember to clean up after yourself too -- those trashcans aren't placed every 20 feet because we thought they looked fresh.

Convenience Store

Out in the middle of the grounds, with no K-Mart or 7-11 in sight, you're gonna need someplace to buy

stuff. The Convenience Store will have everything a growing Juggalo could need, short of a love slaves or bondage gear. The store will have disposable cameras, batteries, flashlights, hygenie items, sunscreen, bugspray, comdoms, and a whole bunch more! If we don't got it, you don't need it!

ATMS

We strongly recommend that Juggalos bring enough money to suit their needs, and keep it on hand, in a safe place. However, we will also be providing ATM machines for your convenience. They can be found in the main areas of the Gathering; hit up the Information Tent for specific locations. Users are responsible for all transactions at the ATMs. No refunds will be offered.

Showers

You just can't beat that feel of a good clean shower, especially in the heat and with the Faygo. Separate male and female hot showers will be available 16 hours per day. There's room for dressing, but there will be a five minute maximum shower per person to ensure that lines flow quickly. You should also bring all your own toiletries, including towels, as none will be provided.

EMT / Ambulance

To ensure the health and safety of every Juggalo, we have provided an EMT tent complete with paramedics and a 24-hour on-site ambulance. The EMT tent can be found on the map. They are available for any serious injuries or medical emergencies that may occur, and we ask that Juggalos only go to them with serious problems. However, don't be afraid to get checked out if you're not feeling right, cause sunstroke and

allergic reactions can be a bitch!

Watch the Heat!

For those of you not accustomed to chillin' outdoors, the sun and heat can be a merciless ball-breaking bitch. When your body gets hot, most of that heat pours out of your head. And when you're out in the sun without a hat, it bakes your noggin as well, there's no place for the heat to go, so you get cooked! It may seem all-backwards, but wearing a hat actually keeps your body cooler by blocking sun from heating up your head, letting you stay cool. The other major way your body gets rid of heat is by sweating. That sweat comes from the liquids you drink, so when out in the sun and heat, keep drinking water! If you're crazy-hot and stop sweating, that's the first sign of heat stroke, so get into some shade and get some water in you fast! The heat is no joke, and it can sneak up on you when you least expect it, but with some minor care, it can also be no problem.

Security

We've got security personnel scattered throughout the park on patrol to make sure you and your camping area stay safe and secure. They're not there to restrict you in any way, just make sure that you and everyone else are safe and secure. If you're having trouble of any sort, please feel free to stop or call to the nearest security staff and ask for help. That's what they are there for!

Autographs

Psychopathic is all about family, and there's no better chance to say hello to yours than at the Autograph Tent! This is your chance to walk up and say hello to all of your favorite Psychopathic artists. You can tell them how much they mean to you, give them something fresh you've made for them, or just get them to sign your jersey or shirt. Hell, these guys are so down with the Juggalo family they'd sign your grandma's face if you asked them to!

The Gathering of the Juggalos is all about the family, and this is a chance for the Psychopathic family to give a little love out to the greater Juggalo family. Take this rare chance to see the maestros behind the music up-close and personal. You can even get some signatures from a couple of the guest artists performing at the Gathering if you hit the tent at the right time. We always double-up on celebrities signing at one time, so any trip here will be one you'll remember always.

The 11th Annual CATHERING of the Jugustos

Wrestling

Odd Ball Wrestling

Friday 1:00mid - 3:00am
What do you get when you take some side show freaks, a couple of red necks, an alcoholic, the JCW Champ, and the most hardcore wrestlers in the world? Oddball wrestling that's what! We got Ape boy, Milk dud the Cow, and a gang load of nature's

oddities slugging it out for you twisted amusement. It's TLC, Barbwire madness, an I quit match, a ninja's bring the weapons match, and even a Tai Pai Glass Match. The party doesn't end after Dark Lotus tears it down. Make a V-line for the JCW ring and check out the Insanity!

Bleedy Mania 3

Saturday 12:30mid - 2:30am

Once again that time of year has come. The Gathering of the Juggalos is upon us and the Red Mist is gonna be a Monsoon after the 4th annual BLOODY MOTHA FUCKING MANIA!! That's right the biggest event in the JCW year. Now let's look at the line before we drown in the Crimson Creek that'll be flown after the dust settles.

COLT CABANA versus WEEDMAN WITH JONNY RICTOR

The long arm of the law has finally tracked down the Weedman and sent in Officer Colt Cabana. We all know Weedman ain't going to prison without a fight so he's called upon his partner in Lime Jonny Rictor of the Kotton Mouth Kings. Will the power of THC over come and the Weedman will remain free? Will Officer Colt Cabana finally take the Weedman in?

SHAWN DAIVARIW/TRUTH

MARTINI versus JOEY RYAN versus ROADDOGG

We got a 3-way Explosion with 3 new faces to JCW.

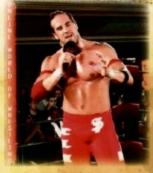

Truth Martini, a JCW veteran, has been schooling Shawn Daivari, the Iotola of Asshola, on the Juggalo ways of wrestling and Roaddogg has got the skills to take on any opponent in the ring or on the mic but what about Joey Ryan! He's been kicking ass from the west coast to Bloody Mania for another title shot but will the Roaddogg and Daivari derail his plan to wear the gold?.

THE HATERS versus THE BRISCOES versus HERO AND

CLAUDIO versus THE RING RYDAS

When they ride WHOOP WHOOP.... That's right put out an APB because the Ring Rydas are in

effect at the GOTJ. You may think it's all coastin' and floatin' but in a 4 way tag match with the Briscoes, Chris Hero and Claudio, and the JCW Tag Team Champions the Haters, the

Ring Rydas need to put in some major work to pull of a win this time against 4 of the greatest Tag Teams in Wrestling History and reclaim the belts.

TWINKIEHOP versus BUTTERBEAN

Are you serious? This is really happening? Yes it is. Twinkiehop and Butterbean are gonna duke it for all the Juggalos enjoyment in a 100% real shoot fight. We got Flight for Life fueled up and on stand by to take the loser to the hospital afterwards. Remember this is JCW fam. anything can happen.

TRACY SMOTHERS w/ISSABELLA SMOTHERS versus BOOKER T w/ BOONDOX

Tracy Smothers is so proud of his rebel flag. Let's see how proud he is after Booker T and Boondox use that Rebel Flag for ass floss and slap him in the face with it, Sucka or will the South rise again.

ISIS versus ISSABELLA SMOTHERS

One night Tracy Smothers drank too much moonshine and fucked a pig fat sweaty pig. The result is known to us as Isabella Smothers. We brought in the world's tallest juggalette JCW vet ISIS to try and help nature correct this grievous mistake and accompanied by Sweet Sugar Slam to mistake Tracy Smothers doesn't interfere. We only hope she's successful.

MAD MAN PONDO AND NECRO BUTCHER VERSUS BALLS MAHONEY AND HOLLYWOOD CHUCK HOGAN

Pondo and Necrobutcher squaring off against Balls Mahoney and the returning Hollywood Chuck Hogan in a brutal death match... Wow. I mean dam. Pondo

rosi

must have done his finishing move because I have been silenced. Who ever wins this one is going to make it rain more blood than Lil Wayne's TODD BRIDGES W/ MYSTERY OPPONENT versus MIKE KNOX

w/ Scott Demoore versus corporal Robinson w/ Terry funk

What you talking' bout Willis? I'm talking about a 3 way Main Event that'll blow your wig a way into a billion pieces. You can

check to see if it's still there. I'll wait. Still there?
Well it won't be after that final bell rings and the blood settles. A sitcom star, a WWE veteran, and 2 Hardcore Icons, wow. Oh yeah and little bitch boy Scott Demoore. I only got 5 things to say. J C Motha Fuckin W. Oh and did I forget to mention that the winner of this match will be walking away as JCW Heavy Weight Champion? Will we be seeing a passing of the torch at Bloody Mania?

Cerperal Rebinsen's Midnight Massacre. Flashlight Wrestling!!!

All snuggled up in your tent all cozy or slamming beer smoking blunts and watching legends of wrestling take on the new school in the glow of your Maglites. I talking about Terry Funk, The Rock N Roll Express, Ronnie Garvin, Cowboy Bob Orton, Kamala and U-Gene to name a few. How about Tracy Smothers against Hacksaw Motha Fuckin Jim Duggan in a Strap Match. Or Corporal Robinson and 2 Tuff Tony beating the shit out of the Twilight Twins Gangrel and Kevin Thorn. And not just one night but 2 nights of this crazy shit. morsels: the Juggalettes! This event brings together all the finest, hottest, most-curvaceous and sexiest Juggalettes together in a challenge of Personality, Talent, and Sex-Appeal. See which of the amazing contestants will walk away with the prestigious title of Ms. Juggalette! Carnival Rides

Nothing feels more like a carnival than some carnival rides. These rides are a chance to flip your wig up, down, sideways, or round and round. They're fast, fun, and free, and they're located in one convenient area in the Main Stage

Field. Lose yourself on a ride, then come back to earth and lose your mind!

Midway Games

Have you ever been to a carnival and tried one of those carny games? They can be frustrating, can't they? But still, there's something truly addictive about the challenge of it all. Now you've got a chance to

Open Mic

Sunday 1:30PM-6:00PM Bomb- House

Didn't get a chance to perform this year? Well here's your chance! We have an open mic running all day on Sunday August 15th. You can sign up at the Bombhouse starting at 1PM on Sunday and are able to play for 15 minutes. First come, first serve.

Kelicepter Rides

Thursday - Sunday, 10:00am - 6:00 pm Main Stage Field

Have you ever been in a helicopter? I got to go up in this one at last year's Gathering. It was a pretty short ride, but the experience was worth every single penny. This isn't like some huge helicopter ready to

airlift you out of the jungles of Kung-Pow. No, this thing is small and nimble, like the stock footage of helicopters used in every low-budget movie made in June of 1986. When it lifts off, it feels a bit like being in a glass elevator, and you're thinking that you know what's it's like to be up flying. THEN the ride really begins ... and you realize just how fucking fresh it is to be in a helicopter! That little whirlybird beats the shit out of a roller-coaster any day of the week! It's not everyday you get to ride in a helicopter, so take the time to enjoy this unique experience.

THE TIP Annual CALLETINA Of the Jugualus

Seminar Tent

Catch a movie underneath the seminar tent after the comedians! We'll be playing ICP & Twiztid's brand new movie Big Money Ru\$tlas. We'll also be playing the original Big Money Hu\$tlas. These two movies will be going back to back night after night. We'll be playing them enough times for everybody to be able to catch a glimpse of the flavor!

Love Train

Don't you just feel sorry for those ninjas still walking, when you're riding high on the Love Train? It's a chance to get off your feet, get around, or just

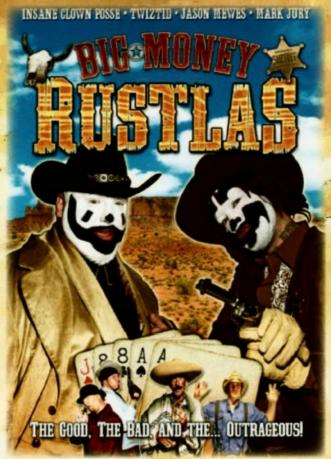

get down with the sights and sounds all around as you roll through the grounds. Pickup stations are marked on the map. Do not attempt to get on or off the Love Train while it is moving, and do not get in front of the Love Train, or you might get flattened by it's freshness. Whether you have somewhere to get to or just enjoy riding around, the Love Train has your hook-up!

Mevie Screen

Big Money Ru\$tlas Thursday 3:30AM Saturday 4:00AM

Big Money Hu\$tlas Friday 3:00AM

Merchandise Tent

The only thing more legendary than a Psychopathic show is Psychopathic swag! What can we say, we know we got the best shit. The merch looks better than ever, and the Merch Tent has the best hours ever.

Your head will spin when you take it all in. They'll take cash or credit this year, so pimp yourself out with some top-of-the-line threads or some killer collectibles.

And, while you're here, be sure to grab a copy of **BIG MONEY RU\$LAS**, being released exclusively here at the Gathering!

Swimming Hole

Right in the middle of the grounds is a clean, cozy

swimming hole for all your heat-beatin, belly-floppin needs! Rest assured that any nickname you may have heard for this spot is in fact 100% NOT TRUE. The water is actually treated to be totally safe for swimming

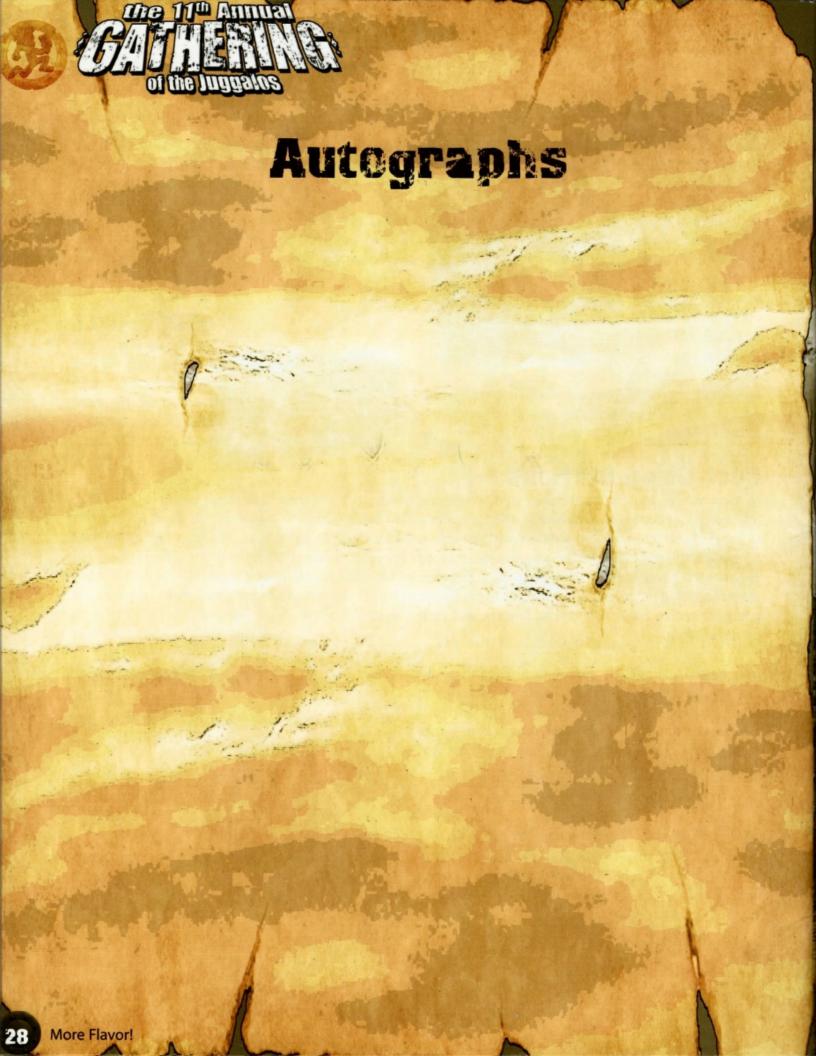

or drinking, so enjoy yourself worry-free with a nice cool break from the summer heat in this convenientlylocated pond.

Ceel-Down Stations

In case you're looking at the sun, and wondering about keeping cool at the Gathering, there's nothing to fear! There are multiple Cool-Down Stations at several locations throughout the campground, marked on the map. These are measly mist-tents, these are permanent structures of full on water-spraying flavor, complete with a bank of sprayers, faucets, and their own plumbing.

The water is completely safe to drink, and there are taps on the sides to fill up your water bottles all you like. Your piss will turn yellow for a day or two if you drink enough of this water (because it comes from a well; that's why it tastes funny too), but it is totally free and totally safe.
