THESHAGGYSHOW

From the deepest reaches of the outer cosmos comes an event unlike any other seen on the terrestrial sphere! Scientists are baffled! Government agencies are powerless to stop it! Creatures from every cosmic corner and constellation are descending upon the planet, bringing sights both wondrous and terrifying, with one common goal in mind: to throw an epic non-stop party beyond the Earth's comprehension! This is the 23rd Annual Gathering of the Juggalos: The Wicked Clowns From Outer Space! Prepare your feeble human brain for 4 days of out-of-this-world freshness that is so much more than a music festival! It's a Family reunion celebrating the greatest tribe in the galaxy! Outdoor live concerts, game shows, seminars, wrestling, free camping and so much more await just beyond the gates of Legend Valley when The Wicked Clowns From Outer Space invade The Gathering of The Juggalos!

The original Wicked Clowns From Outer Space Tour has gone down in history as the stuff of Juggalo legend, a nationwide Psychopathic takeover that is still talked about among Gathering campsites to this day. Now Violent J, Shaggy 2 Dope and Jumpsteady are gearing up for Phase 2 of the invasion, scaling up the flavor factor by infusing that intergalactic madness into this year's Gathering! All Juggalos are encouraged to bring their extraterrestrial A-game in preparation for the Insane Clown Posse's Earth-shattering event: The Wicked Clowns From Outer Space Show! As we speak, the Psychopathic Spaceship is being loaded up with Faygo ray guns and a cadre of creatures from 17 star systems for a performance that you won't want to miss!

***PREPARE TO BE INVADED BY
THE WICKED CLOWNS FROM OUTER SPACE***

GENERAL INFO

BELOW IS ALL THE IMPORTANT INFORMATION FOR THIS YEAR'S GATHERING OF THE JUGGALOS (GOTJ)!

LEGEND VALLEY

Legend Valley is a 130-acre privately-owned and fenced-in outdoor music venue, located at 7585 Kindle Road, Thornville, Ohio 43076. It is operated by a super dope family that has an understanding and respect for our Juggalo family. There is enough camping space to allow all attendees to camp directly on the grounds for a truly 24-hour experience (at no additional charge).

GOTJ TICKET / WRISTBAND

The GOTJ wristband you received with a ticket purchase is not to be removed at any time and is your official pass into and out of Legend Valley (you may come and go as you please). It is good for the entire duration of the festival starting Wednesday, July 5th (at 8 am) until Sunday July 9th (at Noon). This wristband grants you access to all the concerts, wrestling events, parties, sideshows, competitions, seminars, and much more, at no additional expense to you. **Under no circumstances will a replacement wristband be issued for any wristband that has been damaged, lost, stolen, or destroyed.**

VEHICLE PASSES

No vehicles are allowed inside the camping areas of Legend Valley unless they have the appropriate sticker pass stuck to the driver side windshield (Car, RV/Trailer, or Big Balla Campsite). These sticker passes may be obtained by turning in the appropriate ticket you purchased once you arrive. They allow you to park your vehicle at your campsite, and once there, it must remain until the Gathering ends. This will be strongly enforced to ensure the safety of all our ninjas.

Car Passes apply to vehicles ranging in size from motorcycles to full-sized vans that are not towing trailers. RV/Trailer Passes apply to any vehicle bigger than a full-sized van (no 18 wheelers) or any vehicle towing a trailer. Big Balla Campsite Passes apply to any vehicle RV size or smaller, along with whatever they are towing. All vehicle passes are good for the entire duration of the GOTJ starting Wednesday, July 5th (at 8 am) until Sunday, July 9th (at noon).

Keep in mind that all passengers of these vehicles must also have GOTJ wristbands to enter and they must remain inside the vehicle while it's moving. Under no circumstances will a replacement sticker be issued for any that has been damaged, lost, or stolen.

BIG BALLA CAMPSITE (20 AND 30 AMP / NO WATER)

Each of these sites are roughly 20' x 50'. The Big Balla Campsite allows you to park one vehicle of RV size (no 18 wheelers) or smaller (with or without a trailer) at your site where it must stay until the Gathering ends. Any additional vehicles parked on your site will require their own Car or RV/Trailer Pass and must fit in your designated area. Big Balla Campsites are not numbered and will be on a first come, first serve basis. If you wish to have a Big Balla Campsite adjacent to a friend, then you will need to make sure both vehicles enter the park together.

Vehicles with Big Balla Campsite stickers will also be allowed to enter the Gathering grounds first, starting on Tuesday, July 4th at 6pm. Only vehicles with Big Balla Campsite stickers and their passengers will be allowed to enter at this time. Keep in mind that all passengers of these vehicles must also have GOTJ wristbands to enter and they must remain inside the vehicle while it's moving (sitting on top of the vehicle or trailer will not be allowed). If there are others who plan on staying at your Big Balla Campsite, then they will have to wait until everyone else is let in.

ICP'S VIP EXPERIENCE

This highly valued pass allows you to have a special private meet-n-greet with the Insane Clown Posse themselves! With this pass, you will have an opportunity to share words, get autographs and take photos in a special VIP tent! Not only that, but each ninja that purchases ICP's VIP Experience will also receive a gift bag containing the following items:

- VIP Experience Laminated Pass
- ICP Alien Paint Amulet
- Hatchetman Flash Drive with the "Alien Examination" ICP Network Show
- GOTJ 2023 Logo Magnet (6" x 6")

To redeem, go to the Info Tent with your QR Code 15 minutes before your scheduled date and time for your VIP experience and you will be able to pick up your gift bag. Afterward, you will be escorted to the VIP tent to meet with ICP. Make sure to keep your VIP Experience Laminated Pass with you, as this will act as your ticket. Also, keep in mind that you will still need to purchase a GOTJ ticket to get onto the grounds.

ICP'S ALIEN PROBE ADVENTURE

Join ICP as they explore a secluded area of Ohio's deep woods known to be a UFO hotspot! With over 130 sightings of UAPs within the last 6 months and almost a dozen firsthand accounts of alien abductions, this expedition is bound to run into extraterrestrial trouble of the third kind! ICP will be your guides, as they are joined by the illusive Colonel Chode the Ecuadorian Minister of Air Defense, on an hour-long hay wagon expedition, with a mission to unravel this mysterious ET phenomenon. Will you have an otherworldly encounter that could result in your orifices being probed? If you are lucky enough to land one of the few tickets for this epic adventure, you may just find out! With this adventure you will also receive:

- A gift bag containing the following collectibles:
- ICP's Alien Probe Adventure Laminated Pass
- ICP's "Wicked Clowns from Outer Space" Collectible CD Single (300 made)
- Wicked Clowns from Outer Space Amulet
- Hatchet Spaceman Hat Pin
- GOTJ Alien Green Glowstick
- A quick Meet-and-Greet experience with ICP just before the adventure begins.
- The privilege of participating in the Faygo Armageddon on either Thursday or Saturday Night (depending on which ICP's Alien Probe Adventure you purchased) during the climax of ICP's set on the main stage!

To redeem, go to the Info Tent (with your QR code) 30 minutes before your scheduled date and time for your ICP's Alien Probe Adventure, and you will be able to pick up your gift bag. Afterward, you will wait to be escorted backstage to board the hay wagon to begin your adventure. Make sure to keep your ICP's Alien Probe Adventure Laminated Pass with you, as this will act as your ticket. Also, keep in mind that you will still need to purchase a GOTJ ticket to get onto the grounds.

PARKING

There is a 15-acre field located near the front entrance to Legend Valley where you may park your vehicle for free. **Keep in mind there is NO CAMPING ALLOWED IN THE PARKING AREA!** Due to fire codes, any campsites set up in the parking lot will be moved (go to the Info Tent for help locating your stuff if this happens to you).

CAMPING

Once you enter Legend Valley with your GOTJ ticket, you are free to camp in any of the designated camping areas on a first come, first serve basis. These locations will be clearly marked on the GOTJ map of Legend Valley, which will be available in the GOTJ program, and on JuggaloGathering.com. Keep in mind that the Gathering staff reserve the right to move any tent, vehicle, or campfire, to handle disputes, or if they are located on a road, or an unofficial camping area (such as the parking lot). There are some key rules that everyone must follow when camping:

- All tents and vehicles must be 15 feet from any other tent, vehicle, or campfire in all directions.
- Do not camp in-between any row of metal poles, as these mark fire lanes that must remain open.
- Make sure to safely contain, maintain, and extinguish all campfires.
- All vehicles at a campsite must have the appropriate vehicle sticker pass placed on the driver's side front windshield at all times.
- Please be respectful of your adjacent neighbors, especially when it comes to excessive noise at night.

ADA ACCOMMODATIONS

We will be working to ensure all Juggalos have access to all the entertainment and services, regardless of ability. The following is a list of ADA accommodations.

- **ADA PARKING:** Vehicles with a valid Disabled Person Parking Placard will be allowed to park in the ADA parking area, which is the closest parking location to the stages available.
- **ACCESSIBLE BATHROOMS:** Located throughout the grounds are accessible port-a-johns.
- **WHEELCHAIRS & ADA SCOOTERS:** Bringing personal forms of ADA transportation are encouraged for those with disabilities, including wheelchairs and ADA scooters. Please keep in mind that there are no paved roads throughout Legend Valley. Also, due to serious safety concerns, no golf carts, minibikes, or other motorized vehicles will be permitted under any circumstances.
- **ADA TAXI SERVICE:** We have dedicated several 24-hour-a-day golf cart taxis to assist those with disabilities in getting around the park. (Please ask for the ADA taxi cell phone number at the Box Office or Info Tent if you need this service.) Please do not call for this taxi unless you truly need assistance getting around, as you would be depriving others who rely on this service.
- **CHARGING:** If you need to recharge your wheelchair or any medical-related equipment, you can do so at the Recharging Tent (next to the Info Tent). Please bring all the cords needed to charge your device; charges must use a 110-volt, 20-amp circuit.

INFO TENT

This helpful tent is staffed 24 hours a day by Gathering staff to assist anyone with any questions, concerns, or problems they might have. The people working here are connected via radio to all the event coordinators, and have the power to either help you directly, or get in contact with those who can. The Info Tent also provides the following other services:

RULES

The following is a list of key rules to help keep everyone safe and ensure a good time for all. We ask that everyone respects the property of Legend Valley. The family that has allowed us into their home are good people, who have not only opened their arms to us, but have also proven to have a complete understanding and respect for our family. We also ask ninjas to refrain from showing up early to the Gathering. This has caused problems in the past, and we ask that everyone honor this request as well as the following other rules:

- No selling of illegal substances or the breaking of any other laws.
- No underage or excessive drinking, or substance abuse.
- **NO GOLF CARTS, MINI BIKES, FOUR-WHEELERS, E-BIKES OR MOTORIZED VEHICLES.**
- No sitting on top of any moving vehicle or trailer.
- Children must be supervised by adults.
- No vandalism or destruction of property.
- No cutting of trees, damaging plant life, or hurting wild animals.
- The speed limit while on the grounds is 5mph.
- No animals.
- No weapons, glass, or dangerous objects.
- **NO FIREWORKS.**
- No spray paint.
- No outside firewood (Legend Valley will be selling firewood if needed).
- No littering, especially at the campsites.
- No selling of food or manufactured merchandise (especially bootlegged merch).

GOOD ADVICE

The following are some good tips on how to stay prepared as you venture forth into the GOTJ experience:

- Bring plenty of food to last you the entire time.
- Drink plenty of water to stay hydrated.
- Wear hats and light-colored clothing while staying in the shade to stay cool.
- Bring warm clothing for nighttime (it can get chilly).
- Sunscreen is always a good idea, even on an overcast day.
- When camping, make sure to bring the right supplies (tent, sleeping bag, rain gear, flashlight, bug spray, toiletries, towels, folding chair, etc.)
- Bring a cell phone or some way to communicate.
- Avoid any kind of substance abuse...know your limits.

MERCHANDISE BAZAAR

This area will feature a kaleidoscope of dope, rare, offensive, and Gathering exclusive merchandise from Psychopathic Records and its roster of artists. This will also be the spot to find merchandise from all other artists performing, as well as a variety of other vendors.

ATMs

There are several ATMs located on the grounds for quick leafy green access. Users are responsible for all transactions as there will be no refunds.

FOOD COURTS

Many food courts will be located throughout the Gathering grounds serving delicious food and tasty beverages, including Faygo!

BOTTLE FILL STATIONS

There are several fill stations spaced throughout the Gathering grounds where you may get fresh drinking water to fill your containers.

CONVENIENCE STORE

This 24-hour store will strive to meet all of your basic needs, by supplying an abundance of useful items. You will find everything from condoms, disposable cameras, over-the-counter medications, and much more.

THE 6IX ★ 7 PM

Hailing from a trap house in the northeast woods of New England, The 6ix brings an aggressive stage show that few can match and no one forgets. Expect a well-polished performance that does not utilize backing vocals which is rare in today's music scene. The 6ix is what you get if The Lox and The \$uicideboy\$ met in hell to battle SlipKnot and Tech N9ne. Get ready to open up the pit when the Devil comes to Gather.

KLOKWERK E ★ 7:30 PM

Klokwerk E aka "The Silver Boof Boys" are coming to bring that werk! With music that is intended to resonate with the heart of the Juggalo community, they bring a mix of Hip-Hop, Disco and fresh energy to the stage! The hype and support of the Juggalos landed them on this stage and they plan to put on a life-changing performance from a distant dimension. Come and join us as we "boof scoot and boogie" into deep space on the first night of the gathering with Klokwerk E!

HEXXX ★ 8 PM

You hear the bass crush from the West Side of the galaxy, flying in on a futuristic 3030 Cadillac, the undisputed trailblazer of West Coast Wicked Shit - we present to you... HEXXX! Holding the Mainstage hostage for a 3rd muhfuckin consecutive year, the G'd up braided & faded green-eyed devil himself is bringing that RAW Golden Coast sound! Notably HEXXX joined forces with C17 and took the scene by storm with the success of his album Demon Season. The hype surrounding his upcoming project Tales of a Cursed G has the underground in a straight up chokehold! A leader of the wicked shit movement for generations to come and here to set off GOTJ '23 opening night, give it up for HEXXX!!!

KUNG FU VAMPIRE ★ 8:40 PM

A swarm of bats obscures the dusk sky in a flittering black cloud descending upon Legend Valley, which can only signify one thing: The long-awaited return of Kung Fu Vampire to The Gathering Of The Juggalos. From the moment he popped up making noise on the music scene, Juggalos recognized this independent artist and true original as one of their own with an energy embraced and reflected by the west coast icon himself! From kicking a Hip-Hop take on classic gothic romance with "Dead Sexy" to infusing his distinct rap style with the radical 80's nostalgia of "Come Dawn", Kung Fu Vampire defined his career by doing his own thing outside of mainstream musical trends. Now's your chance to see that philosophy of dopeness in action when Kung Fu Vampire hits the stage to rock with his people, the Juggalos, live and in effect at The Gathering!

DROPOUT KINGS ★ 9:20 PM

Sound the fire alarm, it's audio arson! Bringing you more metal-infused hip-hop than a squad of rapping Terminators, nobody defines "defiance" like The Dropout Kings! From punishing percussion to mastering vocal styles from every era of nu-metal, musically the GlitchGang has every angle covered like a sniper's nest! Now they have their sights trained on another Gathering go-around! Aggression is the order of the day when The Dropout Kings hit the stage to demonstrate why they call it Riot Music! So put your pit skills to the test and see if you can hang with the best at The Gathering of The Juggalos!

NATAS ★ 10:10 PM

Juggalos! From Ahead of Time and Space, with a legacy planted firmly in the annals of Reel Life, The Gathering of the Juggalos proudly presents to you a Detroit institution: the one and only NATAS! When the sun fades and a devilish moon arises, the Multikillionaires Esham and Mastamind will emerge, carrying the flame of the late, great TNT inside them and bringing all the smoke of a Devil's Night house fire to the stage! Their rap arsenal consists of nothing less than Detroit Wicked Shit classics, with Esham's legendary on-stage energy joined by Mastamind's savage, one-of-a-kind flow in the perfect combination for a rare and iconic Gathering performance! Is it All in Yo Head? Nah son, this is Reel Life and it's reely goin' down at The Gathering of The Juggalos!

INTERGALACTIC STAGE

THURSDAY, JULY 6TH

STAGE HOST: ZACKASS WITH DJ CHUNK

KORIHÖR ★ 6 PM

KoriHör sent a Faygo flavored shockwave through the horrorcore world when they smacked your eardrums and eyeballs with their "Witches In The Trap House" music video. But these spooky boys aren't any smelly-assed one-trick pony. A connection that began through the internet has resulted in the creation of a new sound, a new entity of this darkness. Thicc Criss from Indiana brings the savage production (and is the only one actually singing). King Wicked from Virginia brings a tall glass full of lyrics. Cartoon Bondurant, hailing from Michigan, packs a mean bag full of punch lines even though he's the shortest guy in the group. Whoop Whoop!

SPONGE ★ 6:40 PM

Many recording artists, including ICP, would agree: a true testament to a band's greatness is measured by their longevity. Many caught the wave of 90's alternative rock, but few managed to grab ahold of that bitch and surf it into the present like Sponge! Frontman Vinnie Dombroski is nothing less than a class act whose rousing, genuine rock'n'roll spirit has endured the rise and fall of MTV and major labels, leaving behind a musical footprint that is truly timeless! Songs such as "Plowed" and "Molly" are ubiquitous, decade-defining songs, and we expect nothing less from a band founded and formed in the one and only Detroit Rock City! With the release of 2021's "Lavatorium", they're still going strong and that's why we're proud to bring Sponge out to rock with us at The Gathering of The Juggalos!

ARRESTED DEVELOPMENT ★ 7:35 PM

One of the freshest things about putting on The Gathering of The Juggalos is the opportunity to reach world renowned icons and legends and put them in front of a Juggalo audience. As part of that ongoing series, this year it's our pleasure to bring to The Gathering stage: Arrested Development! For 30 years, Speech and his eclectic crew of dancers and musicians have been Hip-Hop trailblazers! They have won multiple awards as the first names in conscious rap the world over and made their national mark as the musical voice of the deep south long before Bounce had a foothold on the scene! Now the soulful, realer-than-real sounds, sights and stories of the Vagabond Productions outfit are set to descend upon the Intergalactic Stage, promising a night of musical mesmerism that won't soon be forgotten! Everyday People stand up, this one's for y'all!

RIFF RAFF ★ 8:35 PM

We know from the down south Clown Towns that everything's bigger in Texas, but we suspect this artist just might be that whole idea personified! Big swagger, big ice, big trucks, big beats with big talent to match! We're talkin' Texas Big in human form! Holy shit Juggalos, it's Riff Raff! In the land where there's no end in sight to the lights glowing in the dark, we bring to the stage The Neon Icon! The man bold enough to take the distinct flavor of Texas rap and mix it up his way with EDM and trap-style production to create colorful, bangin', absolute booty-shakin' dopeness! But don't let the flavor fool you, Juggalos, the epicness at hand grew from roots of slangin' burnt CDs and mixtapes, and Raff damn sure ain't scared to pick up a mic and rip a freestyle! There's nothing about that we don't like, and you can come get with it too at The Gathering of The Juggalos!

ICP'S WICKED CLOWNS FROM OUTER SPACE ★ 9:45 PM

Step into the Juggalo TARDIS, we're calibrating the date and taking a space-time trip back to 1999! The original Wicked Clowns From Outer Space Tour was a touchstone moment in Juggalo history and many ninjas' initiation into The Dark Carnival way of life. That's 23 years ago! Some of you ninjas were still droppin' deuces in your SpongeBob Underoos! Well lucky you, Psychopathic is taking it back like a time traveling repo man when the Insane Clown Posse brings to you The Wicked Clowns From Outer Space Show! The spectacle you will witness is a faithful recreation of the original 1999 performance, from the OG set list to elaborate creature effects courtesy of legendary SFX wizard Roy Sota! So, whether you're reliving your days as a young Juggalo or this is a performance you only wish you'd ever seen, we're bridging the gap between past and present in a musical wormhole that can only be experienced at The Gathering of The Juggalos!

INTERGALACTIC STAGE

FRIDAY, JULY 7TH

STAGE HOST: VAMPIRO WITH SHAGGY THE AIRHEAD

HATCHET MAN PROJECT ★ 6 PM

For those of you that don't know, The Hatchet Man Project is a Heavy Metal band that converts ICP's songs into what they call Psychopathic Metal. In the spring of 2022, The Hatchet Man Project was formed with one goal, play the Gathering! After being selected, the band started its journey towards creating a set that Juggalos would remember and talk about as one of the standout performances of last year's GOTJ! For the past year, the band has been preparing for another opportunity to play the Gathering. By popular demand, they're back again and promise to bring the most brutal, mosh pit worthy set of ICP classics imaginable!

WHITNEY PEYTON ★ 6:45 PM

Calling Whitney Peyton an "indie darling" might just get you rocked in your nugget fam! This Philly girl is nothing less than a powerhouse, with mad years' worth of skin in the game! Having toured with the likes of R.A. The Rugged Man, Kottonmouth Kings, and Jelly Roll, she quickly proved her Firecracker energy was enough to break any industry barrier! And speaking of energy, she's gearing up for the release of her latest project, "Side Effects", by coming out to rock with the Juggalos! Gathering vets know her live show is a caffeine fueled fever dream somewhere between a funhouse and a psych ward, which suits the atmosphere of this party just fine! Let's give a whoop whoop and a woopy woo woo one time for Whitney Peyton!

RITZ ★ 7:25 PM

In the wide world of rap characters, only one stands out with hair like a house fire and a chest loaded with raps ready to spit like the circle drum of a Tommy Gun. That's right! It's Rittz, bitch! Let the mainstream think whatever it wants, everyone knows Juggalos are some of the first to identify a rising star, and we've been rocking with Johnny Valiant since the very beginning! The Clintel Cartel King has gone on to capture the attention of the entire nation! Rittz's overclocked flow has made him an illustrious fixture in the world of chopper rap while also being capable of dropping seamlessly into smooth, melody-laced hooks with the same delivery. Now that's talent you can't front on, but you CAN stand front row to witness him spit at The Gathering of The Juggalos!

JUGGALO PSYPHER LIVE ★ 8:15 PM

The Juggalo Psypher is a hip-hop showcase celebrating the elite skills of individual rap talents who are proud to call themselves Juggalos! Now the winners of last year's Psypher are back to spit it live and in your face for The Gathering Audience! We have for your earhole's amazement: The microphone madman, NGS! A flex from one of New York's finest, Trey Mag! The for-real-no-shit talk of New England and the Juggalo world, rapper/actor Pierre Diaz! The Rap Ray Charles, Big Fluff! The inimitable machine-gun spitter, GunnerB! The Detroit Demon and Shrunken Head Entertainment alumni, Zitro! For Juggalos By Juggalos is the motto, and we're kicking things off by proving how real it is at The Gathering of The Juggalos!

MAC SABBATH ★ 8:40 PM

Once upon a time, the sonic vibrations unleashed by rock'n'roll's Prince of Darkness blasted from his band's stadium speakers and across time and space. The powerful tritone frequencies reached a faraway realm of both childhood imagination and targeted fast-food marketing, leaving the dimension forever altered. Now these warped enforcers claiming The Playplace turf are descending upon The Land of The Juggalos to force-feed the audience a feast of high calorie rock! Get ready to experience a melty quarter pounder of familiar riffs and imagery that will move your body and boggle your mind until you're in the throes of a McMoshPit! This is: MAC SABBATH!

YELAWOLF ★ 9:35 PM

You heard it right, Juggalos! The speculative rumblings that pricked ears up across the entire underground are true! It's the return of The Mud Mouthed Ghetto Cowboy known as Yelawolf to The Gathering of The Juggalos! He's tested the constraints of the rap genre via diverse collaborations and applied the poetic language of the streets to the equally harsh realities of the gritty south in a way that was undeniably influential. One thing you can say about the OG Slumerican is, he's not afraid of a challenge! His first performance on our Main Stage has gone down as the stuff of Gathering legend, and now he's back to once again to make some noise as we suspect only Yelawolf can!

OUIJA MACC ★ 10:45 PM

It remains an open secret that beneath the dry Nevada desert lie hidden bases where shadowy military and intelligence forces house things not of this world. Only a single creature commanding knowledge over The Four Elements has ever managed to refuse containment inside one such subterranean hive of steel. Is he extraterrestrial? Interdimensional? Though his origin is unclear, he announces his species proudly with one word: Juggalo! That's right, Ouija Macc returns to The Gathering of The Juggalos! Fresh from planting his Chapter 17 flag across the pond on his firestorm UK tour, Ouija Macc is set to shake Main Stage once again like a dog with an attitude problem! Scroll Keepers and Wasteland Warriors already know he channels Dark Carnival magic like a shaman with every Gathering performance, and if you ain't familiar, come see the dopeness for yourself to experience EXACTLY what we're talking about!

INTERGALACTIC STAGE

SATURDAY, JULY 8TH

STAGE HOST: CLOWNVIS WITH DJ CLAY

NORMUNDY ★ 6 PM

NORMUNDY is a spirited group which combines rock, rap, and EDM into a distinct sonic experience. Drawing influence from across the musical spectrum, the Indianapolis-based band delivers powerful lyrics, genre-breaking soundscapes, and a fiery and infectious live energy wrapped in a deep-rooted spiritual message. One moment you'll be dancing to a rave-like beat and the next you'll be moshing to a guitar-driven breakdown, immersed all the while through lyrics about our metaphysical connection with the Universe and one another. This performance will be one you can't predict and one you won't forget.

9 DEAD ★ 6:45 PM

The sounds of Slamming Deathcore will liberate the rage from your Juggalo soul as you mosh out every bit of angst that haters have tried to throw your way. From the industrial and scenic ruins of Gloucester City, NJ, 9 Dead delivers the sonic smackdown with super mosh metal mayhem! The extreme sounds feature sick slams and breakdowns that will have you dancing like a wild ninja in the woods!

ALIEN ANT FARM ★ 7:35 PM

Our commitment to bringing you out-of-this-world acts continues when we welcome for the very first time to The Gathering stage: Alien Ant Farm! Since bursting onto the national scene in 2001 with a chart-topping literal riff on The King of Pop's classic "Smooth Criminal", Alien Ant Farm has been packing venues from here to the UK with their signature alt-rock sound! Their dedication to taking that style and applying it to whatever the hell they feel like was so influential it even reached the Wicked Clowns themselves, leading to a killer collab on the "Yum Yum's Lure" EP! Now in celebration, reciprocation, and rockification, they've been invited to shred in front of a live Juggalo audience in what's sure to be a historic set not to be missed!

KRIZZ KALIKO ★ 8:30 PM

When you feel the floor of Legend Valley rumble beneath your feet, you may suspect you've been caught in an earthquake. Then the reverb strikes. It dawns on you that this is the legendary power of a man whose voice could move mountains. A man known as The Genius. The one, the only: BIG KRIZZ KALIKO! The dynamic musical powerhouse at long last RETURNS to The Gathering of The Juggalos, set to bring the performative energy that has transformed him into a worldwide sensation home to the familiar painted faces of The Family! This head of household for Ear House Inc. is not just a long-time homie but also a brother-at-arms, all wrapped up in one gale-force entertainer! Juggalos, give it up one time for KALI BABY!

SUGARHILL GANG ★ 9:20 PM

When you ask The Gathering for a throwback, we throw it all the way back like taking shots with Mr. Peabody! We are once again honored to be hosting for you, The Juggalos, the phattest and baddest of rap classics! The ones who taught an ENTIRE GENERATION what it meant to rap the beat! None other than The Sugarhill Gang! The influence of "Rappers Delight" cannot be overstated, the success of that defining classic creating a butterfly effect that would go on to change the entire musical landscape the world over! They bring the type of flavor you ain't gonna be able to sit still for! This is certified pit music, combining cell block aggression, psych ward insanity, and the energy of a burning building into a single stage event that threatens to ignite the crowd into an explosive frenzy, the likes of which have never been seen! The Gathering has always been the underground's first home for extreme music, so we are beyond stoked to present to you, the Juggalos... City Morgue!

ICP'S WICKED CLOWNS FROM OUTER SPACE PART 2 ★ 10:55 PM

They came to Earth once before from beyond the stars, blazing a Faygo-soaked trail of space-based bedlam across the nation, leaving the planet baffled and in awe! Little did the people of what they call 'The Dirtball' suspect, that was just the recon mission! On the final day of the Gathering, Commander Violent J and Darth Shaggy 2 Dope return, bringing behind them a fleet of starships known to the intergalactic underground as The Hatchetman Armada! So, clear the stage and make way for the return of a legend to The Gathering of the Juggalos: None other than R.A. the Rugged Man with DJ LALA! The man whose mind is one part madhouse and two parts grindhouse, has found a peculiar fellowship with the Juggalos and is once again making it a point to come out and rock with his people! NEKROGOBLIKON ★ 1:30 AM

Where once their primal claws were used only to shred human skin, they have now evolved to shred on guitar, bass and drums! Juggalos, behold the Nekrogoblakon! The Dark Carnival has always been a friend to beings strange and unusual, and when you just so happen to be a horde of mythic beasts AND be proficient musicians in the craft of Death Metal... well, that's a win/win in our book! Get ready to go Goblin Mode when Dickie Allen, Raptor, Goldberg, Brown & Diamond take to the stage to deliver a pit-punishing, mind-flummoxing barrage of sounds and sights unlike anything in the history of Metal! Raven, Stitches, The Doctor, and Muppet appear on stage like characters from your most memorable nightmares, joining the corpse painted forces of their Dark Metal Carnival with the Juggalos' own. Heavy riffs marry melody and discord, like hearing limericks sung from long-abandoned houses as this morbid menagerie of misfit rockers perform creepy-catchy tunes in a marching, theatrical take on The Wicked Shit that any Juggalo can appreciate! So, for those who like it dark, we present for you a bird of a deeper color: this is Raven Black!

If there's a beat The Canadian Werewolf couldn't abuse, he hasn't met it yet, plus the fact he fucks with Juggalos is a secret he's never kept. So to that, we raise our Hatchets and Battleaxes high with all due respect!

From New York to Detroit, it is considered a fixture in Hip-Hop culture, and the wide scope of the Juggalo Nation calls competitors from every corner to prove themselves at the Gathering Battleground! For this contest, rappers will first freestyle for 30 seconds to a provided beat. Those deemed worthy by the judges will then move into an elimination style battle, where two rappers at a time will compete directly against each other. In the end, there can be only one!
